body. The bodies of, persons who die at ses are kept twenty four hours. In bygone that if a dead body were kept aboard a vessel destruction would be its inevitable doom, but the notion does not exist among modern milde Recently Rev. B. B. Dayton of Amboy, N. Y., while returning from abroad on the Cunard steamer Etruria, died suddenly his body was buried at sea. The action of the officers in thus disposing of the body gave rise to much adverse criticism. some of the passengers said that the services were not of a becoming nature. report has reached the ears of the dead man's wife and family and their friends. In order that the facts of the case might be or more unauccessfully treated by physicians. understood the following statement was The manufacturers of Dr. Sage's Catarrh made by the officers of the ship :

"The body was discovered dead in the stateroom shout 9 o'clock Monday evening. Immediately the doctor of the ship made it ready for burial. After the usual preparations were completed the remains were laid out and enshrouded with an English flag because that contains a cross. day morning the body was sewed up in canvas and then deposited in a wooden box, covered over with the flag. Solemnly and A few moments after 8 o'clock Tuesday Six for \$5. morning the ship's officers and a large num ber of cabin passengers encircled the body work. and the funeral services were conducted by a minister, one of the passengers. At their conclusion and when the minister read the words 'I now consign this body to the deep, the box, heavily weighted down with iron, was slid into the ocean. No secrecy prepast thirty in the village of Seldon. He vailed, and everything was done in a proper manner, being witnessed by any of the passengers who were so desirous.

A burial at sea is a solemn and impressive event, and many passengers like to witness it. A death at sea casts a gloom over the rest of the passengers, and naturally enough the officers try to do everything connected with the burial with as little ostentation "Only one woman in the world could and display as possible. On every steamer the custom is to bury the dead at sea. The captain of the ship is the sole arbiter in While Kate was ministering to Kenyon's officers are convinced that the body will by sons dying on the high seas, unless a short | ton St. E.
