 Correspondence.
 Monday last our township fathers
 met in council chamber for general
 business and court of revision. The
 general satisfaction which our town-
 ship assessor, Mr. W. McLoughry, has
 given was evidenced from the very
 few cases of appeal before the court.
 The bridge spanning the Boyne just
 west of this village which is in a very
 unsafe condition for travel over was
 respected by the honorable body, the
 council, and the Reeve and councillor
 Sharp were appointed a committee to
 seek for tenders for the erection of a
 new bridge and report at next meeting
 of council. Our good councillor was
 heard to suggest that Flesherton vil-
 lage pay one-third the cost of the new
 structure and the township the bal-
 ance. It is paying Flesherton no
 compliment to build this bridge being
 one of the leading thoroughfares in
 the township. It is the council's duty
 to keep the same in safe condition for
 public travel, which it is not now.
 Mr. George Keefer has already a
 new building well under way on To-
 ronto street into which he expects to
 move in a short time to open out in
 the butcher and meat business, also
 flour and feed.
 J. G. Russell, our enterprising jewel-
 er, has purchased the commodious
 business stand lately occupied by J.
 W. Bates on Toronto st., and has the
 building now undergoing extensive
 repairs, having it more conveniently
 fitted up for the jewellery business.
 New Bank.—M. Richardson, Esq.,
 has leased one of the apartments in
 his brick block to a bank manager
 who is going to open out a branch in
 this village, said bank to be open for
 business on or before July 1st. This
 will prove a centre of attraction for
 depositors and a great convenience to
 the public generally in this section.

FACTS FOR MEN OF ALL AGES.
 DISEASES OF MAN.
M. V. LUBON'S SPECIFIC NO. 8,
THE GREAT HEALTH REGENERATOR,
 Marvel of Healing, and Kibnor of Medicines,
 the terrible consequences of Indiscretion,
 Exposure and Overwork.
Cures
YOUNG, MIDDLE-AGED AND OLD MEN
 Who are broken down from the effects of abuse will find in No. 8 a radical cure for nervous
 debility, organic weakness, involuntary vital losses, etc.
SYMPTOMS FOR WHICH NO. 8 SHOULD BE USED.—Want of energy, vertigo, want of purpose,
 dimness of sight, aversion to society, want of confidence, avoidance of conversation,
 desire for solitude, listlessness and inability to fix the attention on a particular subject,
 cowardice, depression of spirits, giddiness, loss of memory, excitability of temper, epi-
 matorrhoea, or loss of the seminal fluid—the result of self-abuse or marital excess—impo-
 tency, incontinence, enervation, barrenness, palpitation of the heart, hysterical feelings in
 females, trembling, melancholy, disturbing dreams, etc., are all symptoms of this terrible
 habit, oftentimes innocently acquired. In short, the spring of vital forces having lost its
 tension, every function wanes in consequence. Scientific writers and the superintendents
 of insane asylums unite in ascribing to the effects of self-abuse the great majority of
 wasted lives which come under their notice. If you are incapacitated for the arduous
 duties of business, incapacitated for the enjoyment of life, No. 8 offers an escape from
 the effects of early vice. If you are advanced in years, No. 8 will give you full vigor and
 strength. If you are broken down, physically and morally from early indiscretion, the
 result of ignorance and folly, send your address and 10 cents in stamps for M. V. Lubon's
 Treatise in Book Form on Diseases of Man. Sent and secure from observation.
 Address all communications to **M. V. LUBON, 47 Wellington St. E., Toronto.**
 A Man without wisdom lives in a fool's paradise. **CURES GUARANTEED. HEAL THE SICK.**
