NOTE AND COMMENT.

The rival editors of Mitchell have each had the other committed for trial for libel. One funny thing about it is that all the trouble grew out of an article headed "Brotherly Love." Another funny thing is that man trained in newspaper work cannot get all the satisfaction they want out of their own columns without setting a bad example of going to law. No man can be greatly injured in a community where he is well known by any newspaper statement, unless it is true.

The Republican candidate for the position of President of the United States is general Benjamin Harrison of North Bent, Ohio, a grandson of General William Henry Harrison, who was elected President in 1840, and was a soldier and statesman of considerable renown. He is descended from the followers of Oliver Cromwell, one of his grandfathers having participated in the trial of Charles first and having signed the death warrant of that monarch, for which he was afterwards hanged. The President general is a man of considerable ability as a statesman, an elder in the Presbyterian church and a Sunday school teacher. The candidates for the vice-Presidency is Levi P. Morton, who is descended from George Morton, one of the Puritan fathers, and is a son of the late Rev Daniel Morton of Vermont. He is a member of the banking house of Morton, Bliss & Co., of New York.

Standard Correspondence.
 At the last regular meeting of Royal Templars of Temperance in this village the subject of having a delegate from this Lodge at the great Prohibition convention to be held in Montreal this week was discussed when the Rev. J. W. Shilton, M. A., of this village was unanimously elected to press the gains and causes of prohibition at that great convention. The Royals here are to be congratulated on having such a number, so well equipped thoroughly competent to discuss the vital questions of the day for their representation as that found in the person of Rev. Mr. Shilton. He left here for Montreal by the early train on Monday morning last.

The anniversary services of the Presbyterian church here will be conducted in the Presbyterian church next Sabbath. The church session has been fortunate in securing the service of the Rev. W. A. Hunter M. A. of Orangeville who has been called to the pastorate of the late Rev John Smith's church 'Erskine' church Toronto, Mr. Hunter will (D. V.) preach at 11 a. m. and 6:30 p. m.

On the eve of departure from our midst of John Gordon Esq., who has been a very active worker in the cause of Temperance in connection with the Royal Templars here, at the regular meeting of Templars on Tuesday evening last Mr. Gordon was presented with a very kindly worded address and purse in token of esteem and good will of his brothers and sisters here.

Two of our townsmen R. J. Sproule and J. Blackburn attended a gathering of the masonic craft in Owen Sound last week.

Miss Gordon, Miss. Gautin, E. K. Richardson and others of our village took in the excursion on the lake from Owen Sound on Monday last.

Dominion Day passed off quietly but pleasantly in our village. In the evening a very pleasant and enjoyable garden party under the auspices of the Ladies Aid (Methodist) was held on the beautiful grounds surrounding J. W. Armstrong's palatial dwelling, Messrs. Torrington and Aikenhead of Toror entertained the proceedings with selections on piano and violin. There were about 300 people on the grounds and the evening's entertainment was apparently enjoyed by all.

Mr. W. Irwin, our public school principal, is absent this week, having been engaged as examiner at the entrance examination held this week in Durham. In his absence E. K. Richardson will take charge of the school here.

A Positive Cure. A Painless Cure.

FACTS FOR MEN OF ALL AGES.

M. V. LUBON'S SPECIFIC NO. 8, THE GREAT HEALTH REGENERATOR,
 Marvel of Healing, and Kibinor of Medicines,
Cures the terrible consequences of Indiscretion, Exposure and Overwork.

YOUNG, MIDDLE-AGED AND OLD MEN
 Who are broken down from the effects of abuse will find in No. 8 a radical cure for nervous debility, organic weakness, involuntary vital losses, etc.
SYMPTOMS FOR WHICH NO. 8 SHOULD BE USED.—Want of energy, vertigo, want of purpose, listlessness, aversion to society, want of confidence, avoidance of conversation, desire for solitude, listlessness and inability to fix the attention on a particular subject, cowardice, depression of spirits, giddiness, loss of memory, excitability of temper, spermatorrhoea, or loss of the seminal fluid—the result of self-abuse or marital excess—impotency, inattention, emaciation, barrenness, palpitation of the heart, hysteric feelings in females, trembling, melancholy, disturbing dreams, etc., are all symptoms of this terrible habit, oftentimes innocently acquired. In short, the spring of vital force having lost its tension, every function wanes in consequence. Scientific writers and the superintendents of insane asylums unite in ascribing to the effects of self-abuse the great majority of wasted lives which come under their notice. If you are incompetent for the arduous duties of business, incapacitated for the enjoyments of life, No. 8 offers an escape from the effects of early vice. If you are advanced in years, No. 8 will give you full vigor and strength. If you are broken down, physically and morally from early indiscretion, the result of ignorance and folly, send your address and 10 cents in stamps for M. V. LUBON'S Treatise in Book Form on Diseases of Man. Sealed and secure from observation. Address all communications to **M. V. LUBON, 47 Wellington St. E., Toronto.** A Man without wisdom lives in a fool's paradise. **CURES GUARANTEED. HEAL THE SICK.**

IT A WELL KNOWN FACT THAT— McCOLL'S "LARDINE"

is the best known, and most reliable MACHINE OIL in the Dominion: Farmer's, Thresher's and Mill Owner's, will find it decidedly to their advantage to insist upon getting the "Genuine Lardine" when they ask for it, owing to so much inferior oil being sold under the same name by unscrupulous dealers.
