### Editorial Notes.

The European war cloud is perceptibly darker and heavier now than it appeared to be a week ago. And the main cause for anxiety is the irremissible conflict between France and Germany, which it appears must be fought over again, and that ere long.

The Canadians of the United States talk of making grand parades in the great American cities on the occasion of the Queen's Jubilee. If this is carried out it will amount to a demonstration of the strength of Canada in the United States, which should and will cause United States executives some thought. In Boston and New York they number scores of thousands while in Chicago and North-Western cities they form a large proportion of the whole population. Canadians in exile do not lose their love for Canada; they remain loyal at heart to their country.

### Flesherton.

From our own correspondent.

Again it falls our painful duty to notice the somewhat sudden death of another of our respected citizens Mr. James Hopps, who a few days ago was in his usual health when seized by inflammation of the lung, and after a brief illness breathed his last; he leaves a young widow and several small children to mourn the loss of a husband and father. He being a member of the Orange Society his remains was taken charge of by them and on Sabbath afternoon last was laid in the grave with Orange honors. The cortege was large, led by the Flesherton Brass Band playing appropriate music. In the evening the Rev. Mr. Ayers preached a funeral sermon in the Methodist Church selecting for his text, "Prepare to meet thy God" from which he delivered an impressive discourse.

Dr. Jamieson of Durham the Nominee of the Conservative party for South Grey, in the Commons, is this week in Flesherton arranging for a thorough canvass in this Township for the approaching elections.

Professor Morgan (who is blind) and his little daughter Fairy, are in our town at present and purpose giving a concert in the Town Hall on Wednesday evening, after which the Prof. intends forming classes for "Cantata" "Little Red Riding Hood" for children and "Lost and Saved" for adults.

An evening of enjoyment was fully realized by about ninety persons assembled in the "Odd Fellows" Hall here on Monday evening last, being the annual reunion and an Oyster Supper given by the members of that order here. Various table and parlor games were provided for the amusement of all while the string band inspired all by the sweet strains of sweet music. The Oyster department was not one whit behind, the tables were laden with good things as it approached the small hour of morning the company dispersed apparently well pleased with the evenings entertainment.

### Meaford Road.

From our own Correspondent.

The holiday season has once more come and gone and 1886 with all its tender associations joyous incidents and sad events have faded into the past.

The excitement of the Ontario and Municipal elections has abated, and now that the date of the Dominion elections is fixed we may expect that to be the most exciting event for some time to come.

At the annual school meeting here M. D. Thompson was elected trustee, and at the same meeting a resolution was passed instructing the trustees to discontinue the use of the scripture selections, or so called "Ross Bible" authorized by the Minister of Education and use in the place the old "St James" Bible.

The Xmas tree of the Wesley Sabbath School was held on Tuesday evening the 18th and considering the extreme cold weather and bad roads was fairly attended. The proceeds amounted to \$15, the gifts were very handsome and were heartily appreciated by the recipients. Those who had the choosing of them evidently understood their business and the art of pleasing.

We regret to learn the sudden demise of Mr. James Hops who died at his father-in-law's residence last week. "In the midst of life we are in death."

### Maxwell.

Stormy weather. Great drifts. No mail for several days. Sudden change, every appearance of a thaw, bare ground to be seen already.

We regret to record the death of our esteemed friend Mr. Duncan Heron, who died last Monday night 17th inst., the funeral took place on Wednesday, and notwithstanding the severity of the weather, a large number of relatives and friends were present to pay the last tribute of respect to the memory of the deceased. Much sympathy is felt for the family in their bereavement.

Willie, son of Mr. Robt. Gordon had his hand severely frost bitten, when on his way to school last Monday morning.

On the 19th inst., Rev. Mr. Ferrier was visited by a wedding party from Feversham. The party, when returning from the parsonage, were greeted with hearty cheers. We wish them a long and happy life.

Hurrah for the girls of our village! they are not afraid of a snowball. Two of our girls undertook to snowball a married man of our village, but sad to say, the girls were badly defeated. We sympathize with them.

### Blantyre.

It is our sad duty to record the death of Mrs. Alexander T. McCutcheon, daughter of Angus Mcinnis of this place, which took place on Monday the 13th inst., at Mono Centre. Deceased was married about three years ago and resided with her husband a short time in Rocklyn, from thence they moved to Mono Centre. Deceased was a very highly respected young woman and leaves one child about 15 months old. Previous to her death she requested to be buried in Temple Hill cemetery, Euphrasia by the Odd Fellows of Loyal Lansdowne Lodge, C. O. O. F. Blantyre, (of which Lodge her husband is a member and was the first N. G. of the Lodge) but on account of the great storm few were in attendance. The Lodge met on Wednesday evening after the burial and granted the funeral Donation to Bro. McCutcheon and tendered to him the following resolution of condolence:—

Loyal Lansdowne Lodge, No. 91, C. O. O. F. Moved by Joseph W. Patton, seconded by Albert C. Paterson, whereas Almighty God in his mysterious providence has saw fit to afflict our highly esteemed brother Alexander McCutcheon by terminating the existence on earth of his beloved wife and partner in life, and whereas the high esteem in which she was held by the members of our Lodge severally and collectively and her conduct while amongst us being very worthy of mention, be it resolved by Lansdowne Lodge No. 91, Blantyre, that it causes us great pain and grief to record the death of one whose short intercourse amongst us was so exceedingly pleasant, yet we painfully realize the loss which our dear brother has sustained and deeply sympathize with him, also relatives and friends of the deceased in their sad bereavement, and we trust when our dear brother is called away from our earthly Lodge that he may have the pleasure of meeting the loved one in the Grand Lodge above around the Great White Throne, and may he rest on the happy assurance given that "when this earthly house of her tabernacle was dissolved she had a building of God an house not made with hands Eternal in the Heavens to be forever with the Lord."

An aged father mourns the loss, Likewise two sisters dear, Three dearest brothers lonely left, Laments and drops a tear.

HUGH M. PATTON, Secretary.

Found! that West's Cough Syrup is the best for cough colds and all throat and lung diseases. All druggists.
