MARKDALE, JAN. 6. 1886.

Mt. Forest rejoices in having secured electric light for the town.

Present indications point strongly to war in the East at an early date.

Miss Davitt was married to Miss Marie Fore in Oakland, Cal., last Thursday.

75,000 is said to have changed hands by betting in the late election for mayor in Toronto.

Montreal's great winter carnival will be held February 7th to 12th. Great preparations are now being made for the monster affair.

Mr. J. C. Black, son of the late Mr. John Black, of this village, was elected President of "the Commercial Travellers Association of Canada," at the annual meeting in Toronto last week.

### THE ELECTIONS.

The excitement over the various elections is now over, and we trust peace and harmony will again reign supreme. Seldom are we called upon to choose as many candidates and record as many votes in the same length of time as the past week; first the Ontario Elections, then School Trustees and then the Municipal, and village Police Trustees.

Our Markdale School trustee election was an interesting one, as we noted last week.

Our police trustee contest created more than ordinary interest for such an occasion, resulting in the election of E. Davis, A. Turner and S. J. Coleman.

In Glenelg the interest was up to the average, with a grater number of candidates than usual, no less than ten being in the contest, the Reeve, Mr. Moffat, was elected by acclamation, J. A. McMillan was elected Deputy-reeve by 29 majority over Jas. Skeene, while Christie Williams, Geo. Lamb and N. G. Dunsmore led the poll in the order given for councillors.

In Artemesia Dr. Christoe was elected by a majority of 246 over Mr. Elliott. This township elects the council by wards, and the council elects its deputy. J. Boland beat W. McLoughry by 40 votes, Sharp got ahead of Pickle 8, and Cairns came out 4 ahead of McKee, while Priceville ward elected J. McArthur by acclamation.

Holland township had a hot contest over the reeve, resulting in the election of Dr. Oldham by 127 over his opponent Mr. Cameron. A. Shute went in without opposition, Galbraith and Howey were re-elected while T. Willscroft, one of the best old members was left, John Murray, getting his place.

Toronto—Mayor—Howland by 2166 majority—Owen Sound—Mayor—Duncan Morrison.

Collingwood township—T. McKenny, Reeve.

Osprey—A. McGirr, Reeve, A. McIntyre deputy-reeve—Council, Hudson Speers and Taylor.

Dundalk Village—Peter McGregor, Reeve—Council, Gardiner, McConnell, Morrow and Ketchum.

Durham—D. Jackson, Mayor; G. McKeghnie, Reeve.

Meaford—C. R. Sing, Mayor; Robt. Agnew, Reeve.

Mt. Forest—J. A. Halstead, Mayor

J. Harpton, Reeve.

Amabel—James Allen, Reeve.

### GLENELG AGRICULTURAL SOCIETY.

Next Thursday the annual meeting will be held in this village at 2 o'clock and it is desirable that there is a good attendance.

The Society is in a healthy condition yet we can see no reason why its usefulness and importance may not be increased ten-fold. Why not take hold and make the fall Show such an Exhibition as Collingwood; there's nothing to hinder but a want of enterprise on the part of our business men and that of our leading agriculturists.

There isn't a show worth speaking of in the whole district, and as Markdale is in the centre of this large and prosperous agricultural county, and its railway and other advantages so desirable, we think the time has come to make a united and vigorous move: Let there be a large attendance at the annual meeting so that the matter may be discussed:

Ladies troubled with Pimples, Blisters Rough Hands or Face, or Sores of any description, should use McGregor & Parke's Carbolic Cerate. It will leave the skin in perfect health, smooth, clean and good color. Be sure and get the genuine, made by McGregor & Parke. Price 25c. Sold at R. L. Stephen's Drug Store, Markdale.

### How to Choose A Wife.

In the first place, a young man should look well to his family connections, and choose one his equal, if not better, but never go below his own station in life—that is, morally. He should pay strict attention to the physical conditions of the one he chooses as his partner in life, for health is wealth to the nations of the earth. He should also find out what qualifications, if possible, she has for doing things in general about a house. Be sure you get one who is religiously inclined, and who knows more about the Lord's Prayer than she does about balls and dances, and who can train and bring up children in the way they should go, so that when they become men and women they will be a credit to their parents. Nine out of ten of our great statesmen have been brought up by their mothers side. A good wife is the boast of a husband, and a good mother the pride of a son.

### McGREGOR & PARKE'S CARBOLIC CERATE.

Have you an old Sore, Cut, Burn, Bruise, Corn, Bunion, Salt Rheum, Pimples, Blotches, Rough Hands or Face? If so, there is but one cure, namely, McGregor & Parke's Carbolic Cerate. If you try it, it will convince you. It costs 25c. at R. L. Stephen's Drug Store, Markdale.

Have you ever tried McGregor & Parke's Carbolic Cerate for sores of any kind? It is beyond doubt the very best preparation in the market for healing and curing Sores, Bourns, Cuts, Pimples, Blotches, and is the only proper method of applying Carbolic Acid. Sold at R. L. Stephen's Drug Store, Markdale, for 25 cents per box.

Notices of Births, Marriages, and Deaths, twenty five cents.

CAPE CROSS, Aug. 31st, 1886. I have much pleasure in giving my testimony to the good effect of Dr. Jugg's Medicine and Pills. For years I have been troubled with my liver and unable to work, but after using one bottle and a few pills, I find myself greatly benefited, so much so that I have done more work this summer than I have for years. I intend continuing this valuable medicine and have pleasure in recommending it to all similarly affected. Yours truly, W. B. McGREGOR, Chief of the Way Indians.
