THE following is a list of new books  
 at Markdale Mechanics' Institute:—  
 Sir Walter Scott, 12 vols.; Washington  
 Irving, 9 vols.; Fenimore Cooper, 5  
 vols.; Macaulay's, England, 5 vols.;  
 Rollins' Ancient History, 4 vols.

We regret to learn that owing to poor  
 health Rev. T. Hall is obliged to cease  
 the work of ministry, at least for the pre-  
 sent, in which he has labored very suc-  
 cessfully for the last year and a half  
 in Iowa. He will arrive in Markdale  
 this week and rest for six months.

**THOS. and FRED MOFFAT** of the Mark-  
 dale foundry went to Durham on Wed-  
 nesday to put in the steam engine and  
 machinery for the Durham creamery.  
 This foundry is turning out this class of  
 work of a superior kind and giving uni-  
 versal satisfaction.

**THE Flesher-ton Advance** throws out,  
 in last week's issue, a "far fetched" in-  
 sinuation in reference to the bringing  
 together of post-office and printing office  
 in Markdale, which we wish the editor  
 to distinctly understand never had any  
 foundation other than imagination.

THE social given in Haskett's Hall on  
 Friday evening last was fairly well at-  
 tended, about sixty people being present  
 all of whom seemed to enjoy themselves  
 in the various games and amusements  
 provided for the occasion. About 8:30  
 lunch was served consisting of hot coffee  
 and bread and butter, and was quite ac-  
 ceptable to the inner man. The gross  
 proceeds, \$9.77, will be presented to  
 Mrs. Neill-Smith, who is in indigent cir-  
 cumstances.

THE spring is exceedingly backward.

TO RENT—A commodious carriage  
 shop, opposite Revere Hotel, Markdale.  
 Apply to John McKenna.

WE are requested to make the follow-  
 ing corrections in the school report  
 which appeared last week, viz.—Wm.  
 Ricket, total 108; Sadie Plewes, total  
 120. We may just here say we do not  
 care for another such lengthy report for  
 ten years at least.

WE had a call from Mr. Bell, Glenelg  
 assessor, on Saturday last. He has  
 finished the assessing for this year, leav-  
 ing out the territory belonging to the  
 new municipality of Markdale. We  
 understand Mr. B. has given general  
 satisfaction.

OUR enterprising young friend, J. G.  
 Anderson, has opened a general store in  
 R. J. Sproule's old stand, Flesher-ton.  
 J. G. is well and favorably known by the  
 Flesher-ton people so that it is not neces-  
 sary for us to recommend him to their  
 confidence.

HE WILL SEE IT LATER.—Clerk—"I  
 worked off some of that packed butter  
 to-day." Grocer—"Indeed! Whom did  
 you send it to?" Clerk—"Mrs. Blank,  
 around on Dash street." Grocer—"Great  
 guns! Why, I board with her."

ON Thursday the 26th April at 1  
 o'clock Mr. Jacob Thompson will sell  
 his farm stock, implements &c., by  
 public auction, on lot 139, con. 3, E. T.  
 & S. Rd, Artemesia. The proprietor has  
 sold his farm and will dispose of all with-  
 out reserve. Terms, eight months credit  
 on approved paper for sums over \$5.  
 Geo. Noble, auctioneer.

THE taffy social at Mr. Whitby's resi-  
 dence on Wednesday night was well at-  
 tended and a very sociable evening  
 spent. An abundance of taffy and soft  
 maple sugar was served up in good shape  
 and evidently much appreciated. The  
 mirthful propensities of the company  
 had full vent and in the midst of the  
 jollification Mr. and Mrs. Whitby landed  
 from the night train after a two months'  
 visit with friends in Leeds county, which  
 added to the pleasure and interest of the  
 party.

 Teacher.

SOME errors crept into our Meaford  
 Road items last week which the readers  
 will please blame the printer for as we  
 are the guilty ones, viz.—Mr. Hanson is  
 to practice UNDER a professional V. S.,  
 instead of as one; also the Eclipse saw  
 mill has a new BOILER, not a new SAW-  
 YER; and lastly the name of he who pur-  
 chased the Vandeleur Emporium is Mr.  
 S' Osborn, not Austin.

THOROUGHBRED STOCK.—Dr. Sproule,  
 M. P., purchased at the auction sale of  
 Dalton McCarthy, M. P., a Durham  
 Bull and heifer; they are magnificent  
 specimens of their kind. The Bull was  
 exhibited at spring show on Friday last  
 and was the "admired of all admirers."  
 He took first prize in his class. He is  
 about 2 1/2 years old, and tips the scales  
 at 1795 lbs. He is, without doubt, the  
 finest animal of his kind ever brought  
 into this section. The Doctor deserves  
 credit for such enterprise.
