MARKDALE, JULY 10, 1890.

Walter's Falls.

"Epistolarum Commercium."

Mr. J. R. Wickham and family are home for the holidays.

School closed for the summer holidays on Friday last. Teacher and scholars will now have a "good time" for six weeks.

Eight pupils of the fourth class in our Public School wrote on the Entrance examination last week. It is hoped that they may be as successful as former candidates from this school.

Mr. S. Carney raised a large addition to his barn on Monday, June 30.

The first of July passed off very well in the village. Although there was not as much competition in the sports as was expected, those present seemed to enjoy themselves. Some disappointment was felt over the fact that the football team was not present. There was no team to compete with the "Dauntless" here so the boys went to Meaford and gave a good account of themselves there, scoring 2 goals to 0 against Meaford and 7 goals to 0 against Griersville. The following were the prizewinners in Walter's Falls: Farmers' running race.—1st, David Bonnell's ch. geld. "Hanlan"; 2nd, Joe McKibbin's ch. mare "Fly." 100 yd. race.—1st, R. Thompson; 2nd, Arthur Phillips. Standing Jump.—1st, R. Thompson; 2nd, A. Phillips. High Jump.—1st, R. Thompson; 2nd, Wm. Conway. Putting Shot.—1st, James Morrison; 2nd, A. Phillips. Boys race (under 10 yrs.).—1st, Louis Lemon; 2nd, Charlie Taylor. Boys' race (under 15 yrs.).—1st, T. Young; 2nd, Percy Brown.

Dundalk.

Standard Correspondence.

Farmers are pleased with the prospect of a beautiful crop.

Your foreman, W. T. Jackman and his bride passed through on Wednesday last. Will looked happy all over, and we have no doubt but his looks conveyed the feelings of the heart. Your Cor. wishes the happy couple many happy returns (no. no) we mean to say long life and happiness.

Rev. Cobblestick, M. A., B. D., was here on Sabbath last and his congregations were favorably impressed with him.

On Saturday morning last the citizens of our village were awakened by the alarm of fire, at 1.30. The Bell Block was discovered in flames. Almost superhuman exertions were made by the villagers and the fire got under control after a long, fierce fight. The fire was a clear case of incendiarism. G. W. Parson's druggist suffered the most loss; all the losses are fully covered by insurance. At one time it was thought impossible to save the block. Had it been consumed, Oldfield's drug store, Parson's drug store, the bank, Jas. Calhoun & Sons, the Herald office, Lemou's law office and other business places would have been destroyed and the proprietors heavy losers. It is reported an inquest will be held, as the fire was evidently the work of an incendiary.

East Mountain.

Standard Correspondence.

Strawberries are ripe on our mountain.

School vacation has commenced.

The frame work of Mr. Jno. O'Brien's house is being constructed. The statute labor has been performed on the Town Line and also on the third con., Euphrasia.

Several from this vicinity visited Markdale on the first, and report having spent Dominion Day pleasantly in spite of being treated to a thunder shower in the evening. There was no amusement near home except a picnic at Duncan, which passed off creditably.

Many are the complaints heard against those little stinging insects—mosquitoes.

MIRZA.

WILSON'S FLY POISON PADS have an enormous sale throughout Canada, and are kept by all druggists. Nothing kills House Flies, Ants, or Cockroaches like Wilson's Pads. One packet lasts a long time and kills flies by the quart.

A ten cent piece was found on the main street the other day. This was just enough to buy a packet of Wilson's Fly Poison Pads, and could not be put to better use. For exterminating Flies, Ants, Cockroaches, Etc., Nothing equals Wilson's Pads. Sold by all druggists. Take no imitations.

Holland Centre.

Standard Correspondence.

Road work has commenced. Berry picking is all the rage. Samuel McLelland died on Monday 30th ult.

William Watson is up from Toronto visiting his friends here.

Mr. and Mrs. Carson Price were down to the Carnival last week. James Austin, of Galt, was up visiting his brother, Robert, this week.

Rain fell very heavily here on Tuesday and hailstones fell the size of marbles.

William McCutcheon, of Collingwood, was visiting his brother here, this week.

Rev. W. F. Waddell, of Toronto, will give a temperance lecture on Thursday.

The First of July passed off very quietly here, the chief places of attraction being, Markdale and Chatsworth.

Miss Emma McKennett arrived back from Manitoba on Tuesday last, where she has been for the last two years.

HYMENEAL.

John Love and Miss McMullen were joined in wedlock on 2nd inst. We wish the happy couple a prosperous journey through life.

