A GREAT revival has been in progress  
at Ebenezer Methodist church, 11th  
line Euphrasia, Walter's Falls Circuit,  
for some weeks. A reception meeting  
was held on Friday evening last when  
60 names were added to that church  
with prospects of about twenty more.  
The meeting still continues. Rev. Mr.  
Johnston is in charge. The Owen  
Sound and St. Vincent's GOSPEL bands  
gave valuable assistance.

DEBATE.—A debate took place in  
Chatsworth on Tuesday evening 16th

Government is preferable to a  
Monarchical," and the Chatsworth  
speakers took the Republican side.  
Wm. Brown, Esq., of Markdale acted  
as Chairman. The Owen Sound or

WORTHLESS is the soul that is void  
of push and enterprise. Live, honest  
men are always a valuable accession  
to any community. John E. Richards,  
for the past seven years a trusted em-  
ployee in the well known establish-  
ment of W. J. McFarland of this  
place, leaves this week for Rocklyn,  
where he is about to launch his new  
craft on the broad billows of that  
fertile commercial sea. A second  
general store has long been needed in  
Rocklyn, and Mr. Richards is just the  
man to fill the bill. Mr. Richards  
has been with us so long, and his con-  
duct both in his social and business  
relations has been so fair and un-  
clouded that we are truly sorry that  
he is to leave Markdale. But our loss  
will be Rocklyn's gain and our best  
wishes go with him. When a young  
man like this strikes out for himself  
in business he is eminently worthy of  
the best support that can be accorded  
him; and we do not hesitate to say  
that Mr. Richards, endowed as he is  
with abundance of affability, gentle-  
manly politeness and genuine in-  
tegrity of character, will merit the  
patronage of all.

How is it that Haskett Bro's can  
sell building hardware the cheapest of  
any house in the county? Simply  
because they purchase in large quanti-  
ties for spot cash, thereby securing two  
discounts, one for extensive purchases

Smith, wood and coal dealer of  
Toronto, 17,000 cords of wood between  
Shelburne and Chatsworth Stations.  
This would run a train of 9 cars,  
247 days, the freight of which would  
at \$15 per car, come to \$32,390, or  
the amount paid to farmers for wood,  
at \$1.50 per cord would net \$25,500.

RAPID WORK.

"For two years I was troubled with  
dyspepsia—could neither labor nor  
find relief. Less than one bottle of  
B. B. B. relieved me—3 bottles cured  
me." So says John A. Rappell, of  
Farmerville. Burdock Blood Bitters  
cures dyspepsia, liver and kidney  
complaints, and all impurities of the  
system.

THE Massey Manufacturing Co. of  
Toronto have made arrangements for  
their seasons supply of maple 132,000 ft.  
from Armstrong Bro's of this place,  
which has left a quantity of cash  
through the county for maple logs.  
This district abounds with first class  
maple, and Armstrong's have their  
order about complete, as to stock  
of logs, they are not short.

There has been a great deal said  
in favor of "Permanent Pasture," at  
the meeting of the Farmers' Institute  
during the past winter. The great  
advantage derived therefrom, as shown  
by Prof. Brown of the Government  
Experimental Farm, are surprising,  
and yet quite reasonable, and if the  
results should prove one-half as satis-  
factory as the Professor represented,  
it would be well worth testing, and every  
farmer should at least have seen  
the coming season.

MANITOULIN WEATHER.—The Mani-  
toulin Expositor says the weather this

the roads have been kept open for  
travel with ease.

FAREWELL.—The members of L.  
O. L. No. —, met at their hall,  
Meaford Road, on Tuesday evening  
last, with their wives and sisters,  
to give a farewell supper to Messrs. Jas.  
Mercer and Bobt. McLaughry, two of  
their brethren, on the occasion of  
their departure for the far west. Af-  
ter partaking of a sumptuous repast  
prepared by the ladies, Mr. Kells,  
master of the lodge, took the chair,  
which he filled in his usual genial  
manner. The usual loyal and patri-  
otic toasts were responded to by the  
different members present. The  
meeting broke up at 12 o'clock by  
singing the National Anthem.

"WHAT SAY YOU TO A PIECE  
OF ROAST BEEF AND  
MUSTARD?"

Well, there is much to be said. The  
question being asked of the banqueter at the  
average boarding house, calls up reminiscences  
of close continuity to the horns, and beefsteak,  
three cuts south thereof. He, of course,  
will pass unless it occurs to him that he  
needs a hinge for his trunk. Should there  
be any suffering, the effects of an indulgence  
in such a nature, use McGregor's Speedy  
Cure, a sure and effectual remedy for Dys-  
pepsia, Constipation and all affections of the  
stomach and liver. Sold by Hill Bro's, Trial  
bottles free.

SURE CURE FOR RHEUMATISM  
If the system is properly cleansed  
by some medicine that acts upon the  
bowels, kidneys and skin, such as  
Burdock Blood Bitters, and the sufferer  
will use Hagar's Yellow Oil accord-  
ing to directions, there are few cases  
of rheumatism, however bad, but will  
yield promptly to the treatment.
