R. DUNLOP, Clerk.
Seaforth, Ont.

The annual meeting of Guelph Conference of the Methodist church being held in the town of Seaforth this week brings that town into more than ordinary prominence, and a few words respecting the place may not be found uninteresting.
 Seaforth is a flourishing town situated on the Buffalo and Goderich Division of the Grand Trunk Railway in the County of Huron. It is twenty one miles south east from Goderich, the County seat, and 111 from Toronto. Within the boundaries of the town are extensive deposits of pure rock salt of great thickness and value and salt is one of the chief products for shipment from the town. The blocks of The Gray, Young and Sparling Salt Works Co., is the most extensive in town and their annual shipment are very large. It has woollen, flax, saw and planing mills, a foundry and is the headquarters for the largest egg-collecting business in Ontario, of which Mr. D. D. Wilson, well-known as the "Egg King" is the proprietor. The mercantile interests of the town are well sustained as is demonstrated by the excellent stores which line the principal streets.

Seaforth is a very pretty place, and is surrounded by a prosperous farming community. It has nicely graded streets, good walks, profusive shade trees, and many attractive public buildings and private residences. The congregations of the Presbyterian, Methodist, Episcopal and Catholic denominations have beautiful and commodious church edifices; there are high, public and separate schools with accommodation for nearly 600 pupils. The Mechanics Institute has 2400 volumes. There is a town hall and a public hall with ample capacity, two banks, and two weekly newspapers, the *Huron Expositor* and *The Sun*, the former of which, under the able management of Messrs. McLean Bros., has earned for itself a Dominion reputation as being one of Ontario's best and most extensive circulated country papers.

The shipments of the town comprise:—Grain, Salt, eggs, lumber, live stock and general produce. Its population is nearly 3,000. Its assessed valuation is about \$600,000. Seaforth is a prosperous and gradually growing town.—Acton Free Press.

EXCHANGE CLIPPING.
 Mr. James Lauder, of Glenelg, left Tuesday morning on a visit to his son in Arizona, and with a view of removing to that part of the world if it suits.—Grey Review.

On the 29th ult., Mr. John Humber retired for the night, at Mr. W. Kirkpatrick's suffered severely from over fatigue. In the midst of his slumbers he assumed a series of different positions in the vain effort to ease his body, until he finally evolved on the floor, head first and dislocated his collar bone.—Chatsworth News.

A fine herd of 25 fat steers was sold by Mr. D. Murphy the fore part of last week to Mr. P. Kinnear. The drove comprised the finest looking animals that have been shipped from here for some time and were a credit to Mr. Murphy's standing as one of the largest stock raisers in this section. The animals sold for 5c. per pound, yielding Mr. M. the handsome total of \$1,514.—Mt. Forest Rep.

FIRE.—On Saturday night a large frame barn and contents, owned by Mr. McCabe, merchant, of Prievidle, was destroyed by fire, and on Sunday afternoon Mr. Jas. Wilson of Proton, had his barn burned. The building contained all his farm implements and grain. The fire was started by children playing with matches. Mr. McCabe's barn was no doubt set on fire by some evil disposed person.—Shelburne Free Press.

British Columbia seems to be the favorite field for emigration from this section and all who have gone there appear to be doing well. At Nicola Lake, the Moores, R. Scott, M. Cochran, W. G. and J. Lauder, Derby, Jackson and many others have settled. Mr. R. B. Moore, who is now visiting friends in this neighborhood says that the evening before he left home he attended a party at his brother's house at which sixteen former residents of the county of Grey were present.—Grey Review.

Mr. Michael Howey, of Holland, had a narrow escape from serious injury on Monday morning last. While driving from Kilsyth, in company with Mrs. Burchill, his horse became fractious and upset the buggy, throwing the occupants out. Mr. Howey fell with the small of his back on a large stone and was injured about the legs, but he managed to hang on to the horse and although badly crippled managed to occupy his place at the council board the same day. Mrs. Burchill escaped without injury.—Chatsworth News.

TELEGRAPHIC NEWS NOTES.
Great Destruction in Montreal.
MONTREAL, June 8.—One of the Hochelaga stables of the Street Railway Company was destroyed by fire about one o'clock this morning and 184 horses burned. A man seen lurking round the premises was arrested.
A Barn Burnt.
MAXWELL, Ont., June 7.—Yesterday a barn belonging to Mrs. Mary Sproule near the village of Feversham, was destroyed by fire. The building was worth between four and five hundred dollars. Loss partly covered by insurance. The contents, which belonged to J. S. Hudson, consisted of several valuable farm implements. Insured in Dominion Grange Co. Cause of fire not known.
Fired by a Tramp.
PRESQUE ISLE, Ont., June 7.—At six o'clock this morning David McLean's frame barn in Keppel, near Kemble, was discovered on fire, and the wind being very strong nothing could be done to save the barn or stables, which were a total loss. It is supposed they were fired by a tramp, as Mrs. McLean heard some person through the night. Insured in the Sydenham Mutual.
Chesley in Ashes.
CHESLEY, Ont., June 10.—At about 1.15 a. m. yesterday the members of the Chesley Lacrosse club, on returning home from a match at Kincardine, discovered that the premises occupied by James Thompson, furniture dealer, were on fire. The alarm was quickly given, but owing to the presence of a very considerable wind and the absence of any fire protection, in an incredibly short space of time the whole business portion of the village was in flames. Every business house in Chesley save one is burnt, and there was very little of the stocks, comparatively speaking, saved. It was a total sweep, and the losses are numerous.
