 Editor Standard:
 DEAR SIR,—It is seldom or ever I trouble publishers of newspapers with items for publication, but the present seems to me a time when some one should speak out boldly and fearlessly. Our usually quiet village has of late come to the front with a wonderful crop of drunks who make the quiet night hideous with their unearthly yells and the very air is poisoned with vile and obscene language, nor is this drinking confined to week days and nights, but the sacredness of the Sabbath is disturbed by persons parading up and down our streets under the influence of liquor, and while respectable citizens were wending their way to church on Sabbath night these young men were to be seen and heard under the influence of liquor. Surely the law is very defective, or the Inspector does not attend to his business as he ought to. I certainly think our respectable hotel-keepers are not guilty of violating the law so openly. These fellows should be hauled up and made tell where the liquor was obtained, failing to do so imprison them. Now that we are to have incorporation it is to be hoped our town fathers will see to it that persons acting so much out of place shall be dealt with severely.

FACTS FOR MEN OF ALL AGES.
DISEASES OF MAN.
M. V. LUBON'S SPECIFIC NO. 8,
THE GREAT HEALTH REGENERATOR,
 Marvel of Healing, and Kinkinor of Medicines.
Cures the terrible consequences of Indigestion, Exposure and Overwork.
YOUNG, MIDDLE-AGED AND OLD MEN
 Who are broken down from the effects of abuse will find in No. 8 a radical cure for nervous debility, organic weakness, involuntary vital losses, etc.
SYMPTOMS FOR WHICH NO. 8 SHOULD BE USED.—Want of energy, vertigo, want of purpose, dimness of sight, aversion to society, want of confidence, avoidance of conversation, desire for solitude, listlessness and inability to fix the attention on a particular subject, cowardice, depression of spirits, giddiness, loss of memory, excitability of temper, spermatorrhoea, or loss of the seminal fluid—the result of self-abuse or marital excess—impotency, inunction, emaciation, barrenness, palpitation of the heart, hysteric feelings in females, trembling, melancholy, disturbing dreams, etc., are all symptoms of this terrible habit, oftentimes innocently acquired. In short, the spring of vital force having lost its tension, every function wastes in consequence. Scientific writers and the superintendents of insane asylums unite in ascribing to the effects of self-abuse the great majority of wasted lives which come under their notice. If you are incompetent for the arduous duties of business, incapacitated for the enjoyments of life, No. 8 offers an escape from the effects of early vice. If you are advanced in years, No. 8 will give you full vigor and strength. If you are broken down, physically and morally from early indiscretion, the result of ignorance and folly, send your address and 10 cents in stamps for M. V. Lubon's Treatise in Book Form on Diseases of Man. Sealed and secure from observation. Address all communications to M. V. LUBON, 47 Wellington Street, E., Toronto. A Man without wisdom lives in a fool's paradise. **CURES GUARANTEED. HEAL THE SICK.**

IT IS A WELL KNOWN FACT
—THAT—
McCOLL'S
"LARDINE"
 is the best known, and most reliable MACHINE OIL in the Dominion: Farmer's, Thresher's and Mill Owner's, will find it decidedly to their advantage to insist upon getting the "Genuine Lardine" when they ask for it, owing to so much inferior oil being sold under the same name by unscrupulous dealers. We are the sole manufacturers of the "Genuine Lardine" every barrel branded.
