SAW MILL AND TIMBER LAND FOR SALE OR TO LET

In the Township of Artemesia, County of Grey, 4 miles from Flesherton Station, on the Canadian Pacific Railway. The mill is situated at Little Falls, in a block of about 400 acres timber land, with other timber land surrounding. The building is substantially built on stone foundation. The machinery is all good and driven with great power by a 23 inch Leffel wheel, under 36 ft. head of water. There are one large circular saw for cutting logs, 2 small circulars for sawing lath and broom handles, 1 gauge lathe for turning broom handles, etc., 1 shingle machine with jointer and packer complete. The water power is excellent, the stream being very regular. There are several other good mill sites on the property. The land in the valley is considered the best in the country. The place would make an excellent stock farm when the timber is taken off.

This offers a good opportunity for a practical, energetic man to go into this kind of business, as the place will be sold or let on liberal terms.

The bush is so convenient to the mill logs can be trucked in summer time. Immediate possession given.

The following is from J. W. Ptolemy, of Winnipeg, formerly grain buyer for William Gillesby, of Hamilton and Grimsby: "I was for many years much afflicted with Costiveness, Biliousness, and ultimately Dyspepsia. I suffered very much and tried many different medicines, which gave me only temporary relief and then I was as bad as ever again. I was recommended by a friend, who had been restored to health by it, to try McGregor's Speedy Cure. I did so, and it was not long before I felt like a new man, and I have enjoyed excellent health ever since. I first commenced taking it February 7th, 1879. Sold by Hill Bro's, A. & S."

THE GLOBE AND THE C. P. R.—The impression prevails amongst the intimate friends of Duncan McIntyre that the rumors regarding his purchase of the Nelson stock in the Globe Company are true, and that a change in the attitude of the paper towards the Canadian Pacific and the development of the Northwest may be expected shortly. It is understood that the present management is doing all in its power to prevent the sale, knowing that the Nelson stock, together with that owned by Hon. Donald A. Smith, has the controlling influence on a stock vote.—Montreal Star.

An incorporation meeting was held in Thornbury on Tuesday evening Mr. A. Grier was appointed chairman and Mr. E. Rorke secretary. After a good deal of discussion on the matter it was carried by the casting vote of the chairman (the vote being 17 to 17) that Thornbury incorporate. A committee was then appointed to wait upon the people of Clarksburg to ascertain their desire or otherwise as to joining Thornbury in the scheme. The vote seemed to be regarded as more for fun than reality. At present there is not the slightest probability of Thornbury incorporating. We notice that every farmer in the meeting voted that Thornbury incorporate.—Thornbury Standard.
