M. Bertillion has recently published some statistics of divorce which are interesting in connection with the debates in the Ecench Chamber. The countries in which divorces and separations de corps are most rare are Scotland, Russia, and Italy. In these three countries the number of divorces varies from one to five per thousand marriages. In the United States the proportion is twenty eight in every thousand marriages. The conjugal tie proves most irkscm 3 in Saxony, and indeed, M Bertllion observes that there is a much larger proportion of divorces among her visit to San Francisco, the Teutonic than among Latin nations. Even in Lille-Lille, of the Hawaiian Islands. the German cantons of Switz rland diver see are more frequent than in the others. The at social gatherings in a rich black great army of the divorced and separated is me and long black gloves, without a composed in very large proportion of brain workers and members of the liberal professlons. M. Bertillion's figures show that in s are surrounded by been the habit of English royalty to nine cases out of ten it is the woman who Saturday, William III, Anne, all the desires the divorce, and that the great the Duchess of Kent, Prince. been written and which never will be until

Arizona has a history which never has

the mythology of the races living here is known, or until there is discovered a knowledge of the past ages which was so well hid 300 years ago that even the Spaniards visit. ing Arizona then could not obtain posses. sion of it with all their power of forcing secret out of the people whom they conquer: ed. Who the first inhabitants were of this far southern territory, whence they came and whither they went may, perhaps, never be known. Cartainly, none to-day can tell us. The past is a secret buried beneath the ages; a mystery that puzzles the learned as well as the ignorant, And yet, that the ease him in sclupture et B.owning is being painted by his country has a history is unquestioned. There dear to him, for the all the glory of his scarlet Oxford doe are evidences everywhere that in prehistoric y might give in the fut own for Bailiol College, of which he | times Arizon was a popular region, teeming call life rich in the fire ary fellow. He sits in an old with human activity. Long before America Italian chair, and on the wall is re- was thought of, before, perhaps, Athens ed a piece of tapestry bearing the was a reality, before the deluge, Arizon's the Medici, which now hangs in the was inhabited by a race of people who have having-100m. The picture is half left to us only their history as it is written in their empty canals which they dug, the Espress Eugenie is now busy on the fuined houses which they built, the valleys he has had in mind, if only rarely in which they cultivated, and in the inscribed sice the death of the Prince Imperial rocks and pieces of broken pottery which are found scattered over the ter itory. Age. before the European saw this continent two will be produced simultaneously in races had lived and died in Arizona, and the existing evidences of their occupancy s are associated with English under the supervision form one of the many attractions which the territo y has to offer. Near Cosnino, on the Atlantic & Pacific Railroad for instance, there is to be seen a canon, 2,000 feet deep which is 100 yards wide at the bottom and 300 at the top. Along its walls there are great ledges of rock, which project outward from ten to twenty feet, and upon which may be traced seven tiers ot chiff dwellings. From the bottom of the lowest tier to that of the canon the distance is 200 feet, the depth apparently having formed by the action of water since the houses were built and occupied. The fronts of the dwellings and the side walls are of solid masoury, and are still well preserved. How many centuries have come, and gone since these cliffs were occupied no one can tell. Thousands of years at | 104 to 200 .- Ninety-seven Ladies' Beauleast must have possed between the ege in which the cliff-dwellings were made and that of the advent of the European. Still another race had occupied Arizona, the peoh higher purposes they wished to say, without confining ple of which built the canals which are now hether they shall pares to the words of the air. As a seen in ruins about the country and who irrigated the valley now so dry and parched. Perhaps the most extensive of these ruirs are those seen near the station of Cara Grands on the Southern Pacific railroad, a short distance northwest of Tucson. Law. ing the road at that station and driving or than any other infine mome at the English bar, received riding northward a few miles one crossas in-875,000; Sir W. Largest List, and Most Valuable Ever Offered by Any

Residents of Toronto Inadmissable.

Four Planes, Three Organs, Stiver Tea Sets, Sewing Machines, Gold Watches, Silver Watchet, and Innumerable Other Valuable Rewards

Don't Delay Sending in Your Answers.

At the solicitation of many friends TRUTE announces one more—the final—Bible competition. Owing to the fact of so many variable rewards going to citizens of Terents, this com-petition will be open only to persons living out-side the city of Terento. Any one residing in any other part of the habitable world will be eligible to compete for these magnificent rewards. The questions which are supplied by an eminent Presb, terian minister—are very difficult, but the rewards are valuable. Everything offered in previous competitions has been promptly and cheerfully handed over to the successful ones the moment they are known. Full and complete lists of all those who gain rewards are given in TRUTH the week following the close of each competition. There will be no change, and no postponement in any way; everything will be carried out exactly as stated HERE ARE THE QUESTIONS.

1.-Where is GOLD first made mention of in th 2.-Where does it first state in the Bible that there WAS ONLY ONE LANGUAGE AND ONE SPEECH on the 3.—Where is INN first referred to in the Bible? (By the word inn is meant a place of rest and refreshment commonly known now as an hotel.)

Every one competing must send one dollar with their answers, for six months' subscription to TRUTH. And saide from the rewards; themselves, they will find that they have made the best investment of one dollar they ever did. TRUTH is full and big value for the money Bear in mind that you pay nothing extra for the privilege of competing for these cently rewards. and you will get TRUTH for six months in any case for your one dollar, which is the regular subscription price, and will also get one of these rewards, provided your answers are correct, and reach TRUTH office in time Don't delay.

Read the great list of FIRST REWARDS.
