THE CHURCHES.**

From our own correspondent

Leopard (mother of the un-
fortunate wife of Cook Teets deceased
met with her untimely death by
dying near Eugenia some three
ago) made considerable noise
caused a little excitement here on
Thursday last. Mrs. Leopard has
been deranged in her mind for some
time, and making many ugly threats
as to what she would do, found her way
here on Thursday last, entering
Flesherton Hotel she became
boisterous, when she was sud-
denly, and rather roughly, ejected
from the House, by the proprietor.
The next day she was taken in
charge by A. S. VanDusen, Esq., and
she was very unruly he was com-
pelled to present her with a pair of
metal bracelets and took her by even-
ing train to Owen Sound.

Mr. Will Campbell who has been in
employment of M. Richardson as
operator, left on Saturday last to take
situation in an office in Port Arthur.
The Flesherton Brass Band serenad-
ed at the dwellings of Messrs. Bentham
and Cole, on Saturday evening
and were right royally entertain-
ed by all. The new circle Bass is
the acquisition to the Band.

The Rev. Thos. Watson preached in
the Presbyterian church on Friday
afternoon last.

Sacramental Service was held in
the same place on Sabbath morning
conducted by the pastor, Rev. A.
Milson.

Rev. Mr. Demill of Demill College
Shawa, preached in the Methodist
church on Sunday morning last and
H. D. Irwin in the evening.

Dr. Armstrong left here on Tuesday
last for St. Paul U. S. where, we un-
derstand he intends entering upon the
practice of his profession for a time.

The South Grey Teachers Associa-
tion will meet in this village Thurs-
day and Friday this week and an inter-
esting time is expected.

A free lecture by Mr. Tilley and
entertainment will be given in
the Methodist church on the evening
of Thursday.

of a long standing case of Catarrh after
many other remedies failed.

Don't quarrel, keep cool, be good to
everybody, laugh and grow fat, and you
will get through the summer better than
to go to the seaside.

ENJOY LIFE.

What a truly beautiful world we live in
Nature gives us grandeur of mountains, glen-
ces and oceans, and thousands of means of enjoy-
ment. We can desire no better when in per-
fect health; but how often do the majority of
people feel like giving it up disheartened,
discouraging and worn out with diseases,
when there is no occasion for this feeling, as
every sufferer can easily obtain satisfactory
proof that Green's August Flower will make
them free from disease, as when born. Dis-
eases and Liver Complaint are the direct
causes of seventy five per cent. of such
maladies as Biliousness, Indigestion, Sick
Headache, Costiveness, Nervous Prostration,
Dizziness of the head, Palpitation of the
Heart and other distressing symptoms.
These doses of August Flower will prove its
wonderful effect. Sample bottles, 10 cents.
Try it.

By request of V. Fuller, Esq., Pres-
ident Farmers' Central Institute, a meet-
ing of Centre Grey Farmers' Institute
will be held at Rocklyn on Friday the
10th June at 1 o'clock to consider the
question of Reciprocity and other busi-
ness. A large attendance is desirable,
Thos. Kells, President; A. Turner, Sec.

TAMARAC.—Tamarac Elixir is a pre-
paration containing great curative prop-
erties for Coughs, Colds, Influenza and
Throat and lung Complaints.

A Markdale family were much fright-
ened the other night by a horse which
got into the house while they were as-
leep. A kind of night-mare, as it were.

A FREE GIFT.—Around each bottle of
Dr. Chase's Liver Cure is a Medicine
Guide and Receipt Book containing use-
ful information, over 200 Recipes, and
pronounced by doctors and druggists as
worth ten times the cost of the medi-
cine. Medicine and book \$1. Sold by
all druggists.

OUR City Fathers were out yesterday
"doing the town" and we may now ex-
pect public works to commence in build-
ing and repairing sidewalks, extending
sewers and drains, improving water
works, repairing and renovating the
public buildings &c., &c. There are a
number of idle men in the town who will
be glad to get a job, providing the wages
are good and employment light.

B. B. STOOD THE TEST.—"I tried

relief, until I tried Burdock Blood Bitters

THE AMERICAN AGRICULTURIST AS A
"DAILY."—During the continuance of the
great Dairy and Cattle show, held in
New York City in the second week in
May, the American Agriculturist Monthly,
issued a daily paper on the grounds
every morning at ten o'clock, of eigh-
teen pages, describing the scenes and
incidents from day to day, and present-
ing illustrations of the various cattle
and farm implements as premiums were
awarded them. Every number contain-
ed from thirty to forty engravings of
cattle etc., etc. It was rather of a
novelty for the veteran American Agricul-
turalist, now not far from its fiftieth
birthday.

TRY IT.—"What shall I do for this
distressing Cough?" Try Hagyard's
Pectoral Balsam; it is soothing and
healing to the throat and lungs, and
loosens the tough mucous that renders
breathing difficult or painful.

THE Annual Report of Markdale
Methodist Church shows an encourag-
ing increase in the membership and
connexional funds. During the year
there have been received by letter 25
and on trial 61 making a total of 86,
so that after making up for the loss
of 40 by removals, deaths &c., there
remains a net increase of 46. The
present membership is, Markdale 178,
increase 29; Town Line Church 55,
increase 12; Pleasant Valley Church 87,
increase 5. Total 265. The amount
contributed for the Missionary and
other Connexional funds is as follows:—
Markdale \$161.74, Town Line \$29.08,
Pleasant Valley \$24.18. Total \$215.00,
an increase for the year of \$48.44, while
the monies raised for all church pur-
poses aggregates the magnificent sum of
\$2698.35.

DOMESTIC ECONOMY.—As a matter of
economy it will pay every household to
keep a bottle of Yellow Oil on hand for
accidents and emergencies, in case of
a handy relief, and for wounds, burns,
bruises and injuries. Rheumatism,
neuralgia, quinsy and many painful dis-
eases treated internally and externally
by it often saves large medicine bills.

CONSUMPTION CURED.

An old physician, retired from practice
having had placed in his hands by an East
India missionary the formula of a similar
vegetable remedy for the speedy and perma-
nent cure for Consumption, Bronchitis, Catarrh
Asthma and all throat and Lung Affections,
also a positive and radical cure for nervous
Debility and all Nervous Complaints, after
having tested its wonderful curative powers
in thousands of cases, has felt it his duty to
state it known to his suffering fellows. Acti-
vated by this motive and a desire to relieve
human suffering, I will send free of charge to
all who desire it, this receipt, in German,
