THE PEOPLE OF GREY SHOULD BE PROUD
of the educational advantages they
possess. The Northern Business College
near Sound, of which Mr. C. A. Flem-
ing is principal, is not surpassed in the
provision as a school of practical train-
ing for business pursuits for young men.
Mr. Fleming is possessed of a scholarly
and a matured and perceptive judge-
ment, rare energy and indomitable per-
severance; is an accomplished penman
and throws his whole soul into the work
and has consequently been rewarded by
unparalleled success. This is the only
business college in Canada and the
best in America, occupying its own
building, which is a massive three story
brick structure fifty feet square. Scores
of late students are now occupying
positions of trust and emolument in all
parts of the United States and Canada,
and we cannot too strongly advocate
the wisdom of a course in this college
to young men who anticipate a busi-
ness life or even an agricultural calling.
