Fever, colic, unnatural appetite, fretfulness,
weakness, and convulsions, are some of
the effects of worms in Children; destroy
the worms with Dr. Low's Worm Syrup.
A gentleman who had been struck
by a young lady's beauty was determined
to follow the injunction "and kiss
the rod that smote him."

The Hoctic Flush, pale hollow cheeks and
precarious appetite, indicate Worms. Free-
man's Worm Powders will quickly and effect-
ually remove them.

Why are apples which have been
kept for some time like unmarried
ladies? Because they are often shrivelled
and difficult to pair.

National Pills are sugar coated, mild but
thorough, and are the best Stomach and
Liver Pill in use.

The frost of last week did consider-
able damage to fruit trees and vege-
table throughout Southern Ontario,
and extended as far south as the Ohio
river.

THE EFFECTS OF WHISKEY.

The effects of whiskey are always evil,
and those who feed upon alcoholic stimulants,
vainly endeavoring to cure coughs and con-
sumption, but nurse a viper. Haggard's
Pectoral Balm is a remedy that is always
reliable for all throat bronchial and lung
troubles, and never does harm to any one.

In some places a broken-down front
gate, produced in court, furnishes all
the evidence a pretty girl needs to
insure a favorable verdict in a breach
of promise suit. Don't hang round
the gate boys.

CURE FOR DEAFNESS.

As numerous testimonials will show,
there is no more reliable cure for deafness
than Haggard's Yellow Oil. It is also the
best remedy for ear ache, sore throat, croup,
rheumatism, and for pains and lameness
generally. Use externally and internally.

ACCIDENT.—A few days since a son
of Mr. John Black of Glenelg fell off
a load of hay and got his leg broke,
Dr. Ghent attended him and he is now
progressing favorably. Mr. Black is
well known as he attended bar for the
late Thos. Carson for some time.—
Durham Chronicle.

FRAUDULENT TRANSACTIONS.

There are many frauds perpetrated in
medicine, and many advertised remedies
worse than useless. Not so with Haggard's
Yellow Oil. It remains as ever the best
internal and external medicine for all pain,
soreness and injuries with which human flesh
is afflicted.

HYMENAL.—Just as we were making
up we hear that W. E. McAlister Esq.,
was married to Miss Maggie Lauder
and left for their wedding tour by the
morning train. The happy couple
have our heartiest congratulations.—

provement that will follow; you will be in-
spired with new life; strength and activity

WHAT IN A NAME?

Scrofula is so called from the Latin *scrofula*,
a pig, from the supposition that the disease
came from eating swine's flesh. It is often
inherited from parents, and leads to absces-
ses, ulcerous sores, debility, king's evil and
consumption. The case of the Rev. Wm.
Stout, of Winton, who suffered 23 years
from scrofulous abscesses, is one of the
most remarkable on record. Burdock Blood
Bitters cured him after the best medical skill
had failed.

On Monday evening as Thomas
Dixon, of Clarksburg, was passing up
the Gravel road near here with the
stallion, S. James, the horse became
frightened at the barking of a dog,
and Dixon getting out of the rig to
quiet him was kicked in the mouth,
knocking him senseless. He was
carried into a house close at hand
where he soon became conscious. He
was able to walk down to the dentist's
next morning and get his teeth fixed.

HOW TO CURE A COLD.

Take some gentle opening medicine, bathe
the feet in warm water, adding a spoonful of
mustard; remain indoors; equalize the
circulation with warm bath and friction;
drink warm ginger tea, and take Haggard's
Pectoral Balm, the most perfect and
the safest cough cure that can be procured.

SOME BEEF.—Mr. Sam Scott recently
purchased from Lang Bros. a fine
beef cow weighing 1,680, for which
he paid \$108.75. Mr. Scott intends
shipping her to Port Arthur.—O. S.
Advertiser.

A CELEBRATED CASE.

The remarkable case of W. A. Edgars, of
Frankville, who suffered from disease of the
liver and kidneys so badly that all hope of
recovery was abandoned. He remained ten
and thirteen days without action of the
bowels. Four bottles of Burdock Blood
Bitters restored him perfect health, which
he had not known for twenty years before.

BURDOCK'S BLOOD BITTERS.

sores, ulcers, skin eruptions, and all
chapped hands, chilblains, sores, and all
skin eruptions, and positively cures piles or
no pay required. It is guaranteed to give
perfect satisfaction, or money refunded.

Ye Batchlors on Collingwood Moun-
tain don't be discouraged this being
leap year and the parental example
given by our friend Mr. John Shaw, a

bonds of matrimony with a girl of 50
on Friday last. We wish the young
couple heaps of prosperity.

IMPORTANT CHANGES.

There are two periods in the life of every
female when the system undergoes great
changes. First the change from childhood
to womanhood; next, that of womanhood
to old age. These are the critical changes
of life, and the system should be nurtured
and regulated by that matchless tonic,
Burdock Blood Bitters. It is invaluable in all
diseases peculiar to females.

THE SECRET OUT.

The secret of beauty has been at last re-
vealed. Without good health, pure blood
and a fair clear skin none can possess good
looks. What is more repulsive than pimples,
blotches, and a sallow or pesty complexion?
Burdock Blood Bitters reveal the fact that
all can gain pure blood and freedom from
the repulsive diseases of the skin that result
from impurities.

thousands by saving many of their dear ones
from an early grave. Truly is Dr. King's

BEAR CAUGHT.—On Sunday last
Mr. Thos. Laughlan, and Mr. J. Gor-
don captured a large bear weighing
180 lbs in the neighborhood of Ventry.
Bruin has been feasting on a couple
of sheep but his feasting days are
ended now. Notwithstanding several
have been caught lately, depredations
are still being committed among the
sheep.

A FACT.

There are oils white, and oils black.
Put up in bottles short and tall.
But Haggard's Yellow Oil, for pain,
is the very best oil of all.
It cures rheumatism, neuralgia, deafness,
sprains, bruises, contracted cords, sore throat,
frost bites, burns and all soreness of the flesh.
It is for external and internal use.

The Bay City, Mich., Vindicator, a
paper published in the interests of
labor, warns all Canadians to keep
away from Michigan, and asks Cana-
dian papers to copy. It says the
labor market is already overcrowded,
and American workmen will starve if
the influx continues. Canadians had
better stay at home.

DANGER IN THE AIR.

The recent strange planetary movements
and electrical phenomena have developed
the fact that the earth is passing through a
dangerous period when atmospheric influence
will seriously affect human health. Fortify
the weakened system with that grand tonic
regulator, Burdock Blood Bitters, and avoid
malarial blood poisons.

One of the most successful druggists
in New Orleans is a woman. New
Orleans fellows say it is so much more
pleasant to be poisoned by a woman
than a man, besides being quicker and
surer.

SAVED FROM THE SCALPEL.

A Toronto lady, Mrs. Berkenshaw, con-
tracted a disease of the knee joint and was
advised to submit it to a surgical operation
by the best physicians attending; all other
treatment having failed, when Haggard's
Yellow Oil was tried and speedily effected a
cure. It is the unfailing remedy for accidents
and emergencies, and is for external and
internal use.

REMARKABLE RESTORATION.

Mrs. A. O'Brien, 372 Exchange Street,
Buffalo, was supposed to be dying with
consumption and abandoned by her physician.
She suffered terribly and was reduced in flesh
to ninety pounds. In this condition she
resorted to Burdock Blood Bitters, and now
enjoys perfect health and weighs one hundred
and forty-six. She will gladly answer
enquiring letters on receipt of U. S. postage
stamp.
