READ Stephen's racket on the Potato Bugs in another column.

Don't miss McFarland's new adv. Look it up first thing.

We had a friendly call this week from Rev. A. B. Demill, Founder and President of Demill College, Oshawa.

Mr. H. PARKER, druggist of Durham, has a change of adv. in this paper. Look it up. Miss PRICE from New York State arrived in Markdale last week and will spend a couple of months with her sister, Mrs. Wm. Stephens.

J. I. CARSON sold a steam thresher to Thos. S. Wright of Glenelg, who will make things hum as soon as the fall wheat is harvested.

J. CASAR, our station agent, is perhaps our most successful Flower and early vegetable gardener. He showed us this week a cucumber 9 inches long and 9 1/2 inches around, but if U eat them they will W up.

THE Toronto cattle market has been glutted recently, so much so that some drovers had to return part of their shipment home, or loose heavily.

We are pleased to state that Mr. W. T. Jackman, our old foreman, and esteemed friend, is so far recovered from his recent severe and prolonged illness as to be able to work at the case again. He is now enjoying good health, and spends his spare hours doing Ladies' fancy work, at which he has become quite an expert, and is preparing specimens for the Fall Show.

DONALD MCKINNON, sr., and his son Malcolm, of Glenelg received serious injuries one day last week while going to Durham by being upset out of the rig.

W. A. BROWN, our enterprising jeweller, has a beautiful stock of fine goods well worth the inspection of those requiring anything in his line. It is a rare thing to see such a stock outside the cities.

MISS LIZZIE MOORE of Holland, teacher, and Miss Buchanan of Artemesia took a trip up the Lakes to the "Soo" for their holidays.

A new way of killing flies is to catch them bring them to the telegraph office and give them each an electric shock. Alf Hall says it fetches them every time.

JOHN E. RICHARDS, merchant, of Rocklyn, spent Sunday and Monday in Markdale among his many friends. He reports business steadily increasing and prospects bright for a good fall trade.

The contract is let for the erection of an addition to Glenelg Agricultural Society's Hall in Markdale. The coming Fall Show promises to be much larger than any former one. Tickets for membership are only \$1.00 up to the 27th July, (next Wednesday) after that date \$2.00 will be the fee.

Messrs Sam. Henning and Seth Mathers of the 9th line Euphrasia drove to Essa township, Simcoe county, recently to visit friends. Henning has a spanking fine team of young horses, and the pair doubtless had a jolly time. It is hinted that there are special attractions in that direction, not black bears either.

GIVE THEM A CHANCE.

That is to say, your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousand of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boschee's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else had failed you you, may depend upon this for certain.
