SAW MILL AND TIMBER LAND FOR SALE OR TO LET

In the Township of Artemesia, County of Grey, 4 miles from
Flesherton Station, on the Canadian Pacific Railway. The
mill is situated at Little Falls, in a block of about 400 acres
timber land, with other timber land surrounding. The
building is substantially built on stone foundation. The
machinery is all good and driven with great power by a 23
inch Leffel wheel, under 36 ft. head of water. There are
one large circular saw for cutting logs, 2 small circulars for
sawing lath and broom handles, 1 guage lathe for turning
broom handles, etc., 1 shingle machine with jointer and
packer complete. The water power is excellent, the stream
being very regular. There are several other good mill sites
on the property. The land in valley is considered the best
in the country. The place would make an excellent stock
farm when the timber is taken off.

This offers a good opportunity for a practical, energetic
man to go into this kind of business, as the place will be sold
or let on liberal terms.
The bush is so convenient to the mill logs can be trucked
in summer time. Immediate possession given.

FOR OLD OR YOUNG
Dr. Fowler's Extract of Wild Strawberry is the remedy for Cholera, Colic, Diarrhoea and Dysentery. No person is safe without it.

The Signs of Worms are well known, but the remedy is not always so well determined. Worm Powders will destroy them.

PREJUDICED PEOPLE.
Many people are prejudiced against patent medicines but all who try Burdock Blood Bitters are compelled to acknowledge it worthy a patent as a valuable discovery.

FOR THE COMPLEXION.—For Pimples, Blisters, Tan, and all itching tumors of the skin, use Prof. Low's Magic Sulphur Soap.

HOPEFUL WORDS.
Mrs. McArthur, of Hopeville, Ont., says she could not keep house without Haggard's Pectoral Balsam to cure prevailing throat and lung troubles.

The Durham brass band have played their first tune.

Worms often cause serious illness. The cure is Dr. Low's Worm Syrup. It destroys and expels Worms effectually.

The wet weather in July has destroyed fifty per cent. of the hay crops in parts of Quebec.

RESCUED AT LAST.
W. H. Crooker, druggist of Waterdown, says, when all other remedies fail for Bowel Complaints, then Dr. Fowler's Extract of Wild Strawberry comes to the rescue.

FIRE IN DURHAM.—On Sunday evening last fire was discovered in Mr. Woodland's store but was soon got under control and subdued, loss on stock about \$600, covered by insurance.

A SEARCH WARRANT.
If there is any lurking germ of scrofula in the system, Burdock Blood Bitters are warranted to search it out.

A REMARKABLE RECORD.
The most remarkable cure of Scrofula on record is that of the Rev. Wm. Stout, of Winton, whose case of Scrofula was baffled the skill of seventeen surgeons for twenty three years. He was perfectly cured by Burdock Blood Bitters.

WOMAN'S WEAKNESS.
Much of the weary weakness peculiar to females is caused by irregularities that could be promptly remedied with that Excellent Regulating Tonic, Burdock Blood Bitters.

Mr. Wm. Telford of Arnott while mowing the other day came across a big snake in the grass. In a paroxysm of terror he stamped his foot on it mechanically of course. On lifting his foot again, the snake had disappeared, and immediately after he felt it wriggling up inside his pant leg. After sundry evolutions of a lively character on the part of Mr. Telford, the snake managed to crawl out under his waistband, and dropped into the grass beside him. He breathed easier then.—Chahsworth Cor. Advertiser.

CAN DEAFNESS BE CURED.
Mr. John Clark, of Millridge, Ont., declares it can, and that Haggard's Yellow Oil is the remedy that cured him. It is also a specific for all inflammation and pain.

ANNAN.—Mr. James P. Telford has just completed the erection of 850 rods of barbed wire fence for Mr. John Ford adjoining Annan village. Over a ton of wire has been used up. Fifty rods are wholly of iron, and 800 rods with cedar posts driven about 3 feet into the ground with a piledriyer set on a wagon, which is certainly the best and cheapest method of setting in posts. The iron posts undoubtedly have the most symmetrical appearance but for rural fences the cedar posts are to be preferred, as they make the most substantial fence and much the cheapest of the two. Mr. Ford is to be commended for the improvements he is making.—O. S. Advertiser.

A ST. ANN'S VICTORY.
Mr. John Morrison, well known in St. Ann's, N. S., had serious Kidney Complaint that bordered on dropsy. After hope had nearly fled, he was cured by Burdock Blood Bitters.

AN EXCITING SCENE.—Prompted no doubt by the thrilling adventures of recent bear hunt, the employees of W. J. McFarland's mercantile establishment reconnoitered a few evenings since in the cellar of the premises. The officers were Cap. Richards with a musket, Colonel Smythe with a breach-loader and lieutenant Bowes with a chinese lantern: their object extermination of a tribe of rats, after drawing up into line the lieutenant with fancy light drove the enemy from ambush when the captain opened fire and the enemy made a hasty retreat, neither dead or wounded could be found with the dim light but when daylight arrived one rat was found shot dead which had previously been poisoned.

A CURE FOR CHOLERA.
Procure from your druggist one bottle of Dr. Fowler's Extract of Wild Strawberry and take as directed. It cures all Summer Complaints.

A Call for the Rev. Mr. Boyle.
At a recent meeting of the Paris Presbytery, a call was extended to Rev. W. H. Boyle, licentiate of Queen's College, Kingston, at a salary of \$1,400 a year. Mr. Boyle's parents live in Glenelg township, and he is only just for college, and has received two very lucrative calls. It is a question whether Brampton or Paris will secure him. This is about the highest salary ever offered a student of any college.

Dr. Carter is gone to Saint Ste. Marie, Mich.

The following is from J. W. Ptoleary of Winnipeg, formerly grain buyer for William Gilhealy, of Hamilton and Gushy: "I was for many years much afflicted with Constipation, Bilemness, and ultimately Dyspepsia. I suffered very much and tried many different medicines, which gave me only temporary relief and then I was as bad as ever again. I was recommended by a friend, who had been restored to health by it, to try McGregor's Speedy Cure. I did so, and it was not long before I felt like a new man, and I have enjoyed excellent health ever since. I first commenced taking it February 7th, 1879. Sold by Hill Bro's A. & S. 6.

Rev. W. Cannon and family left for Parry Sound this morning where they will spend a week.
