

CASUAL CRUMBS

There is said to be one hundred cases of cholera in Orangeville.

A man in Sydenham had the basement of his Sunday pants by grasshoppers.

One of his Sunday pants should be found every toilet. It is cleaning and healthy.

A man has ruined his eyesight by looking in the barroom looking for work.

ALWAYS REQUIRED.—A good cathartic medicine. National Pills will not disappoint you.

GRASSHOPPERS come and go, but the industries fly sticks to his paper.

GRASSHOPPERS' WORM POWDERS are safe, safe and speedy to remove worms from children.

THE bright lexicon of speculation there nothing so uncertain as a sure thing.

DR. LOW'S PLEASANT WORM SYRUP is a safe and reliable worm remedy for all worms fretting children or adults.

Kind words are like good currency, we are sure to keep them to ourselves.

AN UNEXPLORED OPINION.—"I was severely afflicted with diarrhea and having used one of the wonderful Dr. Fowler's Wild Strawberry, I was in a short time completely cured. I can recommend it as a splendid medicine." William A. Stafford, London, Ont.

Durham is moving in the matter of establishing a creamery.

A VALUABLE DISCOVERY.—P. P. Tanner, of Shelburne, Ont., says he has not only found B. B. B. a sure cure for Dyspepsia, but he also found it to be the best medicine for regulating and invigorating the system that he has ever taken. B. B. B. is the great system regulator.

A road through a mudhole can hardly be called a high way.

WITHOUT EQUAL.—Wilson Montrose, of Shelburne, Ont., having used Dr. Fowler's Wild Strawberry in his family for numerous complaints, says, "I cannot speak highly for it, for children as well as aged people troubled with diarrhea it has no equal."

Good characters are not made in a day; they grow from good habits formed in youth.

VERY VALUABLE.—Having used B. B. B. for biliousness and torpid liver, with the very best results I would recommend it to all those who suffer from these ailments. The medicine is worth its weight in gold. Willie White, Manitowaning.

Avoid temptation, for you may not be strong enough to withstand it.

LAMAR.—When so hoarse your voice seems unnatural. Get thee to your druggist for a bottle of Tamarac Elixir. It never fails to cure Hoarseness, Coughs, Colds, etc.

A hangman who wishes to conceal his profession said he was travelling for a suspension company.

The chinch bug eats the farmer's grain, the bee moth spoils his honey, the bed bug fills him full of pain, the humbug scoops his money.

Don't use any more nauseous purgatives such as Pills Salts &c., when you get in Dr. Carson's Stomach Bitters medicine that moves the Bowels gently, cleansing all impurities from the system and rendering the Blood pure and cool. Sold by all Druggists.

Examining the tongue of a patient physicians find out the disease of the body and the disease of the mind.

W. M. Small, Barter, Brockville, Ont., says:—I was so troubled with cold in the head that I could not speak plainly. One application of Nasal Balm gave immediate relief, and thoroughly cleaned out my head.

"You see well," said a widow to her son who had been remonstrated against her marrying. "I know it," he replied, "I am so sure that I can't go a step further."

Headache, Biliousness, Dyspepsia, Indigestion relieved and cured at once by Dr. Carson's Stomach Bitters. Sold by all Druggists.

"Monkey wrench" is not so named because it is a handy thing to monkey with, or for any kindred reason. "Monkey" is not named at all but "Monchy." Charles was the inventor of it.

Now is the time to use a good Purgative Medicine. Loose no more in getting a bottle of Dr. Carson's Stomach Bitters. It will do you good. Sold by all Druggists 50 cents.

More than 400 convicts in prison at Nashville who traced their crimes to strong drink appealed to the people of Tennessee for a prohibition of a prohibitory amendment to the constitution.

How did you get it?—If so you can testify to the marvellous power of health and recovery to your friends. We refer to Fowler's Extract of Wild Strawberry, a special for all summer complaints, such as cholera morbus, dysentery, cramps, indigestion of the stomach and bowel complaints of infants or adults. Let its merits be known to all who have not used it.
