C. W. Rutledge, Proprietor. MARKDALE, OCT. 25, 1888.

NOTE AND COMMENT.

The Canadian Pacific have reduced its rate on grain from Winnipeg. Snow lies deeper in Northern Minnesota than it has done at this season for six years. General Laurie, Conservative, was elected in Shelburne, N. S., on Monday, by a majority of 45. Brandford carried by-laws on Monday to raise \$145,000 for water-works and drill shed purposes. The Chesley Enterprise says the Chesley creamery is a grand success, and urges strongly, in a well written article, the general establishment of creameries as a means of increasing the profits of farming and at the same time decreasing very materially the lavishness connected with dairying. A contract has been entered between the Imperial Government and the Canadian Pacific Railway whereby the latter will receive an annual subsidy of £45,000 for a monthly steamship service between Vancouver and Tokohama and Hong Kong. The Dominion Government will supplement the above subsidy by £15,000. Another step toward the solution of the question of College Federation has been taken through a vote in its favor by the Board of Regents of Victoria University and the members of the Methodist General Conference Advisory Board. The Methodists with their accustomed liberality have subscribed nearly \$200,000 toward the erection of the proposed new buildings. It is probable that the erection of the Methodist University in the Queen's Park in Toronto will be commenced next Spring.

Flesherton.

Standard Correspondence.

Joseph McConnell, Esq., butcher in this village, who has been very low with bilious fever, is now slowly recovering again. Mr. T. A. Blakley, who formerly resided in this village, is again to return from the town of Maxwell and intends making this his head quarters while engaged as travelling agent. A. R. Fawcett, Esq., late editor of the Advance, spent a few days of last week and Sabbath last in this village. Friend Fawcett has a warm spot in his heart for Flesherton yet; and his many friends were again glad to greet him and look again into his happy face. Mr. Fawcett occupied his old position beside the leader of the choir in the Methodist church on Sabbath, morning and evening services. PRESENTATION AND ADDRESS.—The choir of the Presbyterian church here having learned that their organist, Miss E. Damude, was about to enjoy a holiday and would be absent for some time, thought the occasion a fitting one to present her, (she who has labored so faithfully among them) with some slight token of esteem and good will, and expression was given to their appreciation of her kind help and services on Friday evening last as they met for practice. Mr. J. G. Russell, leader of the choir, read a very appropriate address, and Miss Van Dusen, assistant organist, presented Miss Damude with a very handsome floral album. Miss Damude was genuinely surprised. In reply her words were well chosen, thanking the kind donors for their appreciated memorial, expressing the pleasure afforded her by her efforts in the past and her willingness so to work for time to come. Rev. R. G. Anderson, recently from Fyfe, Scotland, occupied the pulpit in the Presbyterian church Sabbath last. Mr. Anderson is a fluent speaker and a promising young man in the ministry. The South Grey Teachers' Convention is to be held in this village Thursday and Friday of this week. On Thursday evening Dr. McClelland, of Toronto, will deliver one of his popular lectures in the Town Hall. This, no doubt, will be the treat of the season in that line. Once having heard the Dr. is a guarantee that an extra effort will be put forth to hear him again when ever opportunity offers. The Flesherton Quartette has a' to been invited to take part in the entertainment that evening.

District Doings.

100 pupils attend Flesherton public school. Durham denisons are agitating for fire protection. The Woodbridge News has suspended publication. Beechnuts are a good crop, denoting a steady winter. The Creemore Advertiser has been writing up the town. Dr. Scott has purchased the practice of Dr. Kerr at Maxwell. Seth Mathers of Euphrasia is studying for Veterinary Surgeon. Hon. Edward Blake is sojourning in the Northwest for a short time. The Orangeville Advertiser editor has a second libel suit on his hands. Farm property rent for \$6 an acre, paid in advance, near Pickering village. Mrs. Beecroft, of Flesherton, took ten prizes at Collingwood show for flowers. Pavement timber is being shipped from Corbetton via Owen Sound to Chicago. Sullivan council is having trouble with their late treasurer, Mr. James Beatty. South Grey Teachers meet at Flesherton to-day and to-morrow, Thursday and Friday. The fine new Presbyterian church at Georgetown was formally opened last Sunday. Stratford is badly rattled just now, nearly every body in the town having a pair of bones. Parkdale will vote upon the question of annexing with Toronto on Saturday, 27th. The City Hotel, Owen Sound, is being pulled down to make room for a better building. Wm. Jelly is putting a new sixty-two horse power boiler in his roller mill at Shelburne. In the Brussels libel suit, Grant v. Jenkins, the jury at Goderich returned a verdict for the plaintiff for \$1 damages. Mr. James Longhead of Euphrasia, has been appointed postmaster for Erskine in place of Mr. McKeen resigned. J. McLaughlan, of Owen Sound, shipped last week 250 barrels apples to the "Soo" and has orders for 1,000 barrels more. The C. P. R. boats are weekly heavily laden with Manitoba wheat from Fort William to Owen Sound, and will continue thus to close of navigation. Mr. and Mrs. D. K. Preston, of Maxwell, have been visiting their old home, Newboro, Leeds Co., and returned recently. John Gilkenson has been "gettin thar" with his Stallion, Defiance, having taken first in Stallion trot at Brampton and Orangeville recently. The Owen Sound Times is much improved under the new management and now appears in the popular eight-page form. Success friend Rutherford. Sad havoc is being made among the sheep folds through the country by dogs. Better destroy the dogs first than to be compelled to shoot them after the damage is done. The Mt. Forest Rep. says: The excellence of late pastures is such that cattle that two months ago had a thin, lean, half-starved look are now fat, sleek, and in good heart for the winter. Nearly all the Owen Sound stores closed for about three hours one day last week to allow their employees an opportunity to attend the meetings now being conducted by Rev. F. Shivera, the evangelist, of New York. The Grey Review says—There was a dance out at Allan Park one night recently and a fiddler at the dance, and also some of the beverage which cheers, etc. Result—Some second hand suppers lying around in the grey hours of the morning. The body of a middle-aged man, by the name of Wm. Turcotte, was last Monday found dead in the bay at Bay View, near Owen Sound. Turcotte, it appears, was a passenger on the Athabasca on the 18th Sept., and that he was deranged. On Thursday morning last fire broke out in the carriage works of I. J. Fisher & Co., Kincardine. The fire was got under control but Myra Fisher, son of Mr. John Fisher, while making his way to the office was suffocated by the smoke and was found dead. The young man leaves a wife and three children.

ROYAL BAKING POWDER Absolutely Pure. This powder never varies. A marvel for purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitude of low cost, short weight alum or phosphate powders sold only in cans.
