ness—of course the latter must follow
the former. Read his new epistle this
week.

W. A. BROWN is to the fore with his

ARD readers.

undersigned will sell by public auction
at her premises, Markdale, all her house-
hold furniture and effects, commencing
at 2 o'clock. Miss Burch.

SLEIGHING is preferable to wheeling
this season of the year; we have noticed
even the wheels on some loaded wagons
passing our office this week which re-
fused to go round, preferring to slide.

FOUND! on the road between McNe's
factory and the elevators on Sunday
last a bunch of keys—five in all. The

JOHN H. DUNDAS having returned

and Art School, of Toronto, is now pre-
pared to give instructions in music,
painting, crayon and pencil drawing;
pupils solicited.

An entertainment will be held in what
is known as "70 school house," on Fri-

After two weeks very successful
meetings Rev. Mr. Hosking closed his
New England special services last week.
Close to twenty were added to the
church, and the membership greatly
enriched and profited. Rev. I. J.
Smith, of Cedarville gave valuable as-
sistance, and the services would have
been continued longer had the pastor
possessed the required bodily strength.

On Friday, December 7th, at one
o'clock, J. W. Shepherdson, auctioneer,
will sell by public auction on lot 25, con-
10, Euphrasia, a large quantity of
horses, cattle, sheep, pigs, implements
and other articles. Usual credit sale
terms.

MR. ROBT. CLARKE, Holland, has sold
his farm and decided to retire. By in-
dustry and integrity he has saved a
competency and will move to the village
of Holland Centre next spring there to
enjoy the just deserts of well-earned
savings.

J. H. ANDERSON, tax collector for
ward No. 2, Artemesia, will be at the
Markdale House, Markdale on Saturday
Dec. 1st and Saturday 8th, for the pur-
pose of receiving taxes. All parties who
have not paid taxes will kindly bear this
in mind.

MR. B. H. TOWNSEND, editor and pro-
prietor of the Grey Review, has taken
unto himself a partner "for better for
worse" in the person of Miss Flora Mc-
Dougall of Durham. We wish the couple
happy and prosperous voyage over the
sea of life.

THE Toronto Weekly News controls
in Canada the etching of "Christ before
Pilate," 18 in x 21 in., a fac-simile of
the famous painting by the Hungarian
artist, Muskacsy, which has won him
world-wide fame. The etching is a deli-
cate piece of art work and would add
value to any collection.

THE Meaford Mirror and Hanover
Post, in making reference to an item in
the STANDARD of three weeks ago, are
in doubt which to admire most "the
English of the editor or the pluck of the
youth." If they will put on their spex
and read it again perhaps they may see
"the point" which has escaped their
perception.

MUNICIPAL matters in Holland town-
ship are assuming a definite aspect.
Mr. Wm. Norton and Mr. M. Howey are
candidates for Reeve. Dr. Oldham has
sickened of municipal politics and will
not seek re-election. Messrs. Shute and
Galbraith are in the field for deputy-
reeve, which will leave room for new
blood in the council ranks. Mr. W. J.
Shepherdson is likely to be one of the
new board.

CHANGE IN BUSINESS.—Mr. Joseph
McCullough, late of Meaford, has pur-
chased the pump business from J. T.
Quinn, of Markdale, and is now in pos-
session. Mr. Mc. is, we understand, a
thorough practical pump maker, having
had considerable experience and is now
prepared to meet the wants of the com-
munity in his line. He warrants his
pumps five years, which is an evidence
that he understands his business. We
bespeak for him a prosperous business
and wish him success.

A HANDSOME brick church has been
erected by the Presbyterians of Chats-
worth which will be formally opened on
Sunday, the 9th December. Principal
Caven, of Knox College, Toronto, will
preach morning and evening. A social
will be held the following evening at
which Rev. Mr. Somerville, of Owen
Sound, will give a lecture on his recent
trip on the Continent. The following
Sunday Rev. Mr. Waites, of Owen Sound,
will preach in the morning and Rev.
Mr. McInnis of Blantyre, in the evening.

GLENELO.—Municipal matters in Glen-
elg township are assuming a practical
shape for the coming election, and, since
a very important change has been made
in the status and geography of the
municipality, the completion of the new
council may be materially changed. Mr.
Chas. Moffat, the energetic and faithful
head of the present council, will seek
re-election to that responsible and hon-
orable position, and we have not heard
of any opposition to him. Mr. James
Skeone is leaving the township and will
not be a candidate, as was expected.
For deputy, the names of John A. Mc-
Millan, Jas. Staples and Geo. Lamb are
mentioned, while the following are said
to be in the field for councillors, viz.:
S. Boyce, Thos. Sullivan, Chas. Wil-
liams, P. Neil, Joseph Smith, Jr., Alex-
ander and J. A. Black.

THE Amendment in the municipal act
which came into force on the first of
August, 1888, to the effect that on the
15th day of December, Councils of mun-
icipalities shall meet and immediately
thereafter publish a detailed statement
of receipts and expenditure, statements
of assets, liabilities and uncollected
taxes, is intended to let the ratepayers
know prior to nomination day how the
money of the municipality has been ex-
pended. This amendment will greatly
assist the discussions which usually take
place on Nomination Day, when the
speaker who can ask his opponent the
most puzzling questions and make the
most forcible speech, generally wins the
day. Voters will be assisted by the
amendment which will throw light on
the financial standing of the munici-
pality.

CLOSE CALL.—On Sunday morning last,
while the Rev. Mr. Buggin stood in his
pulpit, and just after announcing his
text, he was suddenly seized with a
sharp pain in his head; he excused him-
self and sat down, asking the choir to
sing a piece, thinking it would soon pass
away. The services of Dr. McBride—
who was in the congregation—were called
for and the preacher soon revived
sufficiently to go home to the parsonage,
when the congregation was dismissed.
The doctor pronounced it a slight stroke
of apoplexy caused from over mental
exertion, and says he must cease preach-
ing oftener than twice on Sunday and
strongly recommends him to retire
from active work altogether. He is now
apparently not much the worse and
says he felt unusually well that morning
up to the moment he was seized by the
pain.

THE Bible Society meeting was held
in the Presbyterian church as announced
on Monday evening and was addressed
by Rev. Mr. Moorehouse, Agent of the
Society, who gave a very interesting
account of the origin and growth of the
Society. This branch was again re-
organized under the name of the Mark-
dale Branch of the Upper Canada Bible
Society, with the following officers:—
President, Rev. Mr. Graham; Vice-
Presidents, the resident ministers of the
village; Secretary, Thos. Moffat; Treas-
urer, B. Coleman; Repository, Mr. Wm.
Brown. Committee—G. S. Bowes, J.
W. Ford, John Cairar, W. A. Brown,
Thomas Boland, John Lyons, C. W.
Rutledge, Andrew McFarland, John L.
Moffat and R. D. Bigger, with power to
add to their number. Collectors—Vil-
lage, Miss Ford and Miss Moffat; for the
North, Miss Lackey, Berkeley; East,
Miss Kells; South, Miss Cunningham
and Miss Ada Wright; West, Miss Byers
and Miss McKee.
