MRS. N. CAMPBELL and children have been visiting at her parents, Mr. Wm. Armstrong's, and left on Friday last for her present home at Washburn.

CLOSE CALL.—Mr. H. B. Currie, our canny egg dealer, had a close shave last week but feels none the worse now tho' somewhat disfigured. Tom Smith, the barber, is said to be implicated in the deed.

THE Jones Family and Company will give a juvenile concert in the Roller rink on Friday evening (to-morrow). The concert comprises Solos, Duets, Trios and Quartets, Humorous Readings &c. Admission 25 cents; children 15c.

As we drove down the 11th line, Euphrasia, last week we noticed the following improvements: Joseph Manary, addition to dwelling house; R. W. Blakely, a fine large bank barn with stone foundation; a new board fence around the school house; James Brady, a new frame house. This is one of the best and most prosperous lines in the neighborhood.

LAWN PARTY AND CONCERT.—There will be a lawn party and concert given on Friday evening (to-morrow) at "Zion" Methodist church, Glenelg. They always do have a rousing good time there, and this one promises to eclipse all former efforts. Games at 4:30, refreshments later on and a grand literary entertainment to finish up with. Admission only fifteen cents.

SELDOM have we seen a more eloquent, tender and resistless plea put forward in behalf of a patient but debt-cursed occupant of an editorial chair than the following from *The Office*: "Lives of poor men oft remind us honest toil don't stand a chance. More we work we leave behind us bigger patches on our pants. On our pants, once new and glossy, now are patches of different hue; all because subscribers linger, and won't pay up what is due. Then let us all be up and doing; send in your mite be it so small; or when the snows of winter strike us we shall have no pants at all."

STANDARD RULES.—In reference to inserting local reading notices announcing garden parties, concerts, picnics, tea-meetings, socials and such like, people are frequently surprised when we inform them that we charge for such advertising. For the information of such people we give the following rules, which we believe are very reasonable for a local reading notice of any gathering by any church, society, person or persons, where there is to be a fee of admission, or collection taken up, our charge is fifty cents. When we print bills or dodgers for such to the amount of \$1.50, then the reading notice goes free. If you go to the grocer for a dozen of lemons or a pound of tea for an entertainment you expect to pay for them, then why should the printer be expected to contribute fifty cents to a dollar a week in advertising all the year? Our advertising space is just as much our bread and butter as are the goods of a grocer.

BERKELEY GARDEN PARTY.—On Friday evening last a very successful garden party was held in Mr. Jas. Wright's grove, near Berkeley, proceeds of which will be appropriated to the building fund of St. Mathias church. At 9 o'clock tea was announced, the tables fairly groaning under the bountiful spread. Soon after the tables were cleared a very good programme was rendered consisting of vocal and instrumental music. The Markdale Citizens' Band and the Bush Family orchestra were present each of which did much towards the enjoyment of the evening. Rev. H. E. Bray ably filled the bill as chairman. Among the large gathering were noticed a load of young people from Flesherton and Markdale who have been camping at Bell's Lake during the past two weeks. They were a jolly party, chuck full of fun, and out for a good time. They were hauled from their camps by a span of moustangs owned by a jovial Irishman who resides in the neighborhood of the lake. Proceeds \$26.40.

There is more fun in a sheet of sticky fly paper than in the average negro minstrel. Watch the kitten playing with it on the new carpet; the latter is ruined for ever; the kitten goes into a fit and all the women and children rush out of the house in terror. If you want to rid your house of flies, buy Wilson's Fly Poison Pads, and use as directed. Nothing else will clear them out thoroughly. Sold at 10c. by all druggists.

WILSON'S FLY POISON PADS.—One of these pads will kill more flies every day for a month than can be caught upon a large sheet of sticky paper. A box, consisting of Wilson's Fly Poison Pads will last a whole season. Sold by all druggists.
