DISTRICT DOINGS.

SYNOPSIS OF COUNTY AND DISTRICT DOINGS FROM OUR EXCHANGES PREPARED FOR STANDARD READERS.

380,000 bushels of grain was received at Owen Sound port in May the most of which was forwarded per C. P. R. same month.

In Kansas the husband votes and then goes home and holds the baby while the wife votes.

One hundred men are working at the new C. P. R. freight sheds at Owen Sound.

A Good Position in society is not proof against sin. Adam and Eve were the very best people in the world when they were cast out of Eden.

Shelburne is taking steps to have a High School established there.

Fond Mother: Well, Bessie, now that you have seen your Cousin Walter, what do you think of him? Did he leave a pleasant impression?—Bessie: Oh, yes, mamma. He kissed me.

The Orangeville Woolen Mill, owned by Clarry & Robinson, was destroyed by fire Friday night. The building and machinery were insured for \$20,000, and the stock for \$14,000. About seventy hands will be thrown out of employment.

If Cheese comes after meet, what comes after cheese?—A mouse.

Joseph Rorke, Esq., M. P. P. has been gazetted Major of the 81st battalion.

B. B. STOOD THE TEST.—"I tried every known remedy I could think of for rheumatism, without giving me any relief, until I tried Burdock Blood Bitters which remedied I can highly recommend to all afflicted as I was." Henry Smith Milverton, Ont.

"Did you hear of the accident to Hill?" "Why no! what happened him?" "Well he fell from his lady's favor, and broke his engagement."

Try it.—"What shall I do for this distressing Cough?" Try Hagyard's Pectoral Balsam; it is soothing and healing to the throat and lungs, and loosens the tough mucous that renders breathing difficult or painful.

"Madam," said the tramp, "I'm hungry enough to eat raw dog." "Well," she replied, kindly suiting the action of the word, "I'll whistle up some for you." The tramp left, taking his appetite with him.

DOMESTIC ECONOMY.—As a matter of economy it will pay every household to keep a bottle of Yellow Oil on hand for accidents and emergencies, in case of a handy relief, and for wounds, burns, bruises and injuries. Rheumatism, neuralgia, quinsy and many painful diseases treated internally and externally by it often saves large medicine bills.

The Mayor of Philadelphia celebrated Queen Victoria's birthday by closing a low door that had been given her name. With the Queens strict notions regarding home life and what constitutes more rectitude, the Mayor could have done nothing more to her honor or that would have given her greater pleasure.

Don't use any more nauseous purgatives such as Pills Salts &c., when you can get in Dr. Carson's Stomach Bitters a medicine that moves the Bowels gently, cleansing all impurities from the system and rendering the Blood pure and cool. Sold by all Druggists.

"I have been married now," boasted a prosy old fellow, "more than sixty years, and have never given my wife a cross word." "That's because you never dared, uncle," said a little nephew who lived with them. If you had, auntie would have made you jump.

WORTH REMEMBERING.—Mrs. T. Doan, of Harrisville, Ont., was for a long time troubled with neuralgia of the stomach. Failing to find benefit from physicians, she tried Burdock Blood Bitters, from which she found speedy relief, to which she testifies, hoping it may prove beneficial to others. Many physicians recommend B. B. B.

A good deal is said about the ability of young wives to cook. The ability of young husbands to provide them with something to cook ought not to be left out of the question.

WEATHER PROBABILITIES.—It is probable that in the breaking up of winter we shall have much damp sloppy weather, when rheumatism, neuralgia, sore throat and other painful complaints will prevail. Hagyard's Yellow Oil is the popular household remedy for external and internal use. Its curative power is truly wonderful.

Isn't it singular that the product of still should make men so noisy?

A VALUABLE DISCOVERY.—F. P. Tanner, of Nebling, Ont., says he has not only found B. B. B. a sure cure for dyspepsia but he also found it to be the best medicine for regulating and improving the system that he has ever taken. B. B. is the great system regulator.

CLIPPINGS.

Mr. Joseph Symington, who has held the position of station agent here for the past ten years, has been promoted to the station of the C. P. R. at Galt, one of the best stations on the line, and left on Wednesday to enter upon his duties. Mr. Symington has been a faithful servant of the company, and popular and obliging with the public. While we are pleased to learn of his success we regret to have him remove from among us. Mr. Lanigan, of Myrtle, is Mr. Symington's successor.—[Dundalk Herald.

The storm of the 23 ult., caused much damage to property in the vicinity of Walter's Falls. Trees were blown across the roads in many places, barns were unroofed and in some instances blown entirely down. Mr. Jeff Artley, of Euphrasia, had his barn blown down killing a steer and injuring other cattle. Wm. Norton and Geo. Hays' barns, in Holland, were unroofed, together with several others in the neighborhood.—[Chatsworth News.

Mr. McKinnon, of Durham, Grey county stopped over here on Sunday. He was on his way to Calgary, N. W. T., with a carload of as fine a lot of horse flesh as has passed through here this season. There were fourteen horses valued at \$3,000.—[Fort William Journal.

Our Wives.

Ruskin, in speaking of the wife, says:—"A judicious wife is always nipping off from her husband's moral nature little twigs that are growing in the wrong direction. She keeps him in shape by pruning. If you say anything silly, [she will affectionately style you so. If you declare that you will do some absurd thing, she will find some way of preventing you from doing it. And by far the chief part of all the common sense there is in the world belongs unquestionably to women. The wisest thing a man commonly does are those which his wife counsels him to do. A wife is a grand wielder of the moral pruning knife. If Johnson's wife had lived there would have been no hoarding up of orange peel, no touching all the posts in walking along the street, no eating and drinking with disgusting velocity. If Oliver Goldsmith had been married he never would have worn that memorable and ridiculous coat. Whenever you find a man whom you know little about oddly dressed, talking absurdly or exhibiting eccentricity of manner, you may be sure that he is not a married man; for the corners are rounded off, the little shoots pared away in a married man. Wives have much more sense than their husbands. The wife's advice is the one that keeps the ship steady."
