The Largest Horse in the World.
PARIS, Ill., July 5.—John Roll, residing in Redmon, Edgar County, is the owner of a horse that is twenty hauds high, weighs 2500 pounds, and is said to be the largest horse in the world. It is 5 years old, never was off Roll's farm, never had been broken and has never been shod. The blacksmith at Redmon is afraid to shoe the horse.

Railway and Government Property Burned.
SOUTHAMPTON, July 5.—A most disastrous fire occurred here this evening at 8 o'clock, through which about four thousand ties, two cars belonging to the Grand Trunk railway and about one hundred and fifty feet of south landing pier, the property of the Government, was burned. With the greatest difficulty the citizens prevented the fire running up the entire length of the dock and but for the strenuous efforts made the loss would have been many thousands of dollars. The steam barge P. Cress had discharged her cargo of ties just an hour or two before the fire was discovered, at which time everything was safe. At present nothing definite is known as to the origin of the fire.

Attempted Suicide.
MEAFORD, July 6.—Geo. Tomlinson, one of the sureties for the late bailiff, A. Watt, attempted suicide yesterday morning by wading into the river. He was noticed in time and his son went in and brought him out. It is believed his mind has been affected by thinking of his responsibility for the amount of the late bailiff's shortage, and also the loss of money loaned him prior to his departure.

A Shingle Mill Burned at Elba.
CAMILLA, July 7.—The shingle mill of Mr. James Smith, at Elba, was destroyed by fire about three o'clock this morning. How the fire originated is not known. Loss estimated at \$1,000; no insurance.

A Barn Burned.
MAXWELL, Ont., July 9.—The barn belonging to Wm. Hicks, near this village, was destroyed by fire on Saturday night. Value between three and four hundred dollars. Covered by insurance. The cause is supposed to be incendiary.

EXCHANGE CLIPPINGS.
At a meeting of Erskine church congregation, Toronto, on June 27th it was unanimously resolved to call Rev. W. A. Hunter, M. A., of Orangeville, to the pastorate rendered vacant by the death of Rev. John Smith.—Presbyterian Review.

Mr. John McKinnon, of Glenelg lost a steer a week or two ago. The animal was lately found fast in a hole in the rocks near the river. Dear Mr. McKinnon's loss will be about \$30.—Grey Review.

If Dr. Washington, with half a dozen letters tacked to his name, is as poor a physician as he is backward in paying his printer's bill, then may the Lord have mercy on his patients.—Durham Chronicle.

We understand there is a bed of moulding sand near Priceville. Specimens were lately brought to Durham and were pronounced first class by practical men. It would be a good idea to push the supply of sand from that place, as at present most of the sand used is brought from Hamilton, at a serious cost for freight, and a very large section could be supplied much more cheaply.—Grey Review.

COWARDLY ASSAULT.—At Dundalk last Monday night Mr. W. A. Knapp, of Shelburne, was murderously assaulted by a gang of ruffians who knocked him down and kicked and pounded him about the head and face until a couple of women ran from a neighboring house, when the ruffians made off leaving their victim lying in a pool of blood. Mr. Knapp has some bad cuts.—Shelburne Economist.

Mr. James Stitt of Toronto has purchased his grandson in Euphrasia, son of Mr. Stitt in that township, a fine \$9,000 farm. This is the kind of men for the country. Mr. Stitt wants to see what becomes of his wealth.—Thornbury Standard.

The extreme drought of the past three weeks has well nigh ruined the crop prospects in the immediate neighborhood of Meaford. Plums and small fruits, which promised well early in the season, are beginning to fall, and the crop, though still a fair average one, will not be as large as was anticipated. Should the drought continue another week the grain crop will to a very extent be past benefit by rain. The hay is now being harvested, and is the lightest for some years. Sections south and east of here have been well supplied with rains when most needed and the crops are promising well.—Meaford Mirror.

Base Ball Match.
A base ball match between Markdale and Bantyre clubs was played on the grounds of the latter on Wednesday, 4th July, and resulted in an easy victory for Markdale. The game did not commence until 4 o'clock in the afternoon on account of some of the Markdale boys having to wait until they were too tired to play until the aforesaid time. The Markdale team, as usual, did some excellent catching, picking up the bat and making a home run in first innings, after that he played very careless. R. L. Stephen, the captain, was not up to his usual high work somehow—some serious matter probably affecting his nerves—he did not make one run during the nine innings. He had to head the pitching over to William Stinson to take a chair out in the hay field. Stinson is a whale to pitch; his curves equal to Crane's. The rest of the boys done fairly well, especially Robt. Benson and Wm. McFarland, they caught six difficult fly balls in succession. The general captain of the Bantyre team, Mr. A. Patterson, did some striking. A feature of the game was the excellent playing of Mr. Quinn on 2nd base for the Bantyre team. Thos. Coleman caught a red hot fly 2nd innings which was loudly praised by the spectators. Owing to the grounds for playing in, the score was very high, Markdale scoring 22 runs and Bantyre 15. After the match the boys all proceeded down to Misses Bailey's, who had an excellent spread ready.

One very remarkable and unaccountable performance took place. Our boys when coming home, were followed by a mule, and it was unanimously decided that his madness was after a whale catcher to try and get him stop for the dance, there being a party there that evening. Prior to this the ward had expressed a wish to stop.

Editor Standard.
DEAR SIR.—As no notice has been taken of the proposition I made in your paper relative to a prize trophy and judging by the way the owner "Just in Time" is airing himself conclude he is on his mettle. Leave the registry matter in Mr. Wright's hands from whom Mr. Bestie may hear soon enough, I will make no propositions. It seems the owner of this muchly registered Canadian horse, "Just in Time," has been anxious to bring him into competition in Lord Derby. He was gratified to a small extent last spring at the show here where I don't think Lord Derby had much of a task to get along with him. However, as after he said, it is as stock getters these days are valuable, or otherwise I would to see their merits fully tested, and so I will put up \$25 that I will show a better spring colt of 1898 Lord Derby than the owner of Just in Time can show from his horse; I will put up the same amount that I will show ten better spring colts than he can show from Just in Time. As it is something as I said that the horses are not sure foal-getters, I will also put up \$25 that Lord Derby will show four thousand dollars worth of more colts—two to one—that Just in Time did. Now, the reason I will like to see this matter fully tested is this, some people (and especially the owner of Just in Time) is of the opinion that a man can put up a couple of hundred dollars in his pocket and buy a Canadian bred horse and by importing and putting try to make him an import horse. I can't say that I like to see this matter fully tested, but this some people (and especially the owner of Just in Time) is of the opinion that a man can put up a couple of hundred dollars in his pocket and by importing and putting try to make him an import horse.
