From our own correspondent.

The Annual Sabbath School Anniversary of the Methodist Church here on New-Years evening was well patronized. After tea had been served the program was entered upon. The first part sustained by the children we thought rather lengthy. Most of the children delivered their parts well, but owing to considerable disturbance by some ill behaved young men and women in the rear of the church, some of the little ones could not be heard. The second part of the program being a Cantata by the Choir, was a choice selection but owing to too short preparation was poorly rendered. The Choir has done and is capable of doing very much better with a little attention to practices.

The Secretary's report showed the school to be in a most flourishing condition.

A social held in the basement of the Church on Monday evening was very well attended and an enjoyable evening to all was spent.

Rev. Mr. Cornish, Chairman of the District preached the Anniversary Sermon of the Sabbath School on Sunday evening, the subject, "Early Conversion" the Rev. gentlemen's discourse was listened to with close attention.

Miss Ganton, of Oakville, has been engaged by the Trustees of Flesherton Public School, as Teacher for the junior department, vacated by Miss Hopkins. She entered upon the duties here on Monday last.

Monday election day was an exciting time here the contest for Reeve was calm not many here feared the results of the days ballot between Dr. Christoe and Mr. Elliott.

The struggle was hard between Mr. Pickell and W. Sharp, the latter being elected by 8, while it was still closer in Eugenia, Mr. Cairns having but 4 over McKee.

Mr. Boland elected in the North by a large majority, thus we have Reeve and two Councillors re-elected and 2 seats filled by new members; we wish them all "A Happy New Year."

From a Correspondent.

On the evening of Friday, Dec 24th a tea-meeting was held in the Presbyterian Church, which lately has been much improved by the addition of chandeliers, carpet, and other improvements. The tea was unusual, and afterwards an interesting "program" was given. Receipts \$86.

On the evening following above that is, Christmas night, the annual tea under the auspices of the Methodist Church was given in the church and hall adjoining the parsonage ground. The weather was simply grand and the attendance was quite large. Receipts \$46.

Mr. Charles Drummond our teacher for this year (1887) is now in town. He comes well recommended, and we wish him every success. His sister Miss Annie, teaches S. S. No. 8 (known as Milne's School) this year. She also has our best wishes.

Our school closed on Thursday afternoon, Dec. 23 with a public examination. There was an attendance of about 40 visitors, several of whom were teachers and two of them the resident ministers. The several classes were examined, and all seemed to give satisfaction. Towards the end of the afternoon Mr. Wesley Long, a trustee, interrupted proceedings and said that as the teacher was just going to leave, an address and presentation was to be given. The address was read by one of the pupils and a beautiful and valuable writing-desk was presented by another, Mr. Chant replied as well as he could, being overcome with emotion. Afterwards short addresses were given by others present, and Rev. Mr. Ferrier closed with prayer. Mr. Chant stayed here 3 years, and he will be missed in the Sunday School and Church as well as the public school. His attendance for the last half year of 1886 was 58, so I learn. He leaves to attend St. Catherine's Collegiate Inst. to prepare for 1st year's examination in Toronto University.
