"Mr. Watson's lecture on the allurements and proper amusements of young men is worth a hundred dollars to any young man."—Toronto Globe.

CURIOSITY.—A stem off an apple tree with a matured apple and a blossom on the same stem was taken from the orchard of John Griffith, Collingwood township, last week. There was other blossoms on the same tree at the time.

New Post Office.—Erskine is the name of a new post office which was opened the first of September on the 9th con. Euphrasia, with John McKeen, as Post Master. The mail is forwarded from Markdale twice a week, Wednesday and Saturday.

Mr. WILK. S. O'BRIEN of Artemesia sold recently to Mr. Marsh, cattle dealer of Thornbury, a pair of steers which turned the scales at 40,065 lbs. That's the class of cattle it pays to raise.

"Present society has furnished him with materials; a patient and accurate observation has gathered them: feeling, taste and humor have combined them, and told in an unaffected simplicity which lends a double enchantment to all he says."—Chicago Tribune.

"The man who foists no 'clap trap' upon his audience, but who makes such authors as Dickens, Burns, Lover, Thackeray, Macaulay, Emerson and Shakespeare live again; who sharpens the appetite for the best literature, deserves the respect of all people of culture."—Montreal Herald.

The Printing Committee of the County Council last January recommended the chairman of said committee to ask for tenders for the county printing and advertising, yet, as far as we can learn, no printer outside Owen Sound has been asked for such tenders. There's a screw loose some where.

CHURCH OPENING.—The opening services of Temple Hill church, 9th line Euphrasia will be held on Sunday the 9th October, at 11 a. m. and 4 p. m. Rev. Prof. McLaren, D. D., of Knox College, Toronto, will conduct both services. A Soiree will be held in the church on Monday evening, 10th, when addresses will be given by various clergymen, also choir music. Tea served at 6:30 in the basement. Admission 25 cents.

THE HOUSEKEEPER for October will contain a full account of the wedding of the managers of that paper, in the Minneapolis, Minn., Exposition, on the evening of September 28, together with accurate description and illustrations of the participants' wedding dresses and presents. A copy of this issue will be mailed free to any of our 'lady' readers sending their address to The Buckeye Pub. Co., Minneapolis, Minn.

MAN TRAP.—On Wednesday the 14th inst, I left home in the afternoon to go to Holland Centre grist-mill, passing over the bridge at Dimm's Hamilton's Lake I found it in apparent good and safe condition: On my return about 9 o'clock I found a portion of the bridge lifted up by some malicious person making an opening sufficient to cause destruction to life and property. Such deeds on the public high-way does not speak well for the settlement, James Greenaway.

Prof. Low's Sulphur Soap is a cheap and healthy form of obtaining the healing virtues of a sulphur bath.

Our respected citizen and business man Mr. R. S. Rae, Taylor, has taken an important step forward, and now keeps a SELECT stock of English, Irish, Scotch and Canadian Tweeds which for quality and style are not equalled in the district; also overcoatings and a full line of Gents Furnishings. Mr. Rae's shop is very conveniently situated, opposite the post office, and those requiring a real good article in the above lines will consult their best interests by giving him a call.

The lost gold watch advertised last week in the STANDARD has found its owner, or rather its owner has found it. Mrs. Ross, of Owen Sound lost a fine gold watch, chain and locket on Friday the 9th Sept. near Caledon Station, while on her way to Toronto. George Morwood, a young man of Euphrasia, found the watch, and on his return home the following week advertised it as above, thus finding the rightful owner who was more than pleased to recover her property, which she valued much higher than its intrinsic worth owing to ties of friendship connected therewith.

The Financial District meeting of the Markdale District will be held in the Methodist church Markdale on Tuesday the 27th commencing at 10 o'clock; at 2:30 p. m. a convention of ministers and delegates will be held in the interest of the College Federation, when the amount allotted to the district will be distributed among the circuits. A public meeting will be held in the evening at 7:30 when addresses on the question of College Federation will be delivered by James Mills Esq., Principal of the Ontario Agricultural college, Guelph, and the Rev. Dr. Potts of Toronto, Secretary of Education.

The following letter we picked up between the post office and the Standard office last Monday night, and gave it just as it was written. We do not wish to give names publicly but the epistle is really too good to keep. It strongly suggests the need of a spelling school: perhaps it was intended for the prize competition—

Mr. J. B. WATSON of Toronto, one of the most pleasing and entertaining platform speakers of Canada, has consented to give one of his popular lectures entitled "Society unmasked or houses without fronts" in the Roller Rink, Markdale under the auspices of the Markdale Brass Band, on Tuesday evening the fourth of October next. In connection with this we might say that public lectures are becoming more popular every year, the public seeming to appreciate the fact that by such means knowledge is more easily gained than by dry hard reading, and at the same time longer retained. From all that we can hear of Mr. Watson and from the flattering press comments he has received, the citizens of Markdale are under a considerable debt of gratitude to the band for having secured them the privilege of spending an evening listening to such a rare literary treat.

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption. Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself. The breathing apparatus must be kept healthy and clear of all obstructions and offensive matter. Otherwise there is trouble ahead.
