Women sometimes attain a great age in Russia. A Mile. Scenitzki died in the workhouse at St. Petersburg the other day at the age of 122 years. In the same institution anether wemnn named Irene Nicalaieff has reached the age of 110 years.

Gen. Boulanger, the French War Minister, is said to be disgusted at the appearance of the bearded soldiers who have taken advantage of the permission he gave them to let their beards grow. As he wears a full beard himself he could not revoke the permit without being compelled to sacrifice his own facial appendage.

Charles Johnnycake, chief of the Delaware Indians in Indian Territory, is on his way to Washington to hold a conference with the "Great Father." He is 72 years of age and has presided over the Delawares for forty years. For thirty five years he has been an ordained Baptist minister and at his present age delivers two sermons every Sabbath to his people.

The original manuscript of the Wacht am Rein has just been presented to the Emperor William by the German Ambassador in Switzerland. The compeser, Max Schneokenberger, who published the song in 1840, died about twenty years age at a village near Berne, and the manuscript was recently put up for sale by his heirs. It appears that an American effered a higher price than the Ambassader, but patrietism wen the day, and the manuscript, which is written on the of the shooting, and of sugar for each pound allow one purchased for \$5,000, is now in the peasesback of several business letters, having been

Prince Baldwin, eldest sen of the Count of Flanders, has now been definitely acknowledged as next heir to the crown of Belgium, and although only 17 years old takes precedence of his father and mether en all official occasions. He has just been appointed sublieutenant in the First Grenadier Regiment, and has taken the usual eath of allegiance. The reports as to the engagements between the eldest son of the Prince of Wales and the second daughter of the King of the Belgians are without foundation, for according to the terms of the British constitution, no British Prince is allowed, under the pain of ferfeiture of all his rights and privileges, to marry a Princess of Cathelic birth.

Saving the Lawyers.

"The first thing we do, let's kill all the lawyers." This is rather a blood-thirsty proposition, which we medify by offering to cure this worthy class of people. Most of them auffer (in common with nearly all others of sedentary habits), from the injuricus effects of dyspepsia, indigestion, piles, less of appetite, and other allments caused by a constipated habit of the body. Dr. Pierce's Pleasant Purgative Pellets" eradicate all these disorders in premptly removing the cause thereof, and induce a rare degree of comfort and health.

Victory At Last.

& Consumption, the greatest curse of the me frem the sides of the jar any ammenia age, the destroyer of thousands of our brightest and best, is conquered. It is no longer incurable. Dr. Pierce's "Gelden Medical Discovery' is a certain remedy for this disease if taken in time. All scrofuleus diseases—censumption is a screfulous affection of the lungs-can be cured by it. Its effects in diseases of the threat and lungs are little less than miraculeus. All druggists have it.
