CATTLE FAIR.—Markdale cattle fair last Saturday was a decided improvement on any former one. There were two buyers from Toronto, two from Owen Sound and a host of local dealers besides, all of whom meant business. Some 250 head of fine cattle were on the fair ground, and over \$4,000 was paid for 125 out of that number.

The surplus stock of the Company amounting to \$106,000 will be divided on October 22nd. Shares are \$2 each and all those desiring to participate in this Grand Division, should buy a share at once. Address: H. A. L. WHITE, Sec'y., St. Marys.

In the report of Glenelg Council Minutes which appeared three weeks ago the following paragraph appeared which was somewhat misleading "The Reeve and Mr. Neil reported on the dangerous condition of the road at Barrdead Mills, the council granted \$225; towards putting the road in good condition. The proprietor of the mill agreeing to remove the Saw-mill for that amount." The above is the total amount for the right-of-way, and the proprietor has agreed to remove the mill and clear the road without further compensation.

CUTE.—A citizen says: We had the fun of witnessing rather a "cute" trick this week; a farmer sold a load of hay; after unloading he returned to weigh the wagon when the buyer noticed that the absent minded farmer had forgotten the binding pole, (a 75 lb. sapling) and also that he himself had been on the hay when weighed, after being thoroughly reminded of those minor matters the pole was fetched and weighed together with the man which made a difference in favor of the buyer of 230 lbs. such exhibitions of absent mind, and rustic innocence should have publicity.

COMING.—The celebrated Comedian R. H. Baird, supported by an excellent Company, will give an entertainment in Rae's hall Markdale on Saturday evening next, 11th, under the auspices of A. O. U. W. of this place. "To please all and offend none" is Mr. Baird's Motto. The piece selected for this occasion is "Joshua Whitcomb." This Company has received very flattering notices wherever they have played, see what the Barrie Advance says:—"Nip and Tuck was played by the Bijou Comedy and Dramatic Company in the Barrie town hall on Tuesday night. The audience, which was a large one for this time of the year, was thoroughly appreciative and many times applauded the performances of the actors. Miss Voughan and Messrs. Baird and Mulligan are excellent on the stage, and made during the course of the evening many hits. The Company was successful enough to warrant them in again appearing here, and we shall shortly have the pleasure of announcing their reappearance. The remainder of the cast was good."

The Chatsworth correspondent to the O. S. Advertiser says:—"There appears to be real desperadoes about fifty siders in Holland. Mr. Robt. Carter, a quiet, inoffensive farmer of that neighborhood was shot at by two of them a few evenings ago and had a very narrow escape with his life. The bullet grazed his forehead, cutting its track through the skin. It appears that when he came in, in the evening his children informed him there were two men up stairs. Immediately making his way up, he just got there in time to see them escape through the window. It was later in the night, while standing in front of the door, that a shot was fired at him from behind a pump platform in front of the house. Mr. Carter has always more or less money about him and it was doubtless this the scoundrels were after. This is the second attempt that has been made to rob him."

About a month ago considerable stir was caused in the northwestern part of Toronto where the news spread that Johnathan Madell, builder, of Lippincott street, had eloped with Mrs. Martin, organist in the College street Baptist church. Madell sung in the choir. The tuneful pair were both married and had two children each. They disappeared suddenly, and their exact whereabouts could not be ascertained. At 2.30 Sunday morning they put in an appearance at their respective homes, and as both were truly penitent they were welcomed back, promising never to do it again. Both were heartily ashamed of themselves and were covered with grief, not only for their own conduct, but also for the sorrow they have brought on their families.
