Owing to sickness and death in the family Mr. John Whitby was obliged to resign the Assessorship of Artemesia, and we understand Wm. McLoughry has been appointed in his place.

IMPORTANT.—It is of the utmost importance that some good household remedy should be kept within handy reach in case of pain and accidental injury. The most useful remedy of this kind is undoubtedly Hagyard's Yellow Oil, for internal and external use in all painful complaints.

WANTED YET.—A large quantity of Rock Elm poles, from 7 (not less) to 10 inches at small end, 22 ft long, also Rock Elm saw logs 15 inches and up at small end, 16 and 18 ft long, also Maple, Birch and Soft elm logs Cash paid. M. & W. Armstrong.

DON'T DO IT.—Don't rack and ruin your lungs with a tight, harrowing distressing cough, when a few doses of Hagyard's Pectoral Balsam will loosen the phlegm, soothe the irritation, and heal the sore throat and bronchial pipes and may avert the destructive disease, consumption.

Life is too short for it to be constantly filled with sadness. Let people laugh when they can. A man should not go about with a face long enough to make the world believe he has money deposited in a saving bank.

DOUBLY BENEFITED.—There is no one remedy known that has more curative power over dyspepsia and liver complaint than Burdock Blood Bitters. "I had liver complaint and my husband was so bad with dyspepsia that he could not labor. One dozen bottles of B. B. B. has enabled both of us to attend to our usual work," reports Mrs. John A. Campbell, of Brighton, N. B.

CAPRIZED.—On Wednesday last a wedding party was driving through this village towards the railway station to catch the noon train, and overtaking a loaded team opposite the Revere Hotel the jolly party hauled off to pass, and struck a hard snow drift upsetting the rig containing the bride and groom with some half dozen of the most important of the weddingers. It must have been humiliating to get such an unceremonious spill before so many spectators, but there was no serious damage reported. They didn't miss the train either.

HUMORS.—The most humorous man is not always the happiest; the man who has scrofulous humor or any obstinate humor of the blood, does not feel very lively, at least not until he is cured, which, by the way, Burdock Blood Bitters will do in the most troublesome of blood humors.

The Creemore Advertiser was a year old last week. It has been to us a welcome exchange, always frank and cheery and without malice in its composition. The people of Creemore may well be proud of their bouncing year-old boy called "Tiser." Mr. Ball the editor is thankful for past favors and hopeful for future success; He has our best wishes.

WHAT IS ALABASTINE.—It is a preparation of plaster-paris and other ingredients used for decorating and whitening walls and ceilings, is easily applied, will not scale nor rub off, and is cheaper and better than calcimine. You can get it at Haskett-Bros.

The statement that the Queen is to create an order for the recognition of editorial merit on the occasion of her jubilee, will not, it is to be hoped, lessen the offerings of wood and potatoes which are the earthly symbols of appreciation of the country editors labors.

MORE THAN CLAIMED.—"For the past four or five years," says Mrs. Emery, of Cottam, Ont., "I have been subject to kidney troubles. I was advised to take Burdock Blood Bitters. It has done me more good than what was claimed for it. I can recommend it to all sufferers from their diseases."

Look out for a Treat. Rev. Dr. Talmage's celebrated Lecture on "Ingersollism," will be delivered in the Methodist Church here, on Wednesday evening 16th, by Rev. David Rogers.

TURNED OVER AGAIN.—W. L. Young has sold the Livery business after running it one month. Thos. Mathews is again the proprietor after being but one year out of the business. The public may rely on being well served now as in the past. This livery is perhaps second to none in the county.

ORANGE SOIREE.—The annual Soiree of L. O. L. No. 1983 was held on the 25th Feb. in the hall, Kells corners and was as usual a grand success. The good things provided by the ladies were of a high order and thoroughly appreciated after which a good program was rendered, the following taking part. Thos. Kells in the chair, Dr. Sproule, M. P. Rev's Corcoran, Wilson and Cornish, also two recitations by W. J. Benson and an address by W. A. Brown. A pleasant and profitable evening was thus spent. Proceeds \$39.50.

THE Chatsworth News is two years old, and we are pleased to note a decided improvement in its appearance on commencing its third volume: A new heading and new type together with increased space appropriated to local and other news, gives it quite an improved appearance. May it go on and prosper is our worst wish for friend J. G. Blyth.

MR. McNALLY'S CARRIAGE FACTORY.—Mr. McNally has his large building completed with the exceptions of plastering the varnishing room and some chimney building. This is now one of the most complete carriage buildings in the country. The building is 40 x 80 feet two story high. Dan. McFarlane already occupies the blacksmith department and the balance will be occupied at once by Mr. McN.

THE Markdale Presbyterian Sabbath School will (D. V.) hold their anniversary on Thursday evening next, 17th inst. Refreshments will be served at the Church from 7 to 8 o'clock. A rich program has been prepared. Parents and friends are cordially invited. Admission 15 cents, Children (not of the school) 0 cents.

