AN EXTENSIVE SALE.—Another evi-
...ence of the boom in property here,
...appeared on Tuesday last, the Coulson
...House and property adjoining, includ-
...ing the stores of Messrs. Douglass and
...Breckenridge, changing hands—the
...purchaser being Mr. H. B. Harrison,
...of the O. S. Marble Works. The
...figure paid in round numbers was
...about \$16,000.—O. S. Times.

The news that a warrant had been
...issued for the arrest of Mr. D. Creigh-
...ton of the Empire on Monday last,
...for libel, created quite an interest
...here, and not a little comment. Mr.
...Creighton was in town that day mak-
...ing preparations to take his family
...with him to the city on Tuesday after-
...noon; but after receiving the telegram
...concerning the warrant, concluded to
...leave on Tuesday morning and face
...the music. He was arrested on his
...arrival in Toronto, at the instance of
...Mr. Mercier; but was released on
...giving bail for his appearance in Que-
...bec when required. As we think our
...readers will be interested to know the
...reason of this action against Mr.
...Creighton, we give the paragraph from
...the Empire on the 3rd inst., on which
...the charge for libel is purported to be
...based:

"Such of the organs of Mr. Mercier as venture
...to give any reason for the dismissal of Mr. Mc-
...Shane from the Quebec Cabinet allege as a cause
...the electoral irregularities of the said Minis-
...ter. The hollowness of this plea is shown by the
...facts that Mr. Mercier has been proven guilty of
...gross personal corruption, and that Mr. Turcotte
...the acting successor of Mr. McShane in his de-
...partment, is a venal politician of most unenviable
...notoriety.—O. S. Times.

Last Monday week Mr. Matt Scott
...met with an accident which might
...have resulted far more seriously than
...it did. He was driving from his place
...to town and was going at a rapid rate
...when suddenly the king bolt of the
...buggy dropped out, causing the front
...wheels to be detached from the con-
...veyance and throwing Mr. Scott out
...and caused him to fall upon his
...breast across the axle. He was badly
...bruised but no bones were broken.—
...Durham Chronicle.

ACCIDENT.—A young man, aged
...about 22 years, son of Mr. John Mc-
...Kenzie, 4th line, Euphrasia, met with
...a serious accident on Monday last on
...the 7th line, St. Vincent, at the hill
...near C. Bracken's residence. He was
...coming to the 7th line brickyard for
...a load of brick, driving in a wagon,
...and when coming down the hill the
...wheels slewed around upsetting the
...wagon and throwing young McKenzie
...down the embankment. In the fall
...and subsequent rolling he received a
...serious cut on the head and some in-
...ternal injuries, but of how serious a
...nature was not known at the time of
...writing. He was conveyed to the re-
...sidence of Mr. Bracken, and medical
...aid summoned from Meaford. The
...physician in attendance would not ex-
...press an opinion on Tuesday as to the
...result of the injuries.—Meaford Mir-
...ror.

FACTS FOR MEN OF ALL AGES.
...DISEASES OF MAN.
...M. V. LUBON'S SPECIFIC NO. 8,
...THE GREAT HEALTH RENEVER,
...Marvel of Healing, and Restorer of Medicines,
...Cures the terrible consequences of Indiscretion,
...Exposure and Overwork.

YOUNG, MIDDLE-AGED AND OLD MEN
...Who are broken down from the effects of abuse will find in No. 8 a radical cure for nervous
...debility, organic weakness, involuntary vital losses, etc.

SYMPTOMS FOR WHICH NO. 8 SHOULD BE USED.—Want of energy, vertigo, want of purpose,
...dimness of sight, aversion to society, want of confidence, avoidance of conversation,
...desire for solitude, listlessness and inability to fix the attention on a particular subject,
...cowardice, depression of spirits, giddiness, loss of memory, excitability of temper, sper-
...matorrhoea, or loss of the seminal fluid—the result of self-abuse or marital excess—impot-
...ency, inattention, emaciation, barrenness, palpitation of the heart, hysterical feelings in
...females, trembling, melancholy, disturbing dreams, etc., are all symptoms of this terrible
...habit, oftentimes innocently acquired. In short, the spring of vital force having lost its
...tension, every function wanes in consequence. Scientific writers and the superintendents
...of insane asylums unite in ascribing to the effects of self-abuse the great majority of
...wasted lives which come under their notice. If you are incompetent for the arduous
...duties of business, incapacitated for the enjoyment of life, No. 8 offers an escape from
...the effects of early vice. If you are advanced in years, No. 8 will give you full vigor and
...strength. If you are broken down, physically and morally from early indiscretion, the
...result of ignorance and folly, send your address and 10 cents in stamps for M. V. Lubon's
...Treatise in Book Form on Diseases of Man. Sealed and secure from observation.
