MARKDALE CHEESE FACTORY.

The annual meeting of the mmberes of this Association was held in Markdale on the 17th December. The management was apparently satisfactory to all the members, as also the results of the operations of the year just closed, the average return per lb. being a little over half a cent over that of last year.

One fact is very evident, viz: Those who give the factory the most generous patronage are those who are best pleased with the system. It is not too soon to commence making calculations for the coming season. The cheese factory is long enough established to convince every farmer within reach of it that it is the best and most profitable system for the dairy available. If all who live within the bounds of the territory reached by milk wagons were to give the factory a generous support, all interested would find the profits materially increased, simply because the additional output of the factory would be without additional expense, or nearly so, and besides, there are often chances of making a sale of a large lot and at a higher figure than when only a small lot can be had; this has been repeatedly the case in the past to the regret and loss of patrons of Markdale cheese factory. As grain farming is so uncertain and unprofitable our neighbors would do well to give this matter their careful consideration during the winter months.

Markdale factory made, the past season, 59,668 lbs. of cheese from 628,922 lbs. milk supplied, The cheese was sold for $5,479.88.

The officers and directors appointed for next year, are:—Thos. Elliott, President; D.R. Ellis, Vice-President; H. D. Irwin, Secretary; Edward Rutledge and Henry Hamilton, Auditors. The directors on routes are—

For No. 1, Wm. McLoughry and David Foster.

For No. 2, Edward Rutledge and Thos. Hill.

For No. 3, Shephard Boyce and Hugh McKee.

For No. 4, Joseph Richardson and James Walker.

Standard Correspondence.

Rev. David Holman, of Chicago, son of P. Holman, of this village, preached in the Baptist church here Sabbath morning last.

Rev. Dr. Burns preached in the Methodist church in the evening.

On Christmas eve. a pleasant gathering assembled at the residence of John Bellamy, Esq., of this place, when his eldest daughter, Allie, was wedded to Mr. J. Patton, of Proton. Rev. J. W. Shilton performed the ceremony. The happy young couple have the best wishes of many friends for their prosperity and happiness through life.

Mr. J. Alexander, of Owen Sound Collegiate Institute, is this week the guest of M. Richardson.

G. Holman, Esq., of the Streetsville Review, is enjoying his holidays with his parents here.

Mrs. W. Wright, of this yillage, left a few days ago with her little daughter to pay a visit to members of her family in New York, Chicago and Detroit.

Mr. N. VanDusen, of Chicago, who paid his brother and father a visit here on Christmas, returned home again on Thursday last. Frank VanDusen, who has been in the employ of J. G. Russell, jeweller, for some time, accompanied his uncle and intends entering upon his trade in the great western city.

The annual School meeting of this section, held in the school house here, was so exceedingly well attended as to manifest a deep interest in school matters by the ratepayers of this section. M. Richardson, Esq., was voted to the chair. The meeting was harmonious and pleasant. Several items of business interestingly discussed. Mr. S. Damude, after a servitude of 12 years as Trustee, retired from the board. Isaac Sinclair, Esq., was elected to fill the vacancy, Mr. Damude refusing nomination again. Jos. Blackburn was elected ratepayers' auditor.

The Presbyterian friends of this place were not favored with snow or good roads to encourage people to turn out to their S. S. anniversary on Christmas evening, but withal it was a success. The church was very well filled, and the programme was good. The little folk almost all did their parts well. The Cantata by the school was very well rendered. Decorations of garlands and mottos were nicely hung in the church and the Christmas tree well covered with gifts. looked very pretty, all of which were distributed among the young folk at the close of the entertainment.

Not for many years has the pulse of this township beat so high nor the clamor for municipal honors so loud and strong as on nomination day (last Monday). The members of the old council all appeared but one for re-election, and gave a very good account of themselves and their conduct for the past year; but a number of others who think themselves equally as competent, seek the honors now. For Reeve, Dr. Christoe is again in the field and an old and well tried war horse there now. He may (?) be closely enough followed by the wolf in chase to feel his breath before they reach the goal, for Thorpe Wright, also a worthy man, is in the field. The Dr. had tendered his resignation and after a very successful reign of 15 years would have quietly retired but for some fruitless letters which appeared in the Advance by Patrick a few weeks ago anent the Dr. After the Dr.'s long and good service, coming again before the ratepayers it leaves Mr. Wright with perhaps hardly a fair competitor. For Councillors—In ward No. 1 John Boland was returned by acclamation. In all their numbers not a man had courage enough to strive with John. In ward No. 2, John McArthur returned, for 7 spears must now spike his soles for a run with Michael Rielly. In ward No. 3 W. Sharp, a young man rather slow of speech but with a level head, had to meet the eloquence of an Irishman and the cany cracks and poetry of a Scotchman, for E. J. Sproule and Thos. Grainger, Esqs., are in the field. In ward No. 4 four new men are in the race, viz., Geo. Thompson, jr., W. T. McKee. W. J. Hoskin and S. Pedlar, sr., and they are all sure of getting there.
