TERMS—Repairing cash; new work short date approved notes if desired. Below I give a few testimonials: Dear Sir,—The two pumps you put in for me are giving me splendid satisfaction (one of them 66 ft. deep, the other 23). I am well pleased with them.

JOHN PORTROUS, Flesherton. Mr. J. ARTLEY, Dear Sir,—In reply to your's of the 12th inst., I would say that the pump you put in for me has proved very satisfactory, it being durable and very easy to work. Enclosed please find \$5, balance for pump.

JAMES JOHNSTON, Flesherton. SATISFACTION AT LAST.—This is to certify that I have had great trouble and expense with my well (55 feet curb) in regard to pumps until I got Mr. J. Artley to overhaul it; since then I have had entire satisfaction. My little boy, six years old, can pump with it nicely.

ARTHUR JOHNSTON, Vandaleur. June 16th, 1890. Dear Sir,—Your favor to hand enquiring how we got along with the Wind Mill. I might say we had no difficulty in putting it together. It is working splendid. The pump does its work all right. I like the working of the Victor Wind Mill very much. It governs itself nicely in a high wind, and I think it far more durable than a wooden mill.

Fell into a Fit.

Very few people covet the experience. Many would far rather fall into a pit. But the customers of Will Stoddart covet the experience of a fit every time, they would rather not fall into the hands of a Knight of the Scissors and Needle whose turnout would fit them like rolling into a pit.
