A VALUABLE NEST.—Mrs. Madill, who resides near Dunnedin has worked very hard in her lifetime, and by honest effort had accumulated about \$600 from the sale of butter, poultry etc. The old lady did not believe in banks nor in any of the various methods provided for the investment of money, so she stored her pile carefully away in a spot known only to herself. Wishing to add to it she paid the hidden place a visit last week, but found that her wealth had melted away like the snow on the hills before the Scott Act vote, and only fragments of paper were left to show that the nest had destroyed the whole of the money to build themselves a \$600 nest. Six transit spendix Madill's Collingwood Enterprise.

A FIGHTING EDITOR.—On Saturday last, a person dressed in female apparel struck our village, and proceeded to make a personal canvass for subscribers to a sporting paper in Toronto and claiming to be, herself, editor of the same. During the canvass, however, a dispute arose between her and a worthy citizen, and the plucky female editor repaired to a harness establishment, purchased a whip and proceeded to chastise the above citizen. He had her promptly arrested, but soon after she was liberated; then it was that the question was hinted around: is she a female: she uses the whip like a man: she walks like a male, &c. &c.; but later, the disputed question as to her sex was settled by a young man affirming that she was a female, he having found out.

It conceals the evidence of age. One application will make the most stubborn red and rough hands beautifully soft and white. Remember that "MAY DEW" is not a paint or powder that fills up the pores of the skin, and that is injurious to the skin, but a new and great discovery, a vegetable liquid, that causes the cheek to glow with health, the neck, arms and hands to rival the Lily in whiteness. Impossible to detect in the beauty it confers any artificial character. It cures greasy skin, freckles, wrinkles, Pimples, Black Heads, Crow's Feet, Blisters, Face Grubs, Sun Burn, Tan, Ringworm, Chapped Hands, Sore or Chapped Lips, Barber's Itch, Tetter, etc. It frees the pores, oil glands, and tubes from the injurious effects of powders and cosmetic washes.
