JOHN M. DAVIS had a stormy trip to the
"So" but returned safe and is on the "war
path" looking for lambs, fat cattle &c.

The usual crop of weather prophets are to
the front, foretelling an open winter, a hard
winter, a long winter, &c. &c., but the weather
keeps right along as it pleases, a little of
every sort.

TEN of the Methodist Choir took the noon
train on Thanksgiving Day for Owen Sound
to hear the famous cantata "Under the
Palms" given by Owen Sound Methodist
Choir and Sabbath School.

THANKSGIVING Day was observed as a
general holiday in our village, and an ex-
ceedingly quiet one it was. Public service
was held in the Presbyterian church at 10:30
which was fairly attended.

MR. JOHN WHITBY, says there is virtue in
advertising and is more than pleased with
the result of an advertisement which he put
in the Standard recently to the effect that he
had certain stock and implements for sale at
his farm; as a result of said adv., he sold,
inside of one week from its first appearance,
13 head of cattle and part of his implements
by private sale.

RETIRED.—Mr. John Whitby has pur-
chased a brick residence in Markdale and
is retiring from farm life. He is now moving
into town, having let his fine farm to
Master Thos. Wilson, on shares. Mr. Whitby
is one of the most respected and well-to-do
farmers of Artemesia and will be a desirable
citizen. We welcome him to our midst.

A postoffice employee says that the gum-
med surface of a postage stamp should never
be placed on the tongue. Moisten the other
side of the stamp and the corner of the en-
velope, or the latter only, and the stamp will
stick for all it is worth.

We knew it would come. The announced
invention has been made that a paper coffin has
been invented and put upon the market. A
man may now build a house of paper, eat his
dinner from paper plates, wipe his face with
a paper handkerchief, buy his wife a paper
piano, and go to his grave in a paper coffin.
The coffin may be paid for with a piece of
paper and the death published on another
piece. There are few things more useful
than paper.

SERIOUS ACCIDENT.—On Friday last while
Archie Nixon, a young man of Euphrasia,
was digging a well for Mr. Philip Sparling
of Goring, Euphrasia; the bucket became de-
tached while being landed and fell with con-
siderable force upon Nixon and fracturing
his skull. Medical aid was at once procured
but the young man lies in a precarious con-
dition, poor hopes being entertained of his
recovery.

REV. T. HALL left for Lehi, Iowa, on Wed-
nesday, after a five weeks' visit. He took up
a five years course in Theological studies
fourteen months ago, and passed his ex-
aminations last September most successfully.
In doing so he overtaxed his mental powers
and thus impaired his health, so that the
conference gave him three months leave in
order to rusticate. He is somewhat re-
cuperated but not yet fully recovered.

A few inches of snow fell last Sunday, and
the roads being comparatively dry and smooth
there was nice sleighing the fore part of the
week. As a consequence there was a boom
in business: tons of poultry, scores of dress-
ed hogs and thousands of bushels of grain
was marketed, and the hundred of teams
daily on our streets with an occasional
wedding party gave the town a live appear-
ance.

FOR BETTER OR WORSE.—On Friday last
Mr. James R. Cunningham, son of Mr. Wm.
Cunningham, of Artemesia, took unto him-
self a partner for life in the person of Miss Susan
Henry, daughter of the late Wm. Henry of
the same township, and formerly of Albion.
Mr. Cunningham has been employed in To-
ronto at the carpenter business for some time
and had his house furnished and ready for
the girl of his choice. They left per evening
train on Tuesday for said home in Toronto.
They have the best wishes of the Standard,

WEDDING BELLS.—Two of our most re-
spected young people, having taken into
serious consideration a subject often debated,
viz: "Resolved that married life is more
happy than single" have decided in the
affirmative, and were united at the hymeneal
altar on Wednesday evening last at the hour
of 6 o'clock at the residence of the brides
sister, Mrs. G. M. Haskett. The contracting
parties were Mr. R. Knight, of S. Hill's
mercantile establishment and Miss Laura
Rorke, niece of W. J. McFarland, Esq. The
happy affair was done up quietly, a few of
their friends only, being present. The
presents were unique and valuable. We ex-
tend our best wishes.

We learn that Mr. James Allen, of
Allenford, has been appointed Indian
Agent for the Saugeen Reserve, Mr. J.
T. Conway having resigned. We
doubt if ever an appointment has
been made in the county of Bruce
that will give better or more general
satisfaction than this one. Mr.
Allen is an old resident of the county,
well known and respected by every-
body, including even the Indians
whom he has been appointed over,
and possessing experience and ability,
and the many excellent qualities which
fit him for the position, he will make
a painstaking and efficient officer.
