MR. AND MRS. BOWSER.

Bowser Takes a Turn Among the Stores
 ...mentioned in a casual way that we...
 ...some dishes, a new carpet, and some...
 ...them, and that I must get down town...
 ...when Mr. Bowser came home...
 ...said:
 ...are you all ready?"
 ...Well, are you all ready?"
 ...What?"
 ...to go down and buy those things."
 ...I didn't know you wanted to go...
 ...I wish you wouldn't."
 ...do! Are you ashamed to be...
 ...with me on the street?"
 ...You know I'm not. I'm afraid you—
 ...What?"
 ...You'll just go and get into a quarrel."
 ...Mrs. Bowser, are you getting soft in the...
 ...Jaw folks! Get into a quarrel!
 ...Are you coming?"
 ...I had visited the carpet store. I had...
 ...made up my mind whether to buy...
 ...or velvet, nor whether to get light...
 ...dark colors. I expected to take fifty...
 ...have the clerk roll down about fifty...
 ...of each kind, and to be all of two...
 ...squares making up my mind. One clerk ran...
 ...place chairs for us. A second arranged...
 ...window curtains, and a third inquired...
 ...Mr. Bowser:
 ...Did you wish to look at some carpets?"
 ...Did I come up here to buy oysters?"
 ...Light or dark colors?"
 ...Light."
 ...But the dark are all the style, you...
 ...I don't know anything of the sort!
 ...There are plenty of white horses and houses,
 ...white shirts and hats; and I don't know...
 ...light carpets shouldn't be fashionable.
 ...You want this piece."
 ...Yes, sir; but you won't like it. This...
 ...pattern is what Mrs. Gov. Smith select...
 ...for her front bed room."
 ...Yes, Well, I may get that for my horse...
 ...later on. Send up a man to measure...
 ...room, and give me that light pattern."
 ...Why, Mr. Bowser!" I said. "You...
 ...belected already!"
 ...Certainly."
 ...I guess I do."
 ...And end up by buying four cents worth...
 ...of something."
 ..."Yes; it is the custom."
 ...And would it have taken you three...
 ...weeks to buy what we bought in two hours?"
 ...Yes, sir."
 ...Then I'll write this very day to an idiot...
 ...asylum and see if I can squeeze you in! It's...
 ...no wonder every other home in Detroit is...
 ...full of scandal, and every other husband...
 ...wants a divorce!"

Look and Live!

My lady reader, don't pass me by with the unkind remark, "Only an advertisement." I may do you good. I may unfold to your view the "pearl of great price." I may be the means of restoring to you health and happiness. I surely will if you are suffering from any form of nervousness or female weakness, and will act upon my suggestion. I bring to your notice, with every confidence in its merits, a remedy especially compounded to meet just the requirements of your case—Dr. Pierce's Favorite Prescription, bidding you look and live! Ladies everywhere, who have used it, speak volubly in its praise!

The man who allows the rivulets to get his manure is always sure that the government is robbing the people.

An Epigrammatic Statement.
 Is there anything in this world so vile as the pestilent presence of potent bile? We have it, we hate it, we all revile it. The noxious nausea, as did Carlyle? But by how what soon is mended? Take P. P. and have it mended. All praise the power of "Pierce's Pellet." Wise people buy and druggists sell it.

Bad tempered cows, dull plows, and weak fences ought to be evils unendurable, for they are not immovable.

A Millionaire in a Minute.
 Instances are on record where toilers in gold mines and diamond fields, who by one turn of the spade, a single movement of the hand, have been transformed from penniless laborers to millionaires. But they were not so lucky as is the consumptive who finds a means of restoration to health, who learns that the dread disease from which he suffers is not incurable. Dr. Pierce's Golden Medical Discovery will cure consumption (which is lung scrofula), and nothing else will. For all diseases of the blood, such as blotches, pimples, eruptions, scrofulous sores and swellings, it is unequalled.

None but a good farmer can make eight per cent on borrowed money; and he is the last farmer to do it.

A Western man says he never knew the real meaning of a "red scent" until he went into an Indian wigwam.

Consumption Surely Cured.
 To the Editor:—Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy gratis to any of your readers who have consumption if they will send me their names and P. O. address. Respectfully, Dr. T. S. Slocum, 37 Yonge St., Toronto, Ont.

Girlish actions are suggestive of buoyant spirits.

Julia—No, dear; cosmopolitan milk is not cows' mopolitan milk. As the dorky would say, the latter is an-udder kind of milk.

Although a woman's age is undeniably her own she does not own it.

People who are subject to bad breath, foul coated tongue, or any disorder of the stomach, can at once be relieved by Dr. Crook's Stomach Bitters, the old and tried remedy. Ask your Druggist.
