THE C. P. R. has recently issued an
extensive time table covering their whole
railway system. The main line from
Montreal to Victoria, B. C. is 2,906 miles
long, and the time reckoned by the 24
o'clock system.

THANKSGIVING Day was observed as a
public holiday in our village; The day
was stormy, and quietness prevailed.
Service was held at 10:30 in the Pres-
byterian and Methodist Churches and
fairly attended.

Go to Benson's for Liqueurs, Brandies,
Gin, Irish and Scotch Whiskey, Beer,
all kinds of Wine, Ale, Porter both bottled
and draught. Just think—best bottled
Ale 10 cents per bottle. We make all
competitors shake in their boots as if
they had the ague when we talk. The
reason is easily solved—We buy for
cash and get our discounts—We sell for
cash and save losses.

WHEN the leaves begin to turn
And the summer days are past,
And the chilly winds of winter
Make the wood-pile lessen fast;
When the flakes of snow are scattered
O'er the meadow, and the hill.
Don't you think the time has come
To pay your printer's bill?

THE next will be something else.—
The young ladies of the Methodist
Church will give a Corn social in the
lecture room on Wednesday the 8th
Dec.

VANDELEUR NEMRODS.—A shooting con-
test took place in this vicinity on Thanks-
giving Day under the command of Capt's
S. Gilbert and Wm. Kells, with 13 krak
shots each, the losing party to pay
for a supper. The bush poultry met
with sad havoc, as the result showed
Gilbert to have 660 marks and Kells
500: When it came to hash however,
the defeated sogers pulled up wonderfully
on their more fortunate neighbors. Mr.
Geo. Pritchard got up the supper, which
was sumptuous toothsome, and thorough-
ly relished by all. Com.

has an immense stock of choice goods
well selected and bought at bottom prices,
so that competition is out of the ques-
tion.

THE Young Men's Pancake Social in
the Lecture room of the Methodist
Church on Thursday evening was well
attended considering the inclemency of
the weather. A very palatable repast
was pertaken of; (cooked and served by
the young men) comprising buck-wheat
pancakes, molasses and tea. The young
men did their part admirably, and those
present appeared in the best of spirits,
even after partaking of the buck cakes.
The program was short and spicy and
an enjoyable time spent generally.

FRESH Oysters on hand at Benson's,
he gets them right direct from Balti-
more, and of course will be able to give

will not be undersold. And don't you
forget it.

CLOSING OUR BOOKS.—In consequence
of Mr. Thomas Hill retiring from the
business of Messrs. Hill Bros., begin-
ning of the year 1887 on account of ill
health, we have decided to close our
books in order to wind up the affairs
of the firm. In the meantime we
will sell our entire stock, at and under
cost, for cash and produce only, we
would also intimate we have purchased
an extensive Bankrupt Stock, con-
sisting of general Dry Goods, Grocer-
ies, Crockery, Glassware, Boots &
Shoes, which we are prepared to sell
at 50 cents on the dollar. HILL BROS.

J. G. Irving of Galt is in town.

OPENED out this week at Benson's
Crate of Tea-Sets, comprising China
Sets, Decorated Sets, Colored Set, White
Sets, will be sold for cash cheaper than
any place in town.

CASUALTY.—Dinnie Wright, a young
man about 22 years old, of the 11th line
Euphrasia, met with a serious accident
while out shooting on Monday last. He
was standing with his hands over the
muzzle of the gun which was loaded
with shot, talking to other boys who
were with him, when the weapon
accidentally went off the charge entering
at the wrist of the left hand destroying
the joint, and passing on shattered the
bones of the palm of the right hand.
Dr. McCullough of Walter's Falls assisted
by Dr. Brodie of this place attended to
the injuries. The case is considered
critical.

A meeting was held last Tuesday
evening at Mr. Brown's store to consider
the propriety of forming a Young Men's
Liberal Club, when about 20 were pre-
sent. The result of the meeting was
the organization of "The Markdale
Young Men's Liberal Club," with the
following officers, R. O. Whitby—Presi-
dent, J. G. Anderson—Vice President,
T. L. Moffat—Secretary, F. Porter—
Treasurer. Directors—A. Plewes, E.
S. Mabee, J. Henry, W. Stevens. An
invitation is extended to the young men
of the vicinity to join. The next meet-
ing will be on Friday evening next, 26th.

PAINFULLY SAD.—Last week Mrs.
Robert Williams, a good christian woman
one mile from Markdale, pas'd peacefully
away after a short illness. Mr. Williams
her husband, received injuries from a
fall a number of years ago which so
affected his reasoning faculties that he
has not been altogether right since, and
at times quite deranged but not danger-
ous. The death of his wife was however
too much for his weak state of mind,
and he became dangerous, so much so
that he had to be sent to jail for safe
keeping the day previous to the funeral.
This is indeed a sad affliction for the
family, who are highly respected and
have the sincere sympathy of the com-
munity.

East Grey Convention

Why is Neil McColman kicking?
Has he any of the following reasons?
1st Did Rorke's friends make a personal
canvass before the convention?
2nd Did not the secretary of each
township call out the names of delegates
from his respective tp.
3th Was their not a full attendance?
4th If any were absent, were they sub-
stituted by Rorke's friends?
If Mr. McColman has the above reasons
for kicking, he is a faithful horse who is
justified in doing so, if not, he is a mule,
whose nature it is to kick.