MR. John McAleer formerly of Markdale and recently of Eugenia moved this week to his farm in St. Vincent where he has decided to retire to private life. He takes with him a valuable stock and will pay special attention to stock farming. Mr. McA. is one of the most honorable men we have come in contact with in business, and we sincerely wish him and his estimable wife, and family, comfort and happiness on the homestead.

REMOVED.—Having secured for a term of years the blacksmithshop in Mr. McNally's new carriage establishment, and moved into it, I wish to return thanks to my numerous customers for their very liberal patronage in the past, and by close attention to business and honest dealing I hope to merit a continuance of your liberal support.

D. MCFARLANE.

P. S.—As business must be conducted on business principles, all over-due accounts must be settled by cash or note on or before the 19th inst.

D. MCF.

ODDFELLOWS CONCERT.—Cascade Lodge C. O. O. F. held their annual concert at Walter's Falls on Friday evening last. The weather was delightful and a large attendance was the result. Mr. P. McCullough, barrister of Markdale occupied the chair very acceptably. Messrs. Porter, J. R. Anderson, and W. J. Benson of Markdale took part in the program, the two latter being heartily and repeatedly enquired. W. J. Shepherdson spoke on the benefits of the order. Miss Aggie Lemon of Thornbury delighted the audience in song and was heartily enquired. The Bognor String Band gave selections of music to the delight of those present, and altogether it was a very pleasant and successful concert. Proceeds about \$75. About 15 couple came from Markdale whom we were much pleased to have with us.

WHY EMPLOY DOCTORS.—Consult a doctor and in 9 cases out of ten he pronounces your disease Liver Complaint and charges you \$1 for a small bottle. Consult your druggists and for \$1 he will give Dr. Chase's Liver Cure, guaranteed to cure, and a valuable receipt book free.

Rev. Dr. Talmage's celebrated lecture on "Ingersollism," to be delivered in the Methodist Church here next Wednesday by Rev. David Rogers will be a rare treat. Those who have heard it from both the above says the latter is preferable. Mr. Rogers is a great imitator, clever, comic and bristles with mirth.

WHAT IS SAID OF HIM.

"The great American was ably reproduced and able critics says that it was a fac-simile of Talmage in language, style and words."—Mitchell Advertiser.

"Mr. Rogers succeeded admirably in portraying the original lecturer's personal peculiarities.—Acton Free Press.

"Bro. Rogers electrified our people in Stratford."—Rev. G. Richardson.

THE annual tea-meeting at Town-line appointment, Methodist Church was held last Thursday evening and was an entire success. The weather was delightful and roads good, and as a consequence the church filled to the door. Tea was served in an adjoining dwelling, after which all adjourned to the church where a good program was rendered. Mr. H. Hamilton was voted to the chair, and Rev. Mr. Cornish, gave an address on the progress of civilization followed by a profitable practical advice from Rev. Mr. Hosking; then came Mr. Hawkin's speech Mr. H. is a genuine whole-souled veteran who has the respect and esteem of all who know him. In the course of his remarks he gave the following— which to us is as yet an unsolved conundrum, viz.—He visited this winter his great-grand-daughter in western Ontario, and said child has three great-grand-fathers all now living; we have no doubt the old gentleman can explain it satisfactorily. Then followed C. W. Rutledge who never speaks but he says something, and W. A. Brown who gave the speech of the evening, subject—matrimony, and the great importance of a wise choice. The choir did their part admirably and thus an enjoyable evening was brought to a close. Proceeds \$33.

EXPLANATION to "Lost Strayed or Stolen." In your issue of March 3rd, an article appeared under the above heading which might, if unexplained, reflect upon the character of the parties named viz.—Messrs. Isaac and John Tuohy. The article or notice was not intended for publication, but only designed as a practical joke upon Elder and Tuohy and strictly confined to them and some half dozen of their intimate friends. The writing of the notice came about in this way. The next day but one after the late elections Sweeney was in Markdale and made the remark in a jocular way, that "Elder & Tuohy were lost." The writer of the notice said "how is that?" Sweeney says well, they went to Durham election day and haven't got back yet. If that is so we had better get out some notices and offer a reward for their return, so the writer picked up a piece of brown paper and began scribbling, the result of which was the burlesque notice referred to. There was one or two friends of all the gentlemen present and some one suggested that Sweeney put it up on Mr. Elders shop door. The writer most emphatically said no, that would be too public, simply take it along and when you see the boys together give it to them and lead them to understand that you found it posted up along the road, said alright that will do. But instead of confining the joke within the intended limits when it would have injured no one, not even their tender feelings, I thoughtlessly handed it to the printer not thinking it would cause ill-feelings or injury as that was farthest from the intention of any of the parties to the joke. If their feelings have been wounded or any harm done, we are sorry and we shall refrain from practical jokes in the future.
