MARKDALE, JUNE 5, 1890.

THE ELECTIONS.

To-day the ballot is being cast all over Ontario, and by noon to-morrow, the result will be generally known throughout the province. The fight has been of short duration, yet thoroughly in earnest. Both political parties have been endeavoring to ride the Equal Rights horse, while the Equal Rights Party have quite a number of candidates in the contest independent of both Parties. It is hoped that the Third Party may show their strength sufficiently in the campaign to be a balance of power no matter which political party is elected to power. It will not require a large representation in parliament to do this, but that the two old parties may be given to understand the power which is behind.

NOTE AND COMMENT.

—Paul Peel, son of R. Peel, London, Ont., has been awarded the gold medal of the Salon at Paris for especial excellence in painting, thus becoming the most famous painter in Europe.

—Crop prospects in Manitoba are, according to the latest despatches, magnificent so far. The acreage sown is large and the wheat plants though not rank are strong and healthy, are thick enough and are evenly distributed. It is too early to admit of much confidence being founded upon present prospects, and there is a gauntlet of possible evils to be run; droughts and too much rain, gophers and early frosts are all dangers ahead, but a good beginning is encouraging.

Editor Standard:

DEAR SIR,—The roads approaching Markdale are in a bad state this spring, except the one from the west, reconstructed by the village council last year. There is no good reason for such a state of things. The soil for road purposes is the best in the world, plenty of good gravel near by may be had, therefore what excuse have the pathmasters other than carelessness and inattention. Why do they not apply business principles to the repairing and grading of roads and do the work the same as they would on their own farms *i. e.* what they do, make it a point to do well. If the pathmasters would make it a point to thoroughly build a certain number of rods of road each year, inside of five years the system would have extended itself over the whole beat and they would have a first-class road instead of the abominations which now exist. The result would be the establishment of good roads, and then they could be kept in good repair by a small yearly outlay, thus in the end saving the farmers many dollars. Pathmasters, think of this and some, yes all of you try it.

Dr. Barr, of Shelburne, is the Conservative candidate for Dufferin for the Legislative Assembly.

Mirror—Mrs. S. J. Halbert, of Markdale, has been visiting this week at her father's, Mr. John Shields of this town.

Mr. W. H. Hunter planted on his farm adjoining Orangeville 1220 trees last year and 2000 this; mostly all maple trees.

The Annual Convention of Diciples of Christ for the Province of Ontario will be held in Owen Sound from June 6 to 10.

Galt is to have a grand Summer Carnival and Band Tournament on the 12th and 13th June. Fare from Orangeville and return \$1.60.

The thieves who burglarized the store of R. Trimble, Flesherton, a few weeks ago are the same parties mentioned in the STANDARD last week as being safely housed in Barrie jail. They committed several other robberies and will now have to answer for their misdeeds.

ANOTHER WHITE DEER SEEN.—Mr. Bellrose of Tobermory who gave us a call on Monday last, says he saw another white deer, exactly similar to the one killed by some shanty men in the same locality some two years ago. He says it was as white as the driven snow, except the head and neck which were black. This would certainly be a valuable animal if caught, as it is undoubtedly a phenomena.—Warton Echo.

A SUGGESTION.—An exchange makes the suggestion, by way of a reminder to its subscribers, that for those who want to remit small sums post-office orders for amounts up to \$4 may be obtained for two cents; and when such an order is obtained registration of letters, which costs the absurd sum of five cents, is unnecessary. It is well to bear this in mind and save three cents when you can. If any subscriber wishes to send us four dollars he can do so for five cents.

At an early hour last Tuesday morning, Mr. James Lauder, one of the old pioneers of Glenelg, died after a long and lingering illness. The deceased was a native of the parish of Bencastle, in the county of Cumberland, England. He came to Canada with his father (the late Thomas Dixon Lauder) in 1851. The first few years of his Canadian life were spent in the lower counties. About 1860 he moved to Glenelg and located on lot 12, on the fifth concession, which by years of hard labor he made one of the finest farms in the township. The deceased leaves a widow and a family of six sons and four daughters, of whom five sons and one daughter now live in the United States. The deceased was a man of the strictest integrity, honored and respected by a large circle of friends and acquaintances.—Durham Chronicle.

The following resolution was passed unanimously by a joint meeting of the Quarterly Official and Trustee Boards of the Markdale Methodist Church held on the 29th May, 1890:

That this meeting place upon record an expression of its high appreciation of the moral character and consistent christian life of our deceased brother, the late John Hamilton, who has been a member of the Methodist church in this place nearly forty years, the greater portion of which he was a valued member of these Boards; and while deeply conscious of our loss by his death, yet we bow in submission to the Great Head of the Church, who, after blessing the cause with such a loyal christian character and staunch supporter for these many years, has taken him to the Church above rejoicing in the triumphs of Faith.
