Meaford Road.
Standard Correspondence.
The annual school meeting was fairly well attended. A vote of those present was taken authorizing the Trustees to sell the dwelling house on the school grounds. Mr. R. Buchanan was elected Trustee.
A debating club has been organized here: meeting every Friday evening at 7 o'clock.
School commenced, for the year 1890, on Monday last with Miss Ettie Ford again as teacher.
Mr. S. Buchanan, of Oregon, is here visiting friends. His visit this time is of an interesting character, the little god with the bow and arrow having had a hand in it, as he has taken one of Ontario's fair ones as a life partner, for weal or woe, in the person of Miss Hanson, sister of Mr. James Hanson, Veterinary Surgeon, of Toronto. Success, Samuel

Walter's Falls.
Standard Correspondence.
"Epistolatum Commercum."
The festive season is now over and every one has resumed the duties which were laid aside during the term of holidays, and seems to be striving to make up for lost time.
Mr. Albert Walter has been engaged to teach in S. S. No. 17, Euphrasia. We wish him much success.
The annual school meeting was held in the school house on Thursday the 26th inst.; everything came off satisfactory: Mr. J. Delere was appointed trustee in place of Mr. Henry Bonnell.
The Central Agricultural Society held its annual meeting in the Odd-fellows hall on the afternoon of Friday, the 3rd inst. The books showed that the past year has been one of great success, and notwithstanding the enormous expense of fencing and fitting up the grounds during the year just closed, the society is still in a position to take steps to make the show of this year a greater success than ever. The former officers were re-elected except two W. Wilson taking the place of D. Smith and R. McLaughlin the place of W. Norton in the directorate for Euphrasia and Holland respectively.

Flesherton.
Standard Correspondence.
Master George Bates of this village received a severe kick from a horse a few days ago which broke some of the small bones in his hand.
The municipal elections were quite interesting here on Monday last. The Reeveship was keenly contested, both candidates being sure of victory. The result of the poll placed Dr. Christoe again in the Reeve's chair with a majority of 120, increasing his majority 20 over the Elliot and Christoe contest. Mr. Wright at this time did not seek the office; by the persuasion of his many friends he offered himself as their candidate, and had he been elected would make a good Reeve. He polled a very good vote. In Eugenia ward George Thompson, jr., a young man, defeated his opponent, Mr. S. Pedlar, with a good majority. In Flesherton ward, T. Granger, R. J. Sproule and W. Sharp were contestants. Sharp was re-elected by a large majority. Thus the old council is returned with one new member, G. Thompson to take the chair vacated by H. Cairns, Esq.
Owing to the very inclement weather on New Year night the Methodist Sabbath School anniversary was not an entire success. A large quantity of provisions was left over. A social was announced for on Monday evening last. The literary part of the entertainment on New Year evening was very good. A Cantata, given by a number of young people, was very nicely rendered and was repeated on Monday evening in addition. Short addresses were also given by Prof. Mills, of Guelph, and Mr. Race, of Mitchell. The evening's entertainment was very enjoyable.
