MARKDALE JULY 8, 1884.

## Two Day's Late.

Owing to being this week overpowered with job work of an urgent nature we have been compelled to issue the STANDARD two days late. As this is the first time we have been so much behind in four years, we know our many subscribers will not grumble.

## Dominion Day in Markdale.

The horse races and sports took place on the handsome grounds of Glenelg Agricultural Society, adjoining the village, where good order was maintained throughout and universal satisfaction given. In the horse races there was close competition. Two bicycles were on the ground, but one of them happened with an accident before the race commenced by which it was disabled. Mr. McDowell of Chatsworth however gave an exhibition on the wheel which proved very interesting to the spectators, and highly creditable to himself as an amateur. He also appeared on the Street's during the evening showing remarkable speed on a rough track, this latter exhibition was highly appreciated by the citizens, the majority of whom have never had an opportunity of witnessing such.

Following are the prizes awarded: Open Race, 1st E. Large; 2nd J. H. Carson; Owing to Carson's horse bolting across the corner of the course the Judges decided to give the next horse, Burnside's half the prize money. Open Trot, 1st G. S. Brown; 2nd J. H. Carson; Local Trot, 1st J. H. Carson; 2nd M. Bebee.

Bicycle Race, 1st R. McDowell; Putting Caber, 1st D. McLellan; 2nd Wm. Dodds; 100 yds. race, 1st D. McCormick; 2nd A. Bryan; Boys foot race, 1st M. Fleming; 2nd W. Mathers; Tug of War, 1st A. Hutton, Captain.

## THE GARDEN PARTY.

The Garden Party under the auspices of the Ladies of Christ Church in the evening was well attended and a most enjoyable time was spent, a platform was erected and covered where select music was rendered with Violin, Organ, &c. the various performers in this respect proved themselves master of their position, the music was indeed excellent.

Strawberries, Ice-Cream &c. were served in prime condition, and the stalls were well patronized, the refreshment were choice throughout, and the party a genuine success. A Calithumpian torchlight procession marched into the grounds, mounted the platform and gave an Indian war dance which highly amused the company, after which the captain delivered an oration. The net proceeds amounted to the handsome sum of \$50.

## Correspondence.

Notice.—We wish it distinctly understood that we do not hold ourselves responsible for the opinions expressed by our correspondents.

To the Editor of the Standard.

Sir.—Will you be kind enough to give space for the following: A report has been freely circulated in the neighborhood of Markdale, to the effect that my sisters are suing all parties who have put their mares to my horse, whether in foal or not as they own the horse. Now I give the report a flat denial, as my sisters or any body else but myself never owned the horse. I would like Mr. Henry Lever to prove his statements and not go round telling lies because he cannot get the use of the horse at any price.

DAVID MADILL.

Vandeleur, June 30th, 1884.

To the Editor of the Standard.

Sir.—I see by the last weeks issue of the Flesherston squabbler that I have been treated to, what that base authority on everybodys business is pleased to term a "snubbing", said snubbing being got up in that mean

in future, and I would advise him, and others whose bodies are polluted, intellects beclouded, and whose very souls are shrivelled by the fumes of satan's five cent plugs to try and remember in future that the "sanctity of high heaven" is not in need of such grimly champions. LIBERTY.

To the Editor of the Standard.

DEAR SIR,—I noticed in your issue of June 30th, an item from your Meaford Road correspondent which I wish to correct. It refers to a meeting of our U. S. School concerning our annual picnic. It was not decided to go to Owen Sound, but only proposed to inquire whether we could get an excursion or not, and on what terms and when. A committee was appointed to get this information. The second meeting was not called on account of any dis-satisfaction, for I do not think there was any, but simply to hear the report of the committee. Everything was perfectly harmonious and the motions passed, were unanimous, and we should feel obliged if your correspondent would confine his items to facts, and in future if we wish our proceedings published we will instruct our Secretary to do so. I think he is more capable of giving the correct minutes than one who was not there at all. "Our own correspondent" some time ago gave to the public through the local papers an in-correct report of our S. School financial statement and we hope that if he must write something he will take the trouble to better inform himself of the facts.

At our second meeting we decided to have our picnic at the usual place on the 4th day of July, and also to have an excursion to Owen Sound if satisfactory arrangements can be made. However that will be duly advertised in time to give all a chance of a cheap trip.

Signed on behalf of the U. S. School, Meaford Road.  
WM. BUCHANAN, Superintendent.

Flesherston, July 1st, '84.

To the Editor of the Standard.

St. JOHN.—The members of Prince Arthurs Lodge No. 833 A. F. & A. M., G. R. C., celebrated the anniversary of St. John by tendering a banquet to their wives and sweethearts in their Lodge Room on the evening of the 24th ult.

At the hour of "12" Worthy Bro. McFarland was escorted to the Worthy Master's chair, and in an eloquent and impressive oration stated the cause of the anniversary and the object of the meeting.

After each one had satisfied himself or herself with the good things with which the table was loaded, the following toasts were drunk and duly honored.

1st the Queen and Royal family, 2nd the Craft, 3rd the Dominion and Governor General, 4th the Army and Navy, 5th Sister Societies, 6th the Learned Profession, 7th Agriculture and commerce, 8th our Wives and Sweethearts.

The above toasts were responded to by Worthy Bros. McFarland, Damude, Richardson, and Bros. Sproule, Gordon, McMaster, Blackburn, Elliott, Strain, Bellamy, Heslop, Field, and Dr. Hickson. Worthy Bro. Richardson then proposed the toast our Worthy Post Master (Bro. McFarland) this was responded to by all the brethren rising to their feet and singing "He's a jolly good fellow" After the brethren had resumed their seats, Worthy Bro. Richardson in behalf of the Lodge presented Worthy Bro. McFarland with a Postmaster's Jewell. We might state here that the Jewell is of solid gold, formed in the shape of a square, each side of which is about three inches long and about one inch broad, in the centre is suspended the figure of the 47th proposition of the 1st Book of Euclid. Worthy Bro. McFarland's name is engraved on each side of the square, in fact the whole workmanship is a credit to the manufacturer (Mr. Morris of Toronto.) In reply the Worthy Bro. gave a

the convivial hour of the banquet, and it will pass muster under domestic inspection at any hour of the morning. It may mean for the worldly that there are sweethearts and there are also wives, and it may mean when it must in the hour when an account has to be given that sweethearts and wives are the same person. We are of the opinion however that a sweetheart is good, a wife is better, best of all is a sweetheart and wife in one person.

This very pleasantly was brought to a close by all joining hands, and singing, "Auld Lang Syne".

## Irish Lake Pic-Nic.

The eighth annual picnic at the Irish Lake was held on Thursday the 26th, and was, as usual in every way a success. There was a large turnout and an enjoyable time was spent. Owing to the expected monster excursion from Owen Sound on that day, many from Markdale were unable to put in an appearance at the picnic. The large dancing platform which is the centre of attraction to a large number was well patronized, while the music by Parks Bros., was excellent. The athletic games were gone through, and everything passed off with harmony and satisfaction. The unswerving moral principle together with genial and business like deportment of Father Cassin go a great way in making this festival an enjoyable one.

## Another Roller Mill.

Plewes Bro's of Markdale have let the contract, for their new mill and will have a force on next week putting in a full line of rollers, and in order to do so they will pull down the old mill and build greater. This improvement will cost some \$6,000. Markdale will have this fall two of the best flour mills in the county which will materially assist in drawing a greatly increased trade to the place.
