Now that the time for statute labor is coming on it is hoped that pathmasters will direct their attention to the state of some of our sidewalks.

Messrs. J. Hamilton and C. W. Rutledge, of Markdale, were in the Falls on business on Monday afternoon.

An accident of quite a serious nature took place about a mile from the village on Monday last. Mr. James Hannil was preparing to unhitch his team at the barn when they took fright and started off. He endeavored to hold them by the heads but was knocked down and both horses and waggon ran over him. Dr. McCullough was called and pronounced his external injuries a broken rib, a severe wound on the head, and several bruises. How far he may be injured internally is not yet known. We hope he may make favorable progress under the doctor's skilful treatment.

EXCITING SCENE.—A grizzly was making eyes at the flocks on 6th line last week, but as Will. Banks interfered poor bruin had to take to the woods without any supper. He had better not come back as M. J. Davis has purchased a dog which will match the blind eyed mulley of said line. Oh! bruin, beware.

LEFT A LEGACY.

LAST winter left a legacy of impure blood to many people, causing tired feelings, lack of energy, indigestion, constipation, biliousness, etc. From 1 to 4 bottles of Bundoek Blood Bitters never fails to cure any of the foregoing diseases by unlocking the secretions and removing all impurities from the system.

East Mountain.

Standard Correspondence.

East Mountain extends for miles from North to South, but the part of the mountain from which your Cor. writes is the country round about the corner where the Third Con. of Euphrasia meets the Town Line between Euphrasia and Artemesia. (The Town Line is more often called the "Fourteenth.") So in reality we are not far distant from the busy village of Markdale, but practically we are because of the circuitous road which must be taken in order to descend the steep decline of East Mt. and to ascend the equally steep incline on the other side of the valley.

Two little boys from the vicinity of the Baswood Tavern, have been in our neighborhood begging.

Messrs. A & W. S. O'Brien, with their Roadster "Puzzler" are scouring the surrounding country buying sheep.
