

# Markdale Standard

VOL. 6.--No. 293.

MARKDALE, ONT., MAY 6, 1886.

{ COPIES OF THE STANDARD }  
FIVE CENTS EACH.

**Christ Church Ladies' Aid Society** will give a grand concert in Haskett's Hall on Tuesday evening, 11th May, when a quintet string band from Owen Sound, Mr. Jakeway, a popular reciter of Stayner, and Mrs. Moore of Shelburne will entertain the audience. Doors open at 7.30. Admission, 25c.

It was rumored on Tuesday last that an accident happened to Mr. Samuel Douglas, of Euphrasia, while in Owen Sound that day; we were pleased, however, to see him the following day, hale and hearty, not apparently any the worse. He has concluded at all events that "Two is better far than one, &c."

"How does my wife take my naci-eration?" asked a convicted Mormon of a brother. "Susie cries her eyes out; Jennie is sad at times; Martha don't seem to care very much; Sophie says she is going back to her parents in Tennessee, while Eugenia is already engaged again." "Ah, my wife is a wonderful woman, isn't she?"

Mr. JENKINS, of the *Chronicle*, takes strong exceptions to an item in the *STANDARD*, viz., that he is bringing himself out as a candidate for M. P. at the coming general election. He goes on in his customary ungentlemanly and insinuating style of retort. We have yet to be convinced that he (Mr. Jenkins) is not thrusting himself upon the party. He says that "the leading Conservatives of South Grey voluntarily admitted that Jenkins was the strongest man if he got the convention." Just so; we would not be at all surprised that the man who gets the convention will be the strongest man; but, to presume that a person of such degraded habits as the editor of the *Chronicle* was likely to get the convention would not, in our opinion, be creditable to the moral status of the Conservatives of South Grey.

**LARGE SHIPMENT OF CATTLE.**—Mr. M. Dunn, of Calgary, N. W. T., shipped, on Saturday last, 520 head of cattle, comprising 500 two-year-old heifers and 20 two-year-old thoroughbred Short Horn Bulls. 300 of the above were shipped from Markdale, 120 from Dundalk and 100 from Guelph. Mr. Dunn has an extensive range for breeding purposes near Calgary, having taken from Ontario, previous to this shipment, 1,500 head, and will require 1,000 more the present season, which he expects to take in other two instalments. This drove when arriving at Calgary will stand him about \$16,000, or an average of about \$32.00 each. He has been in the business a great many years, and thoroughly understands it, and from what we can learn, is very honorable in his dealings with the public.

**A DOUBLE BENEFIT.**  
Harry Ricardo, of Toronto, certifies to the benefits received from the use of Hagyard's Yellow Oil as a cure for rheumatism and deafness, his affliction with these combined troubles being a severe one.

A good stock of Plants will be kept for sale at Flesherston Restaurant.

**DROWNED.**—A very sad case of drowning took place at Allenford, in Mr. D. Pooter's mill dam on Friday last. The victim was Mr. Thomas Greenslade, a farmer living near that place, who was rafting some logs across the pond to get them sawn. He stepped on the outer edge of the board which held the logs together, and the end went down throwing him into the water which was of considerable depth. He only came to the surface once, and not being able to swim, he went down to rise no more alive. It was about half an hour before the body was recovered, and life was of course, extinct. His father stood on the shore but could render no assistance in time to save his son's life. Deceased was 45 years of age and very highly respected.—[*Warton Echo*].

## A MODERN MIRACLE.

In a recent letter from R. W. Dowson, of Deloraine, Ont., he states that he has recovered from the worst form of dyspepsia, after suffering for fifteen years; and when a council of doctors pronounced him incurable he tried Burdock Blood Bitters, six bottles of which restored his health.

## Be Loyal.

Be patriotic! Stand by your home institutions like men. What builds up a place from a hamlet to a village, from a village to a town, from a town to a city? Does dissension, strife, jealousy? No! Does dealing at home when you want credit of the business man and going elsewhere when you have the cash to spend? No! Does finding fault with what others do instead of putting out your hand and giving a lift? Does defaming your town in order to take vengeance upon some one who works for the good of the town and reaps his reward, while you are appraised at your true value—less than nothing? Is it not the true way to show your manliness, your patriotism, your loyalty by being a man in every respect, a citizen on every occasion? No town can prosper where its inhabitants are at daggers drawn, any more than can a family when the members of it are quarrelsome and indifferent to the general good of the home. Be loyal to your town—try to make it the best place you have ever seen—buy all you need in it, and always have a good word to say for it to everyone you meet.—[*Thornbury News*].—The above is true and to the point, F. D. S.]

## A SEVERE TRIAL.

Those who endure the torturing pangs of neuralgia, rheumatism, sciatica, lumbago, and similar painful complaints are severely tried, but there is a speedy relief in Hagyard's Yellow Oil as thousands who have used it joyfully testify. It banishes pain and lameness quickly.

## A PLEASING DUTY.

"I feel it my duty to say," writes John Borton, of Desert P. Q., "that Burdock Blood Bitters cured my wife of liver complaint, from which she had been a chronic sufferer. Her distressing, painful symptoms soon gave way, and I can highly recommend the medicine to all suffering as she did."

## ONE DOLLAR AGAINST FIVE HUNDRED.

Issac Brown, of Bothwell, Ont., was afflicted with chronic humors in the blood. He says a one dollar bottle of Burdock Blood Bitters was worth more than \$500.00 paid for other medicines. It is a reliable blood purifier.
