 mentary expression from the Way-
 nesville (Ohio) News, of a recent date:
 Mr. W. H. Dodson, who has been
 here on a visit to his uncle, Mayor
 Dodson, returned this week to his
 home at Rocklyn, Ontario. Mr. Dod-
 son is a superior young gentleman,
 genial, intelligent, well-informed, a
 fine conversationalist, and evidently a
 man of excellent business capacity.
 He made a friend of every one he met,
 and all were loath to see him depart.
 We were sorry Waynesville could not
 offer sufficient inducement to retain
 him here. Thanks, very much, for
 your good intentions, Mr. News, but
 Rocklyn would be no more Rocklyn
 were our own W. H. to take his de-
 parture. Mr. Dodson is on his way
 home now, and may be looked for any
 day.—Meaford Mirror.

 McIntyre, County Grey, Aug. 13th.
EDITOR STANDARD:
 SIR.—A public meeting in compliance with a
 requisition to Mr. Hector McDonald, President
 of the Farmers' Council at McIntyre, Osprey
 township, was held here on Wednesday evening,
 Aug. 8th, when a Farmers' and People's Institute
 was successfully organized, with Mr. Edward
 Potts, President; John McKinnon and Allan Mc-
 Lean, Vice-Presidents; Samuel Scott, Treasurer;
 Hector D. McDonald, Secretary; D. C. McIntyre,
 Captain; Duncan McIntyre, Lieutenant. A Finance
 Council of five, with an Executive Council
 of twelve and two Auditors were also elected
 making 26 officers of this Institute for No. 2 S. S.
 of Osprey.
 Several speakers took part in discussing as to
 the propriety of Petitioning County and Muni-
 cipal Council Boards together with the Dominion
 and Provincial Governments to unitedly work so
 as to establish a uniform method of Public
 Weighing at grain market places or where grain
 is sold and weighed at all railway buying stations
 as that alleged such, with a system of monthly
 public fairs, for sale and purchase or exchange
 of cattle, horses and sheep and an economical
 method of market-like accommodation to admit
 of farmers receiving cash payments instead of
 truck-trade for butter, eggs, poultry, fruit, pota-
 toes, etc., if public-like established throughout
 market places where necessary in the several
 Counties of Ontario and other Provinces of the
 Dominion of Canada, certain progressive advan-
 tages must result to immensely prosper agricul-
 turists and almost all other citizens, as claimed
 for in a petition presented by Wm. Lynn, Esq.,
 Deputy-Reeve of Sunnidale, to County Simcoe
 Council, whose committee reports thereon at
 their next session in November. That it was also
 contended as very few farmers had votes or a
 voice in the villages, towns or cities where mar-
 kets are usually run to the detriment sometimes
 of farmers and most other citizens, it therefore
 became the interests of agriculturists with vil-
 lage and town citizens to unite as co-workers in
 making Farmers' and People's Institutes as aux-
 iliary college-educating institutions in all market
 towns or school sections as thus through union
 of action to bring influence to bear upon certain
 monopoly-buyers and upon Boards of Trade,
 Municipal and County Council Boards with our
 respective Governments, not only said public
 weighing markets, but also many other public
 benefits must soon be forthcoming by securing
 legitimate relief from ring monopolists of our
 produce and other markets.
 Among other business transacted the Institute
 in session unanimously passed the following
 Resolutions:—
 That monthly public fairs be held at McIntyre
 Corners, and that the first cattle, horse and sheep
 selling fair shall be held in October next on same
 day as that on which the township annual show
 fair is to be held in McIntyre.
 That this Institute also recommends the adop-
 tion of public selling fairs for the sale and pur-
 chase or exchange of cattle, horses and sheep
 where and when all township fall and spring
 show fairs are to be held in this way to be
 united by Directors publishing said selling fairs
 in posters of forthcoming show fairs must prove
 practically beneficial to agriculturists.
 That this Institute also respectfully recom-
 mends the general adoption of Petitions to Coun-
 ty and Municipal Councils and Governments so
 as to secure the early adoption of said public
 weighing markets and public monthly fairs as
 directly in the public interests of agriculturists
 and citizens generally of Canada and other
 countries.
 That the public press may also be pleased to
 publish this and future reports of said Farmers'
 and People's Institute meetings, and that news-
 papers generally may copy and otherwise advo-
 cate for or against the objects indicated.

FACTS FOR MEN OF ALL AGES.
DISEASES OF MAN.
M. V. LUBON'S SPECIFIC NO. 8,
THE GREAT HEALTH REVEALER,
 Marvel of Healing, and Kolmogor of Medicines.
Cures the terrible consequences of Indigestion,
 Exposure and Overwork.
YOUNG, MIDDLE-AGED AND OLD MEN
 Who are broken down from the effects of abuse will find in No. 8 a radical cure for nervous
 debility, organic weakness, involuntary vital losses, etc.
SYMPTOMS FOR WHICH NO. 8 SHOULD BE USED.—Want of energy, vertigo, want of purpose,
 dimness of sight, aversion to society, want of confidence, avoidance of conversation
 desire for solitude, listlessness and inability to fix the attention on a particular subject,
 cowardice, depression of spirits, giddiness, loss of memory, excitability of temper, sperm-
 atorrhoea, or loss of the seminal fluid—the result of self-abuse or marital excess—impot-
 ency, immitation, emaciation, barrenness, palpitation of the heart, hysteric feeling; in
 females, trembling, melancholy, disturbing dreams, etc., are all symptoms of this terrible
 habit, oftentimes innocently acquired. In short, the spring of vital force having lost its
 tension, every function wanes in consequence. Scientific writers and the superintendents
 of insane asylums unite in ascribing to the effects of self-abuse the great majority of
 wasted lives which come under their notice. If you are incompetent for the arduous
 duties of business, incapacitated for the enjoyments of life, No. 8 offers an escape from
 the effects of early vice. If you are advanced in years, No. 8 will give you full vigor and
 strength. If you are broken down, physically and morally from early indiscretion, the
 result of ignorance and folly, send your address and 10 cents in stamps for M. V. Lubon's
 Treatise in Book Form on Diseases of Man. Sealed and secure from observation.
 Address all communications to M. V. LUBON, 47 Wellington St. E., Toronto.
 A Man without wisdom lives in a fool's paradise. CURES GUARANTEED. HEAL THE SICK.
