According to the Deloraine, Ila Weekly Times the Turtle Mountain coal mine is now being workel good results, there being no longer in doubt as to the quantity of the pocoal, and burns well. Experts some time ago expressel the opinion in there was a vast field of this culp the region of the mine, and if this be so the fuel question in Manitoba will no longer be a troublesome one.

For the Farmert Benefit

TEN THOUSAND BUSHELS OF TWO-BOVED BARLEY ORDERED,

OTTAWA, Feb. 9,-The order has now been fordwarded for the two rowed barley, which the Government is to import for seed for farmers dethat they could find an echo in every to the English market. Ten thous will arrive about the middle of March. They will be distributed in two-bushel lots, and each farmer sowing this quantity will have from it all the seed

> Experiments with an improved variety of oats have been made by direction of Professor Saunders of the Experimental Farm in various parts of the country with very satisfactory results, and a recommendation to farmers to substitute the new vanety is likely to be made shortly.

Hon. John Macdonald.

In the death of Senator Macdonald Toronto has lost her most representative business man. and this City of constantly Churches her humblest and most a tive Christian. In a business sense le was a self-made man, of large and bur business broad ideas, one who set great store on commercial integrity. As a Chris and social in tian his practice exceeded his profe sion, and in charity and philanthrop his deeds spoke more than his words ant and mnt He was a sterling Highlander of plan manner, direct speech and shrewdinstinct, and his name will long ber membered in Toronto and throughout Canada. - [Toronto World.

To the Priends of Markdale Mechanic Institute.

Editor Standard.

We take great pleasure in present ing to you a few facts relative to the working of our Mechanics' Institute.

It has now been about two yes in existence, and when we compare the circulation of books with che neighboring Institutes, we feel justing in stating that it is a complete success and may now be regarded as an estalished institution of Markdale; the to the liberality of our friends and or Provincial Government Grants.

The number of books issued is year is nearly 2,000, an incress? 100 per cent. over the year before. Below you will find the number

sued by other Institutes for the par 1887, which is the nearest government report to hand:

Collingwood,... 1044 out of a Library d Meaford, 1588 Orangeville.... 1309 Owen Sound. 8112 Shelburne 589 Durham 1693

a Library of only 400 vols. Your land watches warranted see at a glance we have got shear atches in stock. glance that we are very nearly me out of books, so we trust that it comes round it will be responded promptly and with liberality.

In regard to the amount of Fight

read, we can't tell exactly until annual Report is made out, but it

The amount of fiction read in two-thirds to three-quarters the number of volumes issued. In regard to the benefits to ke

rived from our Institute and Resident Room we will take up this questing T'. L. MOFFAT, JE., St. some future time.
