WIND THE CLOCK.—The best clock needs regulating and winding when the mainspring runs down. So too, when the main machinery gives out, it needs regulating and the main spring (pure blood) needs toning. Burdock Blood Bitters will regulate and tone all broken down conditions of the system. In purchasing B. B. B. beware of counterfeits.

Rev. John A. Ross, Presbyterian minister of Dundalk, was married last week to Miss McGregor, daughter of Peter McGregor, Esq., reeve of-Dundalk.

A FAIR OFFER. -For many years the proprietors of Hagyard's Yellow Oil have offered to refund the money to all purchasers of the medicine where it failed to give relief in case of pain or painful affections, such as rheumatism, neuralgia, sore throat, deafness, burns, bruises, sprains, stiff joints and cords, and internal or external inflammation.

Tara has passed a by-law sanctioning the expenditure of considerable money in the improvements of her streets.

IN A BAD CONDITION .- "I was so bad with dyspepsia that I could not take food of any kind without distress, and could not take a drink of water for a month at a time. I have been a great sufferer with liver complaint and dyspepsia for many years," says Mrs. Nelson W, Whitehead, of Nixon, Ont., whom two bottles of Burdock Blood Bitters cured

A. G. Hunter of Dundalk has been successful in procuring a patent right in the United States for his "Automatic Orator."

Froze HIS FEET.—While out skating last winter, G. Varcoe, of Brandon, Man., got his feet badly frozen. He rubbed them with snow, and then applied Hagyard's Yellow Oil, which speedily cured them, and sayed him from being a cripple.

A HAMILTON ITEM .- "My wife has ecuted at cheapest rates. Calsomining Lime been a suffer from liver complaint for many years. I am glad to be able to testify to the benefit received from Burdock Blood Bitters, as well as in the case of my little boy' who had glandular swellings." J. S. ## The Red Man Not Dying Out.

A letter is published by one of our exchanges in which the writer states that the Indian population is rapidly increasing in Canada and that they promise to become an important element in the country. According to the correspondent the number of Indians in the Province of Quebec has increased from 4,350 in 1851 to 12,286 in 1882, and | the minds of his hearers even to in Ontario their number, which was 10,423 in 1861 reached 17,267 in 1886. While the red men have increased in numbers they have also made considerable advancement in other respects. in his new sphere. On all the reserves in Ontario agricultural pursuits are by many industriously carried on, and very creditable churches and schools have been established and are being attended with great and satisfactory result to all.

Adequate provision has been made for the erection of new Parliament buildings by an apropriincrease ation from \$750,000 to \$1,050,000. Power has been taken to dispose of the Upper Canada College property, to transfer the College endowment to the University, and to erect and endow a new residental school. The Woodstock Baptist College and McMaster Hall have been erected into McMaster an offer, we would advise him to University with degree-conferring powers. The powers of Ontario Medical Council have been materially increased. There has been an important limitation of the power to distrain for rent. The Government have taken power to appoint police magistrates without the rather ahead than behind other consent of the County Councils. Important amendments have been made to the law of libel. A public park has been established at Niagara Falls. The exemption from taxation on income has been increased from \$400 to \$700. The qualification for municipal office has been reduced. The Land Titles Act is hardly sufficient and another w has been extended to the outlying districts and provision made for its an average attendance of 878, and adoption by County Councils. It has taught by a staff of 17 teachers shall be entered into for the labor of tendance of 75 is presided over convicts at the Central prison. Better provisions has been made for the guardianship of minors. The York shrievalty has been divided. The Mechanics Lien law has been amended by making it clear that the wages of a workman cannot be garnished before the registration of the lien during the statutory period. The registration respecting religuous instruction in the schools have been amended. It has been provided that no higher rate of taxation for school purposes shall be imposed upon a landlord in consequence of a default of the tenant than that fixed for the school of which he is a supporter. A recommendation has been made in favor of the abolition of tolls on roads within three years. And in many other respects the law has been improved and amended inequalities removed, wrongs redressed and the public interest promot-