Alex. Armstrong is back for the holidays, from Rockwood, where he has been teaching school for the past six months.

Rev. John Pepper, B. A., of this place, having completed a three years' course in New Testament Greek in Chautaugus school of Theology, has graduated with honors.

Wm. Norton, Esq., raised a fine barn last Wednesday, which is now almost completed. Alex. Kirkton, Jr., also raised one the same day, and Jno. Hampton raised a very large barn on Tuesday. (Three strong men.)

The entertainment on Thursday evening was witnessed by a goodly number. Rev. Mr. McLaren, of Rocklyn, gave a lecture on "The finding of the body of Pharaoh," which was illustrated by a magic lantern. Proceeds \$11.75.

School closed on Friday last, and the holidays have commenced. Our teacher, Mr. Frizzell, has been very successful in teaching the children. We think his success was mainly owing to the patience exercised in training them without the use of the birch.

Meaford Road.

Standard Correspondence.

Statute labor was the order of the day last week.

A barn raising came off at Mr. William Buchanan's last week. No casualties. Mr. J. Magee and Mr. G. Bowes were the captains; the former was the winner of the race.

The annual garden party in connection with the day school was held on the school grounds last Friday evening and was a most decided success. The Flesherton band was in attendance and contributed largely to the evening's entertainment.

Dominion Day was duly celebrated here by a picnic at Mr. Adam Hislop's and a double wedding at Mr. David Graham's, the venturesome parties being Mr. A. McBeth and Miss L. Bowler; and Mr. W. Stoddart and Miss L. Woods. May success attend them.

The annual Sabbath school picnic will be held here on the 10th inst.

Your Rocklyn correspondent told us in last week's paper that "potato bugs are on the run." They won't even walk around here.

Mocklyn.

Standard Correspondence.

"Hurrah for the 12th O' Ireland!" A gala day is expected in Thornbury on the 12th where the neighboring Lodges will display their colors in the usual manner.

If at first you don't succeed, try again. Not being discouraged with the defeat on the previous Friday, the Griersville school returned the match but only again to be defeated. Again did Miss Louise Dodson "down them all," for spelling and deserves great praise for the interest she has taken in it. She is a credit to the school of which she is a pupil.

The out look for an abundant harvest is bright, or than has been for a number of years.

An unusually large crowd attended the Township council last week.

Quite a number from around the capital attended the laying of the corner stone of Meaford High School on Wednesday.

A picnic in aid of Victoria church was held in Mr. Perry's bush on Tuesday last. A good time is reported.

Irish Lake.

Standard Correspondence.

Rev. Father Maloney arrived here last Saturday and is going to take charge of this parish for some time.

Miss Maria Feeney took her departure for Galt last Friday.

Miss Nellie Quirk left for Glascott on Monday last to spend her vacation there. On the eve of her departure there was a very pleasant time spent at Mr. Ryan's.

Mr. W. H. Martin left for Toronto Gore on Monday last.

Mr. Thomas and Miss Nellie Moran and Miss Kate Quirk, all of Glascott, spent Sunday last visiting around here.

Quite a number of the youths of this vicinity spent the first of July in Markdale and after they returned home in the evening they spent a very pleasant time in Ed. Walsh's Hall.

Owing to illness Mr. Alexander McRae was unable to be on duty at statute labor last week, but put in his allotted time this week.

Ryan and Henry Company are paying the highest cash price for logs and tanbak.

Mr. Timothy Ryan sold one of his mares last Monday for one hundred and thirty dollars.

Very heavy hail and rain storm last Tuesday, but no damage done around here.

Miss Johannah Conner returned home from Toronto on Saturday last.

Mr. William Keating gave the folks around here a pleasant call last week.

We hope the young couple we saw promenading the roads last Sunday evening in the midst of the heavy rain were none the worse.

Since the statute labor has been done the roads are much better for driving upon as we saw one young man last Sunday evening driving with four young ladies in his single buggy.

What we may expect:—

Some of our Irish Lake boys to be soon taking a trip to Glascott. Our fourteenth annual grand picnic to take place in the course of a month's time.

SAVE YOUR CARPETS.

A sheet of sticky fly paper will do more damage to carpet and furniture than anything ever invented. No careful housewife would have one about. Wilson's Fly Poison Pads will clear the house more quickly and surely than any other means. If placed near the light where the flies are thickest, Wilson's Pads will kill them every day and clear the house in short order. Sold by all druggists.
