IT IS A WELL KNOWN FACT THAT

McCOLL'S "LARDINE,"

is the best known, and most reliable MACHINE OIL in the Dominion; Farmer's, Thresher's and Mill Owner's, will find it decidedly to their advantage to insist upon getting the "Genuine Lardine" when they ask for it, owing to so much inferior oil being sold under the same name by unscrupulous dealers. We are the sold manufacturers of the "Genuine Lardine" every barrel branded. McCOLL BROS. & CO. For sale in Markdale at Haskett Bro's Hardware Store. 847-78

CASUAL CRUMBS.

QUEEN.—What is the best time to read a man with? Crionline.

Right now is the time to use a good Blood Purifying Medicine. Loose the time in getting a bottle of Dr. Carson's Stomach Bitters. It will do you good. Sold by all Druggists 50 cents.

"ANNEALATION AND WAR—that's true every word of it," said a pert old maid. "no sooner did you get married than you directly begin to fight."

Don't use any more nauseous purgatives such as Pills Salts &c., when you can get in Dr. Carson's Stomach Bitters a medicine that moves the Bowels gently, cleansing all impurities from the system and rendering the Blood pure and cool. Sold by all Druggists.

A young lady says the reason she carries a parasol is that the sun is of the masculine gender, and she cannot withstand his ardent glances.

Headache, Biliousness, Dyspepsia and Indigestion relieved and cured at once by Dr. Carson's Stomach Bitters. Try it. Samples free.

"Goodness me!" cried a nice old lady the other day, "if the world does come to an end the next year, what shall I do for snuff."

National Pills will cure constipated bowels and regulate the liver.

No one can be made a scholar: almost all can make themselves scholars.

What vegetable's name is often given a wise man? Sage.

A LUCKY ESCAPE.—"For six years I suffered with my throat and enlarged tonsils. I was very weak; I doctored four years and had advice from three doctors; they said I would have to undergo an operation. I tried B. B. B. instead. One bottle cured me." M. A. Squech, Ragan, Ont.

The softer the head the harder the work to drive anything into it.

INDISPENSIBLE.—"I have used Dr. Fowler's Extract of Wild Strawberry for summer complaints, and have given it to my friends. It gives instant relief when all other remedies fail. I would not be without it in my house." Mrs. T. Boil, Weidman, Ont.

The right man in the right place is a husband at home in the evening.

A SEVERE TRIAL.—Frances S. Smith of Emsdale, Muskoka writes, "I was troubled with vomiting for two years, and I have vomited as often as five times a day. One bottle of Burdock Blood Bitters cured me."

The gentleman who kissed the lady's "snowy brow" caught a severe cold and has been laid up ever since.

WELL TESTED.—"I was nearly dead with cholera morbus, one bottle of Extract of Wild Strawberry cured me, and at another time I was so bad with summer complaint that I thought I would never get over it, when two bottles cured me." Mrs. E. Askett, Peel, Ont.

He that knows useful things, and not he that knows many things, is the wise man.

GLENELG FALL SHOW.

This exhibition is, we believe, the first local one on the program, and took place on the Society's beautiful grounds on Tuesday and Wednesday. The first day was taken up in arranging the inside exhibit and judging the same.

The weather was very threatening the second morning and a shower about 9 o'clock made things look very gloomy, but it fared up and a fine day followed. The exhibit of horses were fully up to the average while the colts were the best we have seen at a local show. The indications point to a very decided improvement in horses which if continued from year to year will ever long raise the value of our stock of horses fifty per cent.

The cattle exhibit was medium. Pigs, good quality but not many shown. Christ Irwin showed a really fine Berkshire Boar. The sheep pens were mostly empty. Shepherdson's exhibit being noticeably absent this year. There was a lot of fine Poultry which appeared to advantage in their building at the south end.

IN THE HALL the exhibit was very good, the quality being of a high order generally. The extra space caused by the addition of a wing of 48x16 feet, had the effect of giving the display a scattered appearance compared with the hampered state of affairs of former years. The new department was occupied with ladies' work, fancy articles and productions of Art, and showed fine taste in each class. The Show here was particularly attractive because of the exhibit being new and fresh, very little, if any, having been shown on former years.

There was a good display of grain and roots, both being fully up to former years in quality. Fruit good but not up to the average in quantity. The large exhibit of plants and flowers were indeed an ornament to the hall.
