INVALUABLE TO EVERY LADY!
"MAY DEW"
 The Great French Lotion for
 Beautifying the Face.

It conceals the evidence of age. One application will make the most stubborn red and rough hands beautifully soft and white. Remember that "MAY DEW" is not a paint or powder that fills up the pores of the skin, and that is injurious to the skin, but a new and great discovery, a vegetable liquid, that causes the cheek to glow with health, the neck, arms and hands to rival the Lily in whiteness. Impossible to detect in the beauty it confers any artificial character. It cures greasy skin, freckles, wrinkles, pimples, black heads, crow's feet, blotches, face grubs, sun burn, tan, ringworm, chapped hands, sore or chapped lips, Barber's Itch, Tetter, etc. It frees the pores, oil glands, and tubes from the injurious effects of powders and cosmetic washes. By its use all redness and roughness are prevented; it beautifies the skin, and will make it soft, smooth and white; imparting a delicious softness; imparting a perfectly healthy, natural and youthful appearance. The best face lotion that the world ever produced. We will send "A LARGO BOTTLE" to any address on receipt of price, \$1. When ordering mention this paper. Address all letters to the MAY DEW AGENCY, 167 Church Street, Toronto, Ont. Parlor and Reception Room for Ladies.
