## SAW MILL AND TIMBER LAND FOR SALE OR TO LET

In the Township of Artemesia, County of Grey, 4 miles from  
 Flesherton Station, on the Canadian Pacific Railway. The  
 mill is situated at Little Falls, in a block of about 400 acres  
 timber land, with other timber land surrounding. The  
 building is substantially built on stone foundation. The  
 machinery is all good and driven with great power by a 23  
 inch Leffel wheel, under 36 ft. head of water. There are  
 one large circular saw for cutting logs, 2 small circulars for  
 sawing lath and broom handles, 1 guage lathe for turning  
 broom handles, etc., 1 shingle machine with jointer and  
 packer complete. The water power is excellent, the stream  
 being very regular. There are several other good mill sites  
 on the property. The land in the valley is considered the best  
 in the country. The place would make an excellent stock  
 farm when the timber is taken off.

This offers a good opportunity for a practical, energetic  
 man to go into this kind of business, as the place will be sold  
 or let on liberal terms.

The bush is so convenient to the mill logs can be trucked  
 in summer time. Immediate possession given.

 Balsam is reliable for young or old.

Some people suppose that the negro  
 population of the United States will  
 gradually amalgamate with the whites  
 by intermarriage, but in most of the  
 states there are laws against miscegen-  
 ation. Henry Thornton, colored, of  
 Madison, Ind., has been sentenced  
 to three years' imprisonment for  
 marrying a white woman.

**How to Grow Fine Celery**  
 A very method, by Mr. H. M. Caider, is  
 detailed in our very heavy paper,  
 16 pages, 12 months supply, by Mail,  
 25 cents. How to grow fine celery,  
 according to a theory deduced from a  
 study of the natural habits of the  
 plant, and well attested by several  
 years of experience, is now offered to  
 the public.

The method has already been set  
 forth in the columns of the *New York*  
*Tribune* and *York Daily*, but is now  
 offered for the first time in a form  
 convenient for preservation and  
 reference.

The importance of Celery as an  
 article of diet, and especially its value  
 as a specific for nervous diseases,  
 makes its successful culture of the  
 first importance, and the method  
 herein given will enable any one to  
 have it in perfection in his own  
 garden.

**A STARTLING DISCOVERY.**  
 Physicians are often startled by remarkable  
 discoveries. The fact that Dr. King's New  
 Discovery for Consumption and all Throat  
 and Lung diseases is daily curing patients  
 that they have given up to die, is startling  
 them to realize their sense of duty, and exam-  
 ine into the merits of this wonderful discov-  
 ery; resulting in hundreds of our best Phy-  
 sicians using it in their practice. Trial  
 bottles free at A. Turner & Co.'s Drug Store.  
 Regular Size \$1.00.

To remove dandruff, Cleanse the scalp

 delightful medicated soap for the toilet.

Profanity is a mark of vulgar mind.  
**HUSBAND AND WIFE.**

Mr. James More and wife, well known in  
 Leamington, were both chronic sufferers  
 from dyspepsia that the best medical aid  
 failed to relieve. Three bottles of Burdock  
 Blood Bitters cured both husband and wife.

The Signs of Worms are well known,  
 but the remedy is not always so well deter-  
 mined. Worm Powders will destroy them.

Single copies of the STAN-  
 DARD five cents each.

**THESE ARE SOLID FACTS.**  
 The best blood purifier and system regu-  
 lator ever placed within the reach of suffering  
 humanity, truly the Electric Bitters. Inac-  
 tivity of the Liver, Biliousness, Jaundice,  
 Constipation, Weak Kidneys, or any disease  
 of the urinary organs, or whoever requires  
 an appetizer, tonic or milk stimulant, will

 only certain cure known. They act surely  
 and quickly, every bottle guaranteed to give  
 entire satisfaction or money refunded. Sold

 Markdale.

**A VALUABLE FIND.**  
 Mr. Isaac Brown, of Bothwell, declares  
 that he found one bottle of Burdock Blood  
 Bitters worth \$500 to him. It cured him of  
 Salt Rheum from which he had suffered  
 years after other treatment had failed to  
 relieve.

The wife of a Montreal hotelkeeper  
 eloped with one of the boarders. She  
 took her husband's trousers with her.  
 All his money was in his trousers. This  
 was a clever way of retarding  
 pursuit by her husband. A moneyless  
 and trouserless man cannot pursue  
 a woman with comfort to himself.

For THE COMPLEXION—For Pimples,  
 Blotches, Tan, and all itching tumors of the  
 skin, use Prof. Low's Magic Sulphur Soap.

One hundred and four trains are  
 handled daily at the Union Station,  
 Toronto.

**WARNING.**  
 The most suddenly fatal diseases of Summer  
 and Fall are and various forms of Bowel  
 Complaints which Dr. Fowler's Extract of  
 Wild Strawberry will promptly remedy.

**TAKE IT HOME.**—A level headed  
 newspaper man comes down as follows:  
 "We presume that some people think  
 we newspaper men are persistent duns;  
 let a farmer place himself in a similar  
 business position and see if he would  
 not do the same. Suppose he raise a  
 crop of a thousand bushels of wheat,  
 and his neighbor should come to buy  
 a bushel, and the price was only the  
 small sum of one dollar, or less, and  
 the neighbor says, "I will pay you  
 the sum in a very few days." As the  
 farmer don't want to be small in the  
 matter he says "all right." Another  
 comes in the same way, until the  
 whole of the one thousand bushels  
 are gone out to one thousand different  
 persons, and not one of the purchasers  
 concern himself about it, for it is a  
 small account he owes the farmer,  
 and of course, that could not help him  
 any. He does not realize that the  
 farmer has frittered away his crop of  
 wheat in little dribbles, and that he  
 is seriously embarrassed in his  
 business because his debtors treat it  
 as a little matter. But if all would  
 pay him promptly, which they could  
 do as well as not, it would be a very  
 large amount indeed, to the farmer,  
 and enabled him to carry on his  
 business without difficulty. The  
 above comparison is too true of the  
 difficulties that a newspaper man  
 has to contend with.
