CALGARY, April 27.—The heaviest snowstorm of the season occurred on Friday night. Eight inches fell, but it is fast disappearing under a chinook.

**THE EFFECTS OF WHISKEY.**  
The effects of whiskey are always evil, and those who feed upon alcoholic stimulants, vainly endeavoring to cure coughs and consumption, but nurse a viper. Haggard's Pectoral Balm is a remedy that is always reliable for all throat bronchial and lung troubles, and never does harm to any one.

**RIVER DRIVING.**—Messrs. Flatt & Bradley of Hamilton, and Burton Bros Barrie, timber merchants, have men busily engaged in driving square timber on the Beaver river. Both companies have over 5000 pieces of elm timber in the river, besides a large quantity lying at the station.—Thornbury Venture.

**CURE FOR DEAFNESS.**  
As numerous testimonials will show, there is no more reliable cure for deafness than Haggard's Yellow Oil. It is also the best remedy for ear ache, sore throat, croup, rheumatism, and for pains and lameness generally. Use externally and internally.

On Saturday morning last a horse and wagon was backed off the Town dock at Collingwood. The driver went in the water first, with the wagon on top of him and the horse afterwards. The boy was going down for the third and last time when he was rescued by spearing his clothes with a pike-pole. The horse was drowned.

**IMPORTANT CHANGES.**  
There are two periods in the life of every female when the system undergoes great changes. First the change from childhood to womanhood; next, that of womanhood to old age. These are the critical changes of life, and the system should be nourished and regulated by that matchless tonic, Burdock Blood Bitters. It is invaluable in all diseases peculiar to females.

A short time ago an Ottawa book-keeper absconded with his employer's money. He was arrested on the same day in Montreal as he stepped off the train. On Thursday night R. D. Fisher, teller of the Dominion bank at Ottawa disappeared. Friday morning he was arrested in Kingston. The absconding business doesn't seem to pan out very well in Canada.

**FRAUDULENT TRANSACTIONS.**  
There are many frauds perpetrated in medicine, and many advertised remedies worse than useless. Not so with Haggard's Yellow Oil. It remains as ever the best internal and external medicine for all pains, sores, and eruptions with which human flesh is afflicted.

**THE ARMY.**—The Salvation Army still keeps to its work. An accordion has been added to the big drum, and the street parades draw almost as large audiences as the indoor performances. The number of "War Cry" sold is reported at 400.—Collingwood Enterprise.

**A BLESSING TO ALL MANKIND.**  
In these times when our Newspapers are flooded with patent medicine advertisements, it is gratifying to know what to procure that will certainly cure you. If you are bilious, Blood out of order, Liver inactive, or generally debilitated, there is nothing in the world that will cure you so quickly as Electric Bitters. They are a blessing to all mankind, and can be had for only fifty cents a bottle at A. Turner & Co's Drug Store.

**CAR ON FIRE.**—Quite a little sensation occurred on the train on Tuesday morning a few minutes after it left Meaford, when the car was discovered to be on fire. We rushed forward and informed Conductor Pulling, who made for the spot after pulling the cord to stop the train. He ordered the hands to get the water tanks, and soon after the train was stopped the fire was subdued by towing the lining from the ceiling and drenching it with water round the stoye-pipe, which had fired the wood to red heat. In a minute more the car would have been in a blaze. Some ladies on board were frightened pretty badly.—Meaford Monitor.

**THE SECRET OUT.**  
The secret of beauty has been at last revealed. Without good health, pure blood and a fair clear skin none can possess good looks. What is more repulsive than pimples, blotches, or a sallow or pasty complexion? Burdock Blood Bitters reveal the fact that all can gain pure blood and freedom from the repulsive diseases of the skin that result from impurities.

When a lady sitting for a picture would compose her mouth to a bland and serene character, she should, just upon entering the room, say "Bosom," and keep the expression into which the mouth subsides until the desired effect in the camera is produced. If, on the other hand, she wishes to assume a distinguished and somewhat noble bearing, not suggestive of sweetness, she should say "Brush," the result of which is infallible. If she wishes to make her mouth look small, she must say "Flip," but if the mouth be already too small, and needs enlarging, she must say "Cabbage," if she wishes to look mournful, she must say "Kershunk," and if resigned, she must forcibly ejaculate "Scat."

**WHAT IN A NAME?**  
Scrofula is so called from the Latin *scrofula*, a pig, from the supposition that the disease came from eating swine's flesh. It is often inherited from parents, and leads to abscesses, ulcers, sores, debility, king's evil, and consumption. The case of the Rev. Wm. Stout, of Winton, who suffered 23 years from scrofulous abscesses, is one of the most remarkable on record. Burdock Blood Bitters cured him after the best medical skill had failed.

**MARKDALE PETITIONING.**—A petition signed by W. A. Brown and thirty three other respectable commissioners, was sent to the respective Commissioners of South Grey, protesting against the issue of another Tavern and Shop license in Markdale. The latter is now likely to be granted and one of the four hotels is sure to get left.—Durham Chronicle.
