NOTICE.—We wish it distinctly understood that we do not hold ourselves responsible for the opinions expressed by our correspondents

Walter's Falls.

From a Correspondent.

Bonnell Bros have enlarged and greatly improved their mercantile premises. Mr. Wickam, formerly a school teacher, has moved to town and joined Dr. McLelland in the general store business. He has also added to his family since becoming a citizen.

A lady in town lost a parcel rolled up in a agents muffer one night recently, but found it after diligent search.

Delays are dangerous. Procure a bottle of West's Cough Syrup at once and cure that troublesome hacking cough and sore throat, relieving pain and misery. It is the household remedy for all throat and lung diseases. All druggists.

Holland Council.

This council met on 10th Nov. members all present.

Minutes of former meeting read and approved.

Galbraith—Williscroft,—That account for hall in Chatsworth for court be paid.

A communication from Jas. Murray, complaining of Stephen Edmunds flooding his orchard was read, but the council did not feel it their duty to interfere.

Williscroft—Shute; that Martin Dimma be allowed to perform two days statute labor for 1888 under Jas. Wallen, and that Mr. Wallen be instructed to that effect.

Williscroft—Shute; that the Inspector be appointed to fix culvert opposite McIlvains, Toronto line.

Money orders to the amount of \$127.08, were passed.

Howey—Galbraith; that council adjourn until the 13th Dec.

A GOOD INVESTMENT.—"I suffered with eruptions on my face for over two years, I determined to give Burdock Blood Bitters a fair trial. After taking four bottles, I can say it was the best investment I ever made. Jean Clancy, Beauséjour, Manitoba.

Berkeley

From our own Correspondent.

Our village has been quiet for the last month.

One night last week Mrs. Allen's milk house was broken into and a quantity of beef and tallow stolen.

A BROAD HINT.—Some of our girls have had a wooden man put on their gate—Come come boys.

Mr. F. Prial was in Mr. Lackey's doing some business last Tuesday night, 9th, leaving his team on the road: When he went out the horses were gone; they ran about 4 1/2 miles breaking the wagon to pieces, but no other injury was done.

W. J. Lackey has over-hauled his mill and has it now in first class order, and is prepared for any quantity of logs.

THERE IS NOTHING LIKE IT.—There is no one remedy offered to suffering humanity whose use is so universally and frequently as Hagar's Yellow Oil, for rheumatism neuralgia, colds, sore throat, deafness, cramp, amebago, and aches, pains, lameness and oneness of all kinds, when internally and externally used.

Holland Centre.

From our own correspondent.

Glad to be able to report Mr. H. Mercer able to be round again.

Mr. Robt. Timson is very ill—not likely to recover. Inflammation of the lungs. He is 82 years of age.

Mr. George Little was severely injured by being wound around a connecting shaft at a threshing some six weeks ago which dislocated his hip. It appears they did not know the joint was displaced for several weeks when Drs. Oldham and McCullough of Chatsworth and McCullough of Walter's Falls put the joint into place. The unfortunate man also lost a child by death recently. We extend our sympathy in his affliction.

Ward vs. Holland Council are yet at loggerheads. They had a trial before Squires Hamilton and Price which was adjourned.

STAFFORD, June 6th. 1885.

For several years I was greatly troubled with asthma, sometimes having to sit up for seven or eight nights in succession, unable to sleep and almost unable to breathe. A friend recommended Dr. Jugg's Medicine and Pills. The first bottle gave great relief, after using six bottles was cured, and can now sleep and work as well as ever.

THE FALL CAMPAIGN.

The Fall season brings with it many necessities which cannot and will not be neglected. The people will buy what a change in the season makes necessary, this makes Fall Trade, and as fall trade is what we want, no stone has been left unturned and no opportunity neglected in securing such seasonable goods as will make our store the most desirable spot for close and particular buyers.

We ask the readers of this column to remember that outside our store, we do our talking here, but inside our store we allow the goods and prices to speak for themselves. It is not our idea to exaggerate, but, as we are honest in the belief that we are this season, THE STORE among the Stores, we cannot very well refrain from speaking in glowing terms of our large, beautiful and tasty selections of everything throughout our immense establishment.

In order that you may receive a benefit it is necessary that you should see our stock: In order that you come, it is necessary that you should be convinced that it will be worth your while. We must tell you of our attractions here, therefore do not think that we brag, but rather say that we are trying to put you upon the well beaten path that leads to the old established store, where everything is good, where everything is just as represented, and where everything is a 1 in value.

We would especially invite your attention at present to our Large and STYLISH STOCK of Dress Goods in all the new shades and material, with trimmings and Buttons to match.

New Silks, New Velvets, New Plushes, New and Stylish Millinery, New Shawls, Blankets and Flannels, New Jerseys in Black Tan and Navy handsomely braided; and don't fail to see that new line of Ladies' Saque Coats, Jersey Coats, and also our ready-made Ulsters of the very latest make, style and finish.

We have the only full line of Mens' Youths' and Boys' ready-made Suits and Overcoats to be had in town. We guarantee to save you money on every purchase. 2000 pairs Boots just being marked off at close prices. Our TEAS are known far and wide as the sweetest, strongest and cheapest to be had in the Dominion.

Come and see us. We fear no criticism or comparison, on the contrary, we invite it. Remember what we say here, and don't forget to call on

W. J. McFarland,
Direct Importer.
