#### LADIES ONLY

The complexion is often rendered unsightly by Pimples, Liver Spots, and Yellowness. These are well known to be caused from an impure Liver and bad blood. #### Toronto Musical Festival.

We are informed by the committee that the preparations made for this festival are being satisfactorily carried out. The monster chorus is now rehearsing in the Rink Music Hall, which is being rapidly seated and it is expected that the chorus is efficient and enthusiastic and will, assisted with the array of instruments, contribute their share to the general success. The immense Music Hall is found to be most admirably adapted for such a concert, the fullest tone and the slightest nuance being alike clear and distinct. The project has been received with enthusiasm all over the Province as well as the city—amounts of \$8000 worth of tickets have been secured for the Concert. Owing to the large size of the Hall there are yet numbers of seats available for each Concert, which need not be taken by the Citizens of Toronto, and those visitors who will be attracted by the Excursions to the City. Programmes giving particulars of each concert are now ready for distribution. Those who intend going to the Festival, will find it to their advantage to correspond with Mr. JOHN EARLS, Honorary Secretary.

#### IN BAD HUMOR.

A year ago my head was covered with eruptions and the eruptions covered my face also, and spread even until the backs of my hands were raw. I became weak and ill. Finding I could not get any relief, I tried Burdock Blood Bitters. Two bottles perfectly cured me. Statement of Miss Minnie Stevenson, Cocagne, N. B.

#### OFF WORK.

I was off work for two years suffering from kidney disease, and could not get on until advised by a friend to try B. B. B. I was cured by two bottles and considered it a wonderful cure. The above is the substance of a communication from Wm. Tier, of St. Catharines, Ont.

#### WHY IS IT?

Why do so many limp and hobble about with rheumatism and crutches, suffering from sprains, stiff joints, and cords, lame backs, sprains and other aches, pains and swellings, when Hagar's Yellow Oil, had been used? The above is the substance of a communication from Wm. Tier, of St. Catharines, Ont.

**A HEAVY BURDEN.**  
Mr. George Russell, of Aurora, Ont., says he was a great sufferer from a running sore of the worst description, which baffled the best medical skill, and his life was a burden. He was cured by B. B. B. to his great joy and surprise of his friends.

The Scraper combines Lightness with Strength, and Handiness with Durability, and will scrape any ordinary ground without ploughing. They gave good satisfaction to all who used them last Season.
