ROBT. S. RAE,
TAILOR,

SAW MILL AND TIMBER LAND FOR SALE OR TO LET

In the Township of Ardenia, County of Grey, 4 miles from
 Flesherton Station, on the Canadian Pacific Railway. The
 mill is situated at Little Falls, in a block of about 400 acres
 timber land, with other timber land surrounding. The
 building is substantially built on stone foundation. The
 machinery is all good and driven with great power by a 23
 inch Lefell wheel, under 36 ft. head of water. There are
 one large circular saw for cutting logs, 2 small circulars for
 sawing lath and broom handles, 1 guage lathe for turning
 broom handles, etc., 1 shingle machine with jointer and
 packer complete. The water power is excellent, the stream
 being very regular. There are several other good mill sites
 on the property. The land in the valley is considered the best
 in the country. The place would make an excellent stock
 farm when the timber is taken off.

This offers a good opportunity for a practical, energetic
 man to go into this kind of business, as the place will be sold
 or let on liberal terms.

The bush is so convenient to the mill logs can be trucked
 in summer time. Immediate possession given.

Some people suppose that the negro
 population of the United States will
 gradually amalgamate with the whites
 by intermarriage, but in most of the
 states there are laws against miscegen-
 ation. Henry Thornton, colored, of
 Madison, Ind., has been sentenced to
 three years' imprisonment for
 marrying a white woman.

If a man speaks or acts with a pure
 thought, happiness follows him, like a
 shadow that never leaves him.

A SAD NEGLECT.

Neglecting a constipated condition of the
 bowels is sure to bring ill-health and great
 suffering. Burdock Blood Bitters regulate
 the bowels in a natural manner, purifying
 the blood and promote a healthy action of
 the stomach, liver, kidneys and bowels.

Great talent renders a man famous;
 great merit, respected; great learning,
 esteemed; but good breeding alone
 insures love and affection.

A CURE FOR CHOLERA MORBUS.

A positive cure for this dangerous com-
 plaint, and for all acute or chronic forms of
 Bowel Complaint incident to summer and
 fall, is found in Dr. Fowler's Extract of Wild
 Strawberry; to be procured from any drug-
 gist.

Good, kind, true, holy words dropped
 in conversation may be little thought
 of, but they are like seed of flower
 or fruitful tree falling by the wayside,
 borne by some bird afar, happy there-
 after to fringe with beauty some
 barren mountain-side, or to make
 glad some lonely wilderness.

RESPECT AGE.

Age should always command respect, in
 the case of Dr. Fowler's Extract of Wild
 Strawberry it certainly does. For 25 years
 that has been the standard remedy with
 the people for Cholera Morbus, Dysentery, Diar-
 rhoea, Colic and all bowel complaints.

FIRE.—On Friday afternoon last, the
 villagers were startled by the ringing of the
 fire bell. It was soon discovered that the
 new house belonging to Mr. John Marshall
 was in flames. Had there been a supply of
 water near the building might have been
 saved, but as it was nothing could be done
 to save it. The building was just completed.
 The plasters had put the last stroke of work
 to the chimney, and leaving their tools in
 the house, had taken the ladder they had
 used to its owner, being absent not more
 than fifteen minutes, when the house was
 discovered to be in flames. Mr. Marshall
 places his loss at nearly \$500, there being
 no insurance. There are only two ways of
 accounting for the fire; a spark from the
 burning stumps near by, or the carelessness
 of some smoker. The wind was not blowing
 towards the house at the time, and the men
 say they had not been smoking.—Dundalk
 Herald.

A STRONG ENDORSEMENT.

The Clergy, the Medical Faculty, the press
 and the people all endorse Burdock Blood
 Bitters as the best system renovating blood
 purifying tonic known. Its work bears out
 their best recommendation.

On Sunday night last, Mr. Jas. Fleming
 of Kilsyth, lost a valuable mare. He had
 purchased the animal a short time before
 from Mr. Jas. Gchraue. On Sunday night
 she was apparently all right, and on Monday
 morning he found her dead in the field.—O.
 S. Times.

A RARE PLANT.

The Wild Strawberry Plant possesses rare
 virtue as a cleansing, cooling, astringent, an-
 tiseptic and healing medicine, and when
 combined with other valuable vegetable ex-
 tracts, as in Dr. Fowler's Extract of Wild
 Strawberry, it is an unfailing remedy in all
 bowel complaints.

Notice is given in the Canada
 Gazette by Mr. George R. Goderich, Ont., that he will apply at

 and desertion.

 his body used as food.

FIRE AT STAYNER.—A fire broke out
 last Monday morning, the 1st inst.,
 in a house owned by Mrs. Crookshank
 and occupied by Thos. Hartnell as a
 general store. The fire spread to the
 drug store of T. W. Coleman, the
 furniture store of J. Mathers, the odd-
 fellows' hall, and the dwelling of Mr.
 Kelly, the whole of which were totally
 destroyed.

Destroy the worms or they may destroy
 the children. Use Freeman's Worm Pow-
 ders, they expel all kinds of worms.

THE ALBERTA.—The iron steamer
 Alberta, of the C. P. R., which recently
 collided with and sunk a barge
 steamer in Lake Superior during a
 fog, has been thoroughly repaired and
 has resumed her regular trips between
 Owen Sound and Port Arthur.

Prominent among the greatest medical
 discoveries, by the many cures it has effected,
 McGregor's Speedy Cure leads the van.
 Subjected to the minutest chemical analysis,
 it has been found to contain none of those
 injurious ingredients characterizing the
 worthless specifics daily offered to the public.
 Every ingredient possesses a peculiar adapt-
 ability to the various complaints for which
 it has been compounded, and its efficacy is
 being established by testimonials hourly
 received. We are therefore confident that
 we have a preparation which we can offer
 to the public with the assurance that it will
 be found not only a relief but an absolute
 cure for Dyspepsia, Liver Complaint, In-
 digestion, Constipation and Impure Blood.

Serious riots have occurred in the
 mining district of Hooking Valley,
 Ohio. Owing to disagreements be-
 tween the mind of owners and the
 miners, ten thousand men are idle,
 and are on the road to starvation.
 On Saturday night the miners made
 an attack on the guards of one of the
 mines, and in the collision which
 ensued seven men were killed and
 wounded. The militia have been
 ordered out, but it is believed that the
 worst is over, and that order will be
 soon restored.

The following is from J. W. Ptolemy, of
 Winnipeg, formerly grain buyer for William
 Gillesby, of Hamilton and Grimsby: "I
 was for many years much afflicted with
 Costiveness, Biliousness, and ultimately
 Dyspepsia. I suffered very much and tried
 many different medicines, which gave me
 only temporary relief and then I was as bad
 as ever again. I was recommended by a
 friend, who had been restored to health by
 it, to try McGregor's Speedy Cure. I did so,
 and it was not long before I felt like a new
 man, and I have enjoyed excellent health
 ever since. I first commenced taking it
